TAKES OFF DANDRUFF. HAIR STOPS FALLING

Save Your Hair! Get a Small Bottle of Danderine Right Now—Also Stops Itching Scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—the awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!—Adv.

So Human

---it amazed all Covington

Some of your friends must have been in the huge audience which heard Alice Verlet in her Tone-Test recital at the Parkview Theatre. Ask these people about it. This is the astonishing discovery they made:

The keenest musical ear can not distinguish any difference between the voice of the living artist and the Re-Creation of that voice by the New Edison.

And does it not amaze you, too, that Mr. Edison has succeeded in producing an instrument that captures every subtle sweetness of the human voice—that gives you all the ear can give you of the art of the world's great artists. No other phonograph dares to make this direct comparison.

The New Edison

"THE PHONOGRAPH WITH A SOUL"

The New Edison* alone can Re-Create music for you. Come in and hear it for yourself. Make the great discovery for yourself.

Frank Patecek

*The instrument used in Saturday's Tone-Test is the regular model which sells for \$285. It is an exact duplicate of the Laboratory Model which Mr. Edison perfected after spending Three Million Dollars in experiments.

TO OUR COUNTRY PATRONS AND VISITORS.

Residents of Covington are familiar with the opportunity offered by the Schonberg Pharmacy for an enjoyable evening after the show or for a few moments of refreshment in the heat of the day, when ices and cool refreshments are served at the tables or at the counter of our soft drink fountain. We are proud of the reputation we have made both for the quality and the service of these refreshments and we endeavor in every way possible to make our patrons comfortable and satisfied.

Visitors from the country, and our former friends especially, will find us always ready to render them any service possible and to see that their wants are promptly and carefully attended to. You will always find a table at which you may be served and where you can rest while you enjoy yourself after a day of shopping.

Our drugs are of the best, as are our candies, cigars, tobacco, cigarettes, and other supplies, and you can get an evening paper or a magazine to read.

The country trade! O, I say, boys, I know a good thing when I see it once. The big, high grade's as full of joys For rural as for city folks. Don't be a dunce. Just tumble in at Schonberg's store, Where lights are bright and table chairs are full, With ices, sweets and drinks galore, And watch them hustle just to treat you right— You'll see we country folks do not need pull To make us welcome, be it day or night.

We are proud of the confidence doctors, druggists and the public have in 666 Chill and Fever Tonic.—Adv.

WHY THAT LAME BACK.

That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Covington resident's example. Ask your neighbor!

Gaston Duplantis, prop. of horse-shoeing shop, 919 Monroe avenue, says: "A few years ago I had a very lame back, and as my work re-

quires a great deal of stooping and exertion, I sure was in misery. If I stooped over I could hardly get up on account of the sharp pains that shot through the small of my back and my kidneys acted irregularly and annoyed me a great deal. I began using Doan's Kidney Pills and they proved to be just the medicine I needed. They helped me from the first and when I had used about a box, I felt like a different man. I have had no return of the trouble since that time and I still do the same heavy work as ever."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Duplantis had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.
