THICK, GLOSSY HAIR FREE FROM DANDRUFF
Girls! Try It! Hair Gets Soft, Fluffy, and Beautiful—Get a Small Bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots flambish, loosen and die; then the hair falls out fast. Suerly get a small bottle of Knowlton's Danderine from any drug store and just try it.—Adv.

SOUTH IS TURNING AGAINST CALOMEL
Mr. Dodson, the "Liver Tone" Man, Responsible for Change for the Better.

Every druggist in town has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its

place. "Calomel is dangerous and people know it." Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle doesn't cost very much but if it fails to give easy relief in every case of liver sluggishness and constipation, just ask for your money back. Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day.—Adv.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD
Delicious "Fruit Laxative" Can't Harm Tender Little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and or grown-ups.—Adv.

TAKE IT IN TIME
Just As Scores of Covington People Have.
Waiting doesn't pay. If you neglect kidney backache,

THE DANGER OF HOARDING MONEY

A short time ago a man from one of the country wards walked into our office and cashed a check for \$1000. The official who waited on him suggested that it would be risky to take the cash home with him, but not being familiar with banking business he preferred having the cash. Just a few days ago the same man came into the office and told us that he had lost all of his money by his house being robbed.

The bank's entire capital and surplus stand between you and the robber, fire or loss.

Urinary trouble often follow. Act in time by curing the kidneys. Doan's Kidney Pills are especially for weakened kidneys. Many people in this locality recommend them. Ask your neighbor! Here's one case: Mrs. C. V. Earle, Main St., Madisonville, La., says: "It is a long time since I have had need of Doan's Kidney Pills, but I remember well the benefit they were to me when I was being troubled with my back and kidneys. My kidneys caused me much annoyance by their irregular action, and my back ached constantly. I felt depressed, too. I received immediate relief from the troubles when I began taking Doan's Kidney Pills. Doan's cured me in a little over a week and I have recommended them on several occasions since."

TO AVOID THE "FLU."
First of All, Make Sure Your Blood Is Red and Rich—in Fighting Trim.

Safety in Vigorous Blood.
If You're Listless and Depressed Don't Delay a Minute—Get A Good Tonic.

If you get the influenza, see a doctor at once—but why get it? Isn't it worth while, instead, to take every precaution now, against getting it? Probably the best and first thing to do is to make sure you are in good physical condition. During an epidemic, almost wherever you

go you are exposed to influenza. As long as you are really well, the red corpuscles of your blood fight off and defeat disease germs. But when you are tired and run down, when you feel all right except that you haven't much energy and enthusiasm, your blood is tired out too, and you are an easy victim.

Pepto-Mangan has become famous as a builder of rich, vigorous blood. It helps you up when you are run down. It helps you avoid illness. Or, it helps you recover, if you realized your poor physical condition too late. Physicians have been recommending Pepto-Mangan for years, in cases of anemia (bloodlessness). It is reliable, effective, and has a record of over twenty-five years success. Take no chances with a run-down condition. Get Pepto-Mangan today. It is good health insurance. Pepto-Mangan is sold in liquid and tablet form. There is no difference in medical value. Take either kind you prefer. But be sure you get genuine Pepto-Mangan—"Gude's." The full name should be on the package.—Adv.
