WANTED — RED-BLOODED MEN!
Happy and Successful People Every-where Are Always in Great Demand.

Best Friends—Red-Blooded.

Pepto-Mangan Produce Better Blood—Sold in Liquid and Tablet Form.

Get into the red-blooded class if you are not there now. Take a few weeks' course of that splendid tonic—Pepto-Mangan—and note how you improve in health and looks. Pepto-Mangan is a red-blood maker and is for sale at the drug store right near your home. It is put up in both liquid and tablet form. Take which you choose, but see that the name "Gude" is on the package. Without "Gude" it is not Pepto-Mangan.

It is the cry everywhere—"Wanted—Red-Blooded Men." The soldiers and sailors that won the war were red-blooded, two-listed fellows. In business it is the red-blooded man that stands the strain and wins the big successes. The world has no

place for the thin-blooded weakling. It is natural, too, that red-blooded men and women should have more friends, and they do. They are better human beings than the thin-blooded anemics, who are likely to be "grouchy" and irritable most of the time.—Adv.

CALOMEL

Calomel is a dangerous drug. It is mercury—quicksilver; and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work.

Take "Dodson's Liver Tone" Instead!

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful to-night. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.

SAVINGS SERMONETTE

Number Eighteen

TO YOUNG MEN

Success is more a matter of thrift and economy than most people imagine. A young man should acquire the habit of saving money. A savings account will counteract wastefulness insure against poverty, and provide for lackness or declining years.

Every young man of the right sort expects some day to marry, to own a home and start in business. The first thing such a man should do is, to open a savings account. There is much in making the start. Ask your rich neighbor the secret of his success. He will doubtless tell you, that it had its beginning in the young man who is not saving in youth, is inviting a cheerless dependent old age. Get started. It is the beginning of the campaign that is important. Start a savings account at once, and encourage it with constant deposits and you will soon have an earning asset ever ready for use in case of an emergency or business opportunity.
