### THE POOR MAN'S NEST EGG.

There is no one who derives relatively greater benefit from a savings account than the poor man, whose savings are necessarily small, but who may gradually get a little money ahead by the smallest earnings, and will find that the nest egg of great value to him if he should suddenly be deprived of work and income.

A savings account means thrift, independence, self respect and freedom from the worries of today and the uncertainties of tomorrow. The man with a bank account can look the world square in the eye for he is his own master. If sickness, accident or loss of position comes his way, he is safe. His bank account will tide him over. Are you backed by a savings account?

THIS BANK WILL HELP YOU TO SAVE BY ADDING FOUR PER CENT INTEREST SUBJECT TO THE USUAL REGULATIONS.
