We are always glad to form new acquaintances and extend our accommodations to all who are worthy. Acquaintance as well as good security is an important factor in securing a loan.

TO THE WOMEN OF ST. TAMMANY PARISH.

The papers to-day are telling us, in big headlines, that all things come to the advertiser, so we take advantage of the spirit of the times and advertise to the women of the parish the fact that we are working for the biggest and finest exhibit of fancy work that has ever been displayed at any of our Parish Fairs. This year is to set the pace for the coming years, to raise a standard that will require no little effort to maintain. The women of this parish have long been known for their exquisite hand work, and now we ask them to send some of this work to our fair.

If each woman talks to her neighbor about it, and succeeds in arousing the interest and enthusiasm the subject deserves, there shall be gathered such a display as will furnish the chief attraction of our fair.

Will you help to put our Parish over the top once more?
MISS KATE EASTMAN,
Parish Chairman of Fancy Work
