GIRLS! IT'S YOUR STEP THAT ATTRACTS
Says Women Pay Too Much Heed To Their Face Instead of Their Corns.

Watch your step! A brisk, lively step is what charms more than a lovely skin, but your high heels have caused corns and you limp a little. That's bad, girls, and you know it. Corns destroy beauty and grace, besides corns are very easy to remove. Rid your feet of every corn by asking at any drug store for a quarter of an ounce of freezone. This will cost little but is sufficient to remove every hard or soft corn or callus from one's feet.

A few drops applied directly upon a tender, touchy corn relieves the soreness and soon the entire corn, root and all, lifts right out without pain.

This freezone is a gummy substance which dries instantly and simply shrivels up the corn without irritating the surrounding skin.

Women must keep in mind that cornless feet create a youthful step which enhances her attractiveness.

POINTS THE WAY.

The Statement of This Madisonville Resident Will Interest Our Readers.

Our neighboring town, Madisonville, points the way in the words of one of its most respected residents:

Mrs. W. H. Davenport, Covington street, Madisonville, La., says: "I was feeling very badly. My back tormented me just about all the time and I felt languid for days at a spell. When I exerted the least bit, I tired quickly and I was unable to regain any vigor at all. I had dizzy spells and headaches and was often so nervous I didn't know what to do with myself. I began taking Doan's Kidney Pills and they helped me wonderfully. I have used Doan's a few times since and they have always proved their excellent merit. I know they are a dependable medicine and am glad to give this endorsement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Davenport had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If Tongue is Coated, Cleanse Little Bowels With "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

GIRLS! WHITEN SKIN WITH LEMON JUICE

Make a Beauty Lotion for a Few Cents to Remove Tan, Freckles and Sallowness.

Your greaser has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quarter pint of the very best lemon skin whitener and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you.

CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

Twenty Years Test

Our bank has been in business just twenty years. We opened our doors for business the year in which the Maine was sunk and we sent our brave boys across the waters to Cuba, where they made short work with our enemies the Spaniards. Since then our Country has progressed, our community has progressed, our bank has progressed. During that time our resources have increased from \$15,000 to practically \$1,000,000. Relatively speaking, we have grown even faster than the resources of our Country at large. Our Country is now engaged in another war, a tremendous war. We have already sent more than a million of our best young men to fight on a foreign soil in order that civilization might not be destroyed. And our institution is glad to know that its large resources stand behind these men. Our bank, its stockholders and depositors all stand ready to sacrifice in order that our boys might fight successfully and be brought back to us in safety.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save Your Hair! Get a Small Bottle of Danderine Right Now—Also Stops Itching Scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any

time—will surely save your hair.

Get a small bottle of Snowdon's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!
