MISTRIAL IN THE ROGERS MURDER CASE, JURY 7 TO 5

Lawyers Make Strong Pleas and Defendant Takes the Witness Stand

CROWDS COURT TO SUFFOCATION

Largest Crowd Gathered At Courthouse Than at Any Trial and Years.

The trial of Martin Jenkins for the murder of Green Davis near his home in the second ward, attracted more interest than any trial that has occurred in the District Court at Covington for years. All day Tuesday was required to select a jury, and the lawyers on both sides examined every man closely before he was accepted. Court was then adjourned in order to give the attorneys time in which to consult with witnesses. Judge Carter instructed the witnesses not to leave until they had the consent of the attorneys to do so, and stated that State witnesses would go to the rooms of Lewis L. Morgan, who was assisting District Attorney Brock in the prosecution, and that the defendant's witnesses would meet Judge Burns and F. J. Heintz, attorneys for defendant, in the courtroom. The stubbornness of the fight that was to be made was indicated when Judge Burns asked that Pelar, the young boy indicted with Jenkins by the grand jury, but whose trial had been separated from that of Jenkins, be allowed to come with the witnesses for consultation with defendant's attorneys. This Judge Carter refused to do. He stated that from information received he had caused young Pelar to be placed in the parish prison, New Orleans, for safe keeping, and that under the circumstance he did not deem it advisable for Pelar to appear with the witnesses, but that with the permission of the sheriff Pelar could be seen in his cell by attorneys if he wished to grant a conference. The legal fight that followed between the attorneys caused the judge to withdraw the jury while the matter was discussed, which ended in first blood for the prosecution. The argument was quite heated.

When Martin was placed on the stand and admitted the shooting, and his little girl testified that she saw papa shoot Green Davis, it became evident that self-defense was to be the defense of the defendant. The defendant sat beside his wife throughout the trial with his baby in his arms.

The case was closed Wednesday evening and the jury was discharged Thursday evening, failing to agree, there being seven for conviction with a recommendation of mercy, and five for acquittal. Judge Carter sent the jury back twice in the hope of some agreement.

The only witnesses in the case were the defendant, his wife and daughter, who testified that Rogers and his wife chased Pelar with guns, and as they passed Jenkins (the accused) and his wife and daughter in the woods, Mrs. Rogers exclaimed, "There he is, shoot him," and that Rogers fired at Jenkins.

The prosecution produced Coroner Bulloch to show that it was possible for Rogers to have fired the first shot, as he was shot twice, once fatally and the other time (supposedly the first) shot passed through his arm and into the gun stock, showing that he carried his gun under his arm when the shot was fired.

Mr. Morgan made one of the most effective arguments that he has ever made in a criminal case here, and no doubt prevented an acquittal. Judge Burns and Mr. Heintz worked hard for an acquittal, but it was the offer of every opportunity that was offered. The case will probably be retried at an early term.

PROCEEDINGS OF PARISH SCHOOL BOARD MEET JULY 8TH

Board Takes Action in McAfee Matter Discussed Slidell Mass Meeting

REPORT OF SUPT. E. E. LYON READ

Contracts for Transfers, Fiscal Matters, and Other Business Transacted

Covington, La., July 8, 1921.

The St. Tammany Parish School Board met in regular session at Covington in the office of the Superintendent on the above date with N. H. FitzSimons, president, in the chair, and the following members present: Geo. R. Dutsch, ward 1; T. J. O'Keefe, ward 2; N. H. FitzSimons, ward 3; H. H. Levy, ward 4; W. W. Talley, ward 5; Dave Evans, ward 6; I. H. Keller, ward 7; Geo. F. Bancks, ward 8; W. J. Sebastian, ward 9; W. Oswald, ward 10, and a quorum was present.

On motion of Mr. Levy, seconded by Mr. Keller, the minutes of the last two meetings were approved as published in the official journal, with the exception of one minor correction that was made.

The Superintendent read the following report, including a financial statement for the six months ending June 30, 1921.

Covington, La., July 8, 1921.

Honorable President and Members of St. Tammany Parish School Board Covington, La.

Gentlemen:—Please accept the following as a brief report of school conditions in this parish at the present time. I have engaged a larger per cent of teachers for next year than I have ever engaged at this time of the year, before. We have many of our old teachers, and the new ones are practically all experienced. Very few have third grade certificates. The result is that our monthly pay roll will be increased considerably over \$1000, and for a six months' term from the general fund we can expect the salary appropriations to be \$66,000 for white teachers and \$15,000 for colored teachers. With the approval of your Executive Committee, I have prepared a tentative budget for your examination today, and according to law, it will be necessary for you to approve at this meeting of a permanent budget of receipts.

Regarding your last year's budget of receipts I would respectfully call your attention to the fact that we expected to receive \$96,693.82, but we received only \$89,534.39, making a difference of \$6,990.92 less we received than we had expected. This difference we have received \$3,002.70 less from the Police Jury fund than we expected, although we have received \$634.76 more from the municipal fund, \$141.43 more from the poll taxes, and \$494.60 more from the current school fund. To sum this up, we have spent \$3,940.07 less than our budget called for, but because of not having received as much as we expected, we are still short something like between five and six thousand dollars, which will probably be taken care of as soon as the tax collector has his tax sale. Our budget appropriation would stand as follows: The white teachers' salary fund has a balance of \$1,440.18; colored teachers an overdraft of \$2,111.88; superintendent's salary balanced; supervisor's salary balanced; Secretary's salary balanced; janitor's salary has a balance of \$625.00; office janitor balanced; operating wagons an overdraft of \$216.50; repairing wagons a balance of \$85.55; interest on loans, \$246.33; official journal \$220.40; supervisor's traveling expenses \$5.52; superintendent's traveling expenses \$53.42; school supplies \$554.45; mileage and per diem \$12.37; colored school houses \$2,748.00; insurance \$434.07; office expenses overdraft of \$477.05; library balance of \$443.53; contingent overdraft of \$138.30; school furniture balance of \$39.83.

The note given by patrons of the Madisonville colored school as part payment of the purchase price on that building has been taken up and your appropriation of \$250 toward this note was paid.

The parish training school for negroes to be built at Slidell, is now under process of construction. The contract price was \$7,300, and you will remember that you appropriated \$2500 toward this purpose. I recommend the action of the jury.

NEW COMMANDERS OF AMERICAN LEGION

T.J. Bannigan

"I hope only to carry out the aggressive policies launched by Col. Galbraith," said the new national commander, John T. Emery, of Grand Rapids, Mich., as he took command of American Legion affairs. He entered the world war as captain, was promoted to major, and while leading the 1st Battalion of the 18th Infantry, was severely wounded by shell fire. Thomas J. Bannigan of Hartford, Conn., and the national vice commander elected to place through the death of Col. Galbraith.

MANDEVILLE AUDUBON CLUB IS ORGANIZED

A beautiful red-bird sat on a tree. Looking as happy as happy can be. He whistled, "In Mandeville I am free, For the Audubon Club takes care of me."

—Mrs. C. S. Galbraith.

And the children of the grammar grades of the schools of Mandeville, like the red-bird, are happy as can be over their new Audubon Club.

It was organized a month ago by Miss Eleanor Rayne and Mrs. A. E. Briggs with six members. It now has a membership of forty with the aim of increasing this to one hundred by autumn.

Until the opening of school the club will meet at the home of Mrs. Briggs every other week on Thursday afternoon.

Members are expected to sign neatly printed pledges, which, as well as the buttons stamped with the name of the club and a portrait of Audubon, were paid for by the Mandeville School Improvement League.

It is hoped that the club will be instrumental in decreasing the slaughter of insectivorous and song birds by instilling a love and appreciation of bird-life.

At the first regular meeting June 21st, Mr. Gus Magnier gave a very interesting talk about birds, and presented the club with a beautifully stuffed and framed oriole surrounded by flowers and butterflies.

The children are so interested that, despite a heavy down-pour of rain last Thursday, there was a large attendance.

The officers are Emory Van Zant, president; Mary Louise Briggs, vice-president; Josephine Marsh, secretary; Elsie Bing, treasurer.

The pledge reads: "As a member of the Audubon Club I earnestly promise to obey the laws which prohibit the killing of birds, and to the best of my ability prevent harm to all song-birds, and birds which eat insects."

They try to increase the number of useful and attractive birds by providing nesting boxes for them, and by preventing destruction of their eggs and young, and will urge others to assist in the protection and care of bird-life.

They have been informed by the State Agent of Negro Schools that we will probably be able to get assistance to the amount of \$375.00 towards equipment for industrial work. You may get perhaps a correct idea of the kind of work we expect to do at this school if I should like it to a junior high school with all of the Latin and sciences thrown out and in the place of these put industrial work. The pupils in the higher grades will be required to spend half of their time in manual training, or work of an industrial nature.

The insurance companies have settled with us for the loss of the Savannah Branch school, and an advertisement has been running in The St. Tammany Farmer asking for bids for the erection of a new two-room building for that neighborhood, and bids will be opened today.

Bids were received by your committee for the installation of a movable partition in the Audubon school, and they were as follows: S. R. Williams, \$375; Geo. H. Sticker, \$423; Wannie Crawford, \$650. A contract has been signed with Mr. Williams for this work, and he has given bond for the proper completion of the job.

Some few weeks ago I was called to Slidell to attend, with your Ninth Ward School Director, a mass meeting of the Ninth Ward taxpayers and Slidell High School patrons. The meeting was called for the purpose of considering certain complaints made by some of the high school patrons regarding the work and efficiency of their principal for last year. A large crowd was in attendance. A committee consisting of five was appointed by the mass meeting to investigate such charges as might be received, and a report of this committee, I understand, has been made and given to the Ninth Ward School Director for your benefit and consideration today.

Our records show that in August, 1916, a special two and one-half mill maintenance tax was voted in the Third Ward for the purpose of giving additional aid to the public schools of this ward. This tax was voted for five years, and under this circumstance it has run out. This brings us to the unpleasant fact that we will not be able to guarantee more than six or seven cents school next year in the Third Ward unless this tax can be re-voted for a

be prepared to enter Tulane and Newcomb Colleges after this session, unless we can prove that we are worthy of being placed upon the list of accredited schools of the association of colleges and secondary schools of the Southern States. In order to qualify for this list, there are certain important requirements that we must meet regarding the number of teaching periods per day that each teacher has, number of volumes in school libraries, number of pupils in each teacher's room, and qualifications of the high school teachers themselves, etc. I wish to urge you, and through you, to urge all of the people of this parish the necessity of taking such steps as are necessary to place our schools in a condition such that the graduates may be admitted to the colleges of New Orleans without examination.

Thanking you gentlemen for your continued co-operation, I beg to remain,

Yours very truly,
ELMER E. LYON,
Superintendent.

FARMERS WILL MEET IN SLIDELL WITH BUSINESS MEN TO-DAY

Meeting Is Called for 11 a. m. at Community House by League

BABY WEEK CREATES GREAT DEAL INTEREST

Child Taken To Hospital, Civic League, Presbyterians, Bible Class.

(By Staff Correspondent)

A meeting of St. Tammany parish farmers and business men has been called for 11 a. m. Saturday, July 16th (to-day), at the Slidell Community House by the Slidell Commercial and Civic League. This meeting has been called to complete an organization of the farmers and business men. A large crowd is expected to be present, as the interest in the matter is keen. Prominent men of the State Agricultural Department will be present.

This new association will work in harmony with the St. Tammany Farmers Bureau, of which Mr. Henry Keller is president. The latter has already accomplished much good among the farmers.

Following the efforts of the farmers in this section, the Slidell Farm Products Co., Inc., was organized to buy all products raised. They are now preparing to erect a model potato house, also a canning plant.

Following the business of the new organization the Ladies' Auxiliary of the Slidell Commercial and Civic League, under the direction of Mrs. Carrie Cunningham, will present an interesting program, followed by a smoker for the men.

Baby Week Created Much Interest.

Baby Week was opened with much interest Monday night at the Community House, where a large crowd gathered to hear a most excellent program.

The first number of the program was a short talk by Mr. U. G. Neuhauer, who acted for the Mayor, being unable to be present. Next came a fitting little sketch put on by the children under the direction of Mrs. C. Cunningham, and was enjoyed by all present.

Dr. Maud Loeber then gave a most interesting and helpful talk on the Nation's greatest wealth—"The Babies."

The program was concluded by a few remarks regarding the program for the remainder of the week by the Parish Red Cross Nurse, Miss Janelle Lansing.

The mothers of the community co-operated with the Red Cross a great deal, and Tuesday at closing time, 32 white babies had been examined and equally as many every day through the remainder of the week. Most of the babies were found in excellent condition, and very few were the cases that needed medical attention.

Meeting of Civic League To-night.

Much interest will be shown in the meeting of the Civic League to-night when the officers for the ensuing year will be elected. The Ladies' Auxiliary will also take part in the meeting, and later will serve refreshments to those attending.

Presbyterian Ladies Meet.

The Presbyterian Ladies' Auxiliary met at the home of Mrs. A. D. Canulette. The next meeting will be held at the home of Mrs. Dickens.

Little Child Taken to Hospital.

The three-year-old son of Mr. and Mrs. J. R. Bonnetarre was rushed to the hospital in New Orleans. While eating watermelon Sunday afternoon a seed became lodged in the little fellow's throat. An effort was made by the physicians to remove it without an operation, Wednesday, but all efforts to do so failed, and it was necessary to operate. It was reported the little fellow was not resting so well, but it is hoped that his condition will be improved soon.

Meeting of Bible Class.

The Bible Study Class of the Methodist Church met at the home of Mrs. L. Cruthirds, last Thursday afternoon.

Personal Notes.

Mr. Fritz Salmen spent Monday in New Orleans.

Mrs. J. H. Dunstan and children are spending some time in North Carolina.

The Misses Rousseaux have as their guest Miss Haughton, of New Orleans.

Mr. and Mrs. Bates McGowan, of Jackson, Miss., were week end visitors to the latter's parents, Mr. and Mrs. Shelly.

KILLED IN AUTO ACCIDENT.

Lillian E. Lewis was killed in an auto accident on the Madisonville road on the second curve from the Tchefuncta bridge on the Covington side. The Ford car was driven by Geo. Guzman. Others in the car were Chas Lewis, a cousin, and Lillian Lewis, mother of the woman killed. All were from Mandeville and were returning from an entertainment at Madisonville Sunday morning about 1:30. Guzman claimed that he had but one dim light and did not see the curve; that he was going about eight miles an hour. While no one else was seriously injured, the damage done and the hood on the ground indicated great speed. All were colored. The woman killed had her neck broken.

MEETING POLICE JURY HELD IN COVINGTON JULY 12TH

O'Reilly's Claim in Road Matter Referred to the Road Commission.

GEO. R. DUTSCH MADE REGISTRAR VOTERS

Salaries of Justices of the Peace and Constables Remain at \$40.00.

Covington, La., July 12, 1921.

The Police Jury met in regular session, pursuant to call, at the courthouse in the town of Covington, on the above date, with the following members present: Theo. Dendinger, Jr., H. N. Fenderson, C. M. Poole, J. M. Smith, R. C. Cooper, Emile Singletary, M. P. Schneider, J. B. Howze, Emile Burkenstock. Absent: W. H. Davis.

It was moved by J. M. Smith, seconded by H. N. Fenderson, that the reading of the minutes of the last meeting be dispensed with.

Carried.

It was moved by Emile Singletary, seconded by J. M. Smith, that the claim of S. G. Seal for loss by dipping in 1919, be paid, amount \$24.00. Carried.

It was moved by J. M. Smith, seconded by Emile Burkenstock, that the claim of J. Deveroux O'Reilly, for work he claims done on the good roads, be referred to the Road Commission. Carried.

It was moved by H. N. Fenderson, seconded by J. M. Smith, that D. H. Mason, editor of The St. Tammany Farmer, be re-appointed as the official printer for the Parish of St. Tammany, at the rate of 70 and 40 cents, as formerly charged, for the ensuing year. Carried.

It was moved by J. M. Smith, seconded by Theo. Dendinger, that the bill of the Clerk of Court for \$246, for making mortgage records, be paid, less the deduction of \$107.50 by him to the parish for typewriter. Carried.

It was moved by J. M. Smith, seconded by Emile Singletary, that the salary of the Justices of the Peace and Constables remain as revised by this police jury, which is \$40 per year. Carried.

It was moved by M. P. Schneider, seconded by Emile Burkenstock, that each member of his ward have the authority to hire a deputy to collect the personal tax for his ward, and each deputy to be entitled to 25 per cent of collections, the different deputies to make their returns to the sheriff and to receive receipt for money turned in. Carried.

It was moved by M. P. Schneider, seconded by M. P. Schneider, that the Police Jury of St. Tammany Parish, State of Louisiana, has no objection to the construction of a wharf and house in Lake Pontchartrain at Howze Beach, St. Tammany Parish, Louisiana, contiguous to public property. Carried.

(The remainder of the police jury proceedings will appear in the next issue of this paper, as court session occupied time of attorney who is to draw up legal papers of the proceedings.—Editor.)
