

SUMMER

MAKES ITS DEMANDS WHICH NONE OF US CAN RESIST

It is the desire for fresh, new, bright, light apparel—the soul clamoring for freedom of life everywhere. And this is one way we have of expressing it.

Wholesale buying of summer togs is a great deal more inspiring to us—than at any other season of the year.

We feel that we have outdone all previous efforts in appealing selections this year.

The last trace of things military has been lost in every line of all new apparel. And it is a pleasing relief, as satisfied smiles of our many customers testify.

So come in and be inspired in your summer dress-up. We only ask the privilege of showing you the new and pleasing models—be it
