QUEEN & CRESCENT LUB.
"R. MILLER" IS MYSTERY
"R. Miller," who has played so well at third for the Phillies, is the mystery of 1920. He didn't play in any minor league last year, and the critics have taken it for granted that he must have come from a shipyard or semi-pro club. Manager Cravath says no. "I don't know who he is, or whence he came," says Cravath. "He simply walked into our southern training camp, said he was an infielder, and that he'd like to prove it. Next day he showed what he could do, and took the third-base job away from all comers."

BUSH LEAGUE STARS SCARCE
Manager Jennings of Detroit Tigers Attributes His Hard Luck to Death of Players.
There is a dearth of major league material in the minors, according to Hugh Jennings of the lowly Tigers. He has Jack Coombs out coming for prospects, but has found it slim picking. He says: "I tell you, it's a tough job getting back up once a fellow is down. Just look at my neighbor—Mack. When he was winning pennants he was a genius. They said the same thing about me a few years ago. Now we're both dragging along in the cellar. The moment there is a tip that some minor leaguer shows color the whole outfit of sixteen major league clubs beat it after him. That's how scarce they are."

clubs beat it after him. That's how scarce they are."

OPPOSE POST-SEASON SERIES

International League Likely to Turn Down Proposition for "AA" Championship.
President Hickey of the Association has sounded out the International league with regard to playing a post-season series the coming fall for the Class AA championship. It is said the Ints are likely to turn down the proposition. They are still sore because the American association, as the International views it, called off the proposed series in 1920.

TOM LONGBOAT IS FARMER

Returning from the war with a record as clean as his racing, Tom Longboat, the Six Nations Indian, who is Canada's most famous distance runner, has taken up a farm under the soldiers' settlement bill. He is thirty-two years old. In 14 years he lost only two big races and staged sensational comebacks after both of those. He served throughout the war with the Canadian army. Longboat's farm is on the western prairies.

LONG GAMES FOR ROBINS

Playing marathon baseball games is nothing new for the Robins. In fact, the Brooklyn team has taken part in a 26-inning game, a 22-inning game, a 20-inning game, two 19-inning games, two 18-inning games and two 17-inning games. Last season the Robins played a 20-inning 9 to 9 tie with the Phillies on April 30, and on June 1 lost an 18-inning game to the same team by a score of 10 to 8. In 1917 the Robins and the Pirates played 22 innings before Brooklyn won, the game setting a record for the National league.

Baseball Notes

Nobody has asked him, but probably Babe Ruth's favorite song is "Home, Sweet Home." Tampa is not having such an easy time of it in the second half of the Florida State season.

By putting a little more rubber in the baseball the magnates gave resiliency to the gate receipts. The annual story appears that John Dobbs will retire as manager of the New Orleans Pelts after this season.

George Lynch, a pitcher, has been purchased from the Des Moines Western league club by the St. Louis Americans. The Tulsa club announces the purchase of Pitcher George Heir from the Redfield club of the South Dakota league.

The Philadelphia Nationals have purchased Catcher John Peters of the Birmingham club of the Southern association. If this were not an ungrateful world the ball fans would hardly get peevish every time Babe Ruth does not make a home run.

As an every-day regular Eddie Eays is not hitting them for the Braves like he did when used only occasionally. The Chicago White Sox have purchased Pitcher Hodge and Catcher Jonnard from the Nashville Southern league club.

Duffy Lewis, one of the greatest fly chasers in the business, is being carried by the Yankees in the role of pinch hitter. The Tampa club has had offers for several players besides Pitcher Workman, but has refused to sell until the close of the season.

Baseball is like this: If a club wins the players expand their chests and say: "I done it." If a club loses everybody agrees: "Bum manager." Ray Kenting, according to Wade Killefer of the Angels, is the best pitcher in the Coast league. He sure has been the best bet for Los Angeles.

When Jake Munch jumped the Charlotte team for the Georgia outlaws he was leading the Sally league in hitting, with an average of .367 in 70 games.

TRIS SPEAKER SAYS HIS TEAM WILL WIN

Manager of Cleveland Indians Fears Yankees Most. Praises Kid Gleason's White Sox and Says No One Can Realize What an Asset a Slugger of Ruth's Caliber Really Is.

Tris Speaker, manager of the Cleveland American league ball team, believes that after many years of disappointment the Indians are going to capture a pennant this season. He figures that the Yankees are the team he will have to beat to accomplish this feat.

"I think we should win unless we have an unusual lot of tough luck," said the popular leader of the Indians recently. "My team is as good as, if not better than, it was a year ago, and it would have beaten out the White Sox sure in 1919 had our schedule been 154 instead of 140 games. "I am not kidding myself that Cleveland is going to have any walk-over this year. The race should be quite as tough as it was a year ago. There is better balance to the Amer-

ican league. The White Sox are going to put up a fight for their laurels. The comeback of Faber has strengthened the pitching staff, which was the great weakness of the Windy City aggregation through the closing weeks of the 1919 campaign. "And New York? Well, I'll tell you how I regard New York. I really believe that is the team we will have to beat. "No one can realize what an asset a slugger of Babe Ruth's caliber proves when the argument comes down to the pinch. New York can present a powerful infield, defensively and offensively. Huggins has enough good pitchers for two twirling staves. And pitching, I can tell you, means a lot, especially in the days of double-headers and when the race simmers down to the final stretch run."

Tris Speaker.

PLAN OF GOLF ASSOCIATION
Massachusetts Organization Favors Standardization of Ball Among Other Things. The Massachusetts Golf association has gone on record through its executive committee as favoring standardization of the ball, abolition of the stymie, the medal play penalty for a lost ball in match play as well as medal, and recommends that a ball imbedded in the putting green be lifted; also that mud may be removed from a ball on the putting green.

Davis Cup Dates. Play for the Davis tennis cup between the Americans, as challengers, and the Australians, as defenders, has been scheduled to take place at Auckland, New Zealand, December 23, 29 and 31.

KENTUCKY IN LONG RACE
The 300-mile endurance race for horses from Fort Ethan Allen, Vermont, to Camp Devens, Massachusetts, has taken its place as an annual fixture and will be run this year from October 11 to 15. Kentucky horsemen are showing interest in the event this year and will enter at least three animals, and may enter a dozen. The expenses of training will probably be pooled by the Kentucky racing commission, the Thoroughbred Horse association and the Kentucky Jockey club.

NEW CATCHER IS PROMISING
Youngster Named Heving, Picked Up by St. Louis Cardinals, Has Earmarks of Star. The St. Louis Cardinals have a new catcher, a youngster named Heving, who hails from Battle Creek of the Michigan-Ontario league. Scout Fred Hunter dug him up and says he is going to be a real big leaguer when he gets the hang of things. This is Heving's second year in professional ball.

WEST VIRGINIA LOSES STAR
John McCue, Big Guard Who Played So Well With Mountaineers, Leaves University. John B. McCue, the big six-footer who so reliably filled one of the guard positions on the Mountaineer football team in 1917 and again in 1919, will be lost to the eleven this year, as he has withdrawn from the university.

MICHIGAN'S NEW SYSTEM

In an effort to induce every able-bodied student at the University of Michigan to engage in some form of outdoor sport, the intramural department has appointed five student managers, each of whom will assume direction of one of five sports—football, baseball, track, basketball and golf and tennis. The sports managers will be awarded white jerseys with white monograms, and the members of the intramural teams will receive blue jerseys with blue numerals. The members of the freshman swimming team will be given blue jerseys with red numerals. It is believed by the athletic board that these various awards will stimulate interest in athletics among students generally.

Diamond Yarns

Speaker is pretty well fixed for pinch hitters. Torres, the Cuban first baseman, looks like a good ball player.

It is hard to imagine Babe Ruth cast in the role of hitting for anyone except himself. The Peoria Three-I club announces the sale of Pitcher Fred Bowman to the Detroit Tigers.

George Whiteman has been having a poor year with the Toronto team and has been benched. The San Francisco club has released Pitcher Mario De Vitalis to Omaha of the Western league.

Bob Ganley, ten or fifteen years ago an outfielder in the big show, is a new umpire in the South Atlantic league.

By arrangement with the New York Giants Pitcher Pol Perritt will finish out the season with the San Antonio team.

John J. McCloskey emitted a loud protest when notified that he had been deposed as manager of the Memphis Chickasaws.
