

Chestnuts Stewed in Gravy. Boil the large chestnuts for ten minutes, take them out, shell and peel them, having care to break them as little as possible. Skim and strain the liquor in which the giblets were boiled, season it to taste with salt and pepper, and to a pint of it add a tablespoonful of browned flour rubbed smooth with a teaspoonful of butter. In this gravy place the peeled chestnuts and let them simmer ten or fifteen minutes at the side of the stove. Serve as a vegetable.—The Delicater.

GUIDES BABE OF BETHLEHEM

Lighted Candle in Window on Christmas Eve Will Bring Happiness, an Old Tradition.

AN OLD tradition has it that "a lighted candle set in the window on Christmas eve will guide the Babe of Bethlehem to your home, that He may bring you happiness." In some countries it has long been the custom to mark the coming of Christmas, and John H. Stedman of Rochester, N. Y., has originated a movement to spread it in this country. In a pamphlet urging all to light the "Christ-candle" on Christmas eve he says:

"The Irish will tell you that the Christ-candle was always lighted in their homes in the Emerald Isle as it has been for years and years in Norway and Sweden. Boston has had it for a decade. In Rochester 1916 was our third celebration—the first year a few houses shone—the second over a thousand—the third nearly every one; and it has spread to town, village and country over a 40-mile radius. Many far-away homes, Wisconsin, Maine, California, Florida, kindled their candles from ours, and when you have lighted yours you will appreciate why."

THE BIG COMMUNITY HOLIDAY

Christmas Should Not Be Confined to Family Celebrations; Make It General Joy Feast.

CHRISTMAS should not be confined to our own family. Christmas is of all days Community Holiday and the entire community should be taken in for celebrating the occasion. Every community should have in the local church, or schoolhouse Christmas exercises of some sort or other. The giving of recitations is one of the very best trainings for children and cannot be started too soon. As soon as they are able to help they should be given a part in Christmas entertainments. It is a means of much pleasure to them and something they will remember as long as they live. Christmas, in the country of all places, should be a community holiday. It's too big a thing to be kept all within your family.

5550 for a Christmas Tree. An electrical firm in London has been busy for some months on a remarkable Christmas tree, which had to be sent overseas in time for Christmas day. An immense "fir" tree, all in metal, is festooned with bunches of "fruit." Even the grapes have a tiny bulb inside them. By turning on a switch the tree becomes a blaze of light. The cost of this novel tree is \$550, but it will last for many years.—Tit Bits.

Tired
"I was weak and run-down," relates Mrs. Enla Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—
CARDUI
The Woman's Tonic
... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."
Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you. At all druggists. E. 57
