"A Stitch in Time Saves Nine."—Don't delay—use Doan's Kidney Pills.

Profit by the experience of Mrs. A. R. Lanier, 2305 Jefferson avenue. She says: "I was having all sorts of misery with my back. I didn't dare make a sudden turn, for when I did knife-like pains shot across my kidneys. I had nervous headaches and at times I thought my head would burst. My kidneys didn't act right and I was in pretty bad shape. I began using Doan's Kidney Pills and they helped me immediately. Two boxes affected a cure in my case and I haven't had a return of the trouble since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lanier had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

CALOMEL SALVATES AND MAKES YOU SICK

Acts Like Dynamite On a Sluggish Liver and You Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, head ache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.—Adv.

THRIFT WILL WIN THE WAR.

President Wilson said, "I suppose not many fortunate by-products can come out of the war, but if the country can learn something about saving out of the war, it will be worth the cost of it in money and resources."

That thrift idea you've had in mind to practice in the dim and distant future—it's just the thing for thrift day. Start something—get action—that's what thrift day is for.

War times have made every day a thrift day in America. Open an account with us, if it hasn't been done.
