GREAT STAR FACES HARDEST TASK

The eyes of baseball fans of the land are on this player as the 1921 season gets under way. One of the greatest stars the game has ever produced, Ty Cobb has at last accepted managerial duties, and will try to pilot his Detroit team to a pennant. He does not make any boastful claims for this year—but says he will build a team that will cop the flag—this year if possible.

More Price Reductions by Harvester Company

Entire Line of Implements Now at LOWER PRICES

In view of the recent reduction in the price of steel, we now announce lower prices for our entire line of farm machines and implements not covered by reductions previously announced.

All lower prices take effect at once

The reduction in the price of steel comes after all the material for the machines and implements we will sell this year has been provided, and will therefore have no bearing on the manufacturing costs of such machines. However, it does enable the Company to buy materials at lower prices for future manufacture, and in accordance with our announced policy we now quote those prices, the Company taking the loss on machines already finished and materials on hand.

Full information regarding our lower prices on binders, mowers, and all other harvesting, haying and corn machines, tillage implements, tractors, engines, and all other I H C farm machines can be obtained from any International Dealer.

WOMEN GIVE OUT.

Housework is hard enough when healthy. Every Covington woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Covington woman's experience.

Mrs. A. R. Lanier, 2305 Jefferson avenue, says: "I was having all sorts of misery with my back. I didn't dare make a sudden turn, for when I did, knife-like pains shot across my kidneys. I had nervous headaches and at times I thought my head would burst. My kidneys did not act right and I was in pretty bad shape. I began taking Doan's Kid-
