Such catastrophes can easily be avoided by consulting the reliable optician in this city, which of course is Dr. Bass. Eyes tested by graduate optometrists. THICK, GLOSSY HAIR FREE FROM DANDRUFF
Girls! Try It! Hair Gets Soft, Fluffy and Beautiful—Get a Small Bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of

dandruff. You can not have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots (famis), loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.—Adv.
