Give your home dances that Broadway flavor

HOW the young folks will flock around,—when you get that New Edison from our store!

Your home "hops" will have ten times the pep and attraction,—because the New Edison makes them a real dip into danceland.

The Edison hit-getting, hit-manufacturing organization gets out each dance sensation as fast as Broadway hears it. Our RE-CREATION Department receives these new numbers by special shipment, enabling us to keep Edison owners weeks ahead, musically.

The NEW EDISON

Dancing to the New Edison is actually dancing to Broadway's favorite orchestras. All the swing and go for which Broadway is famous—are literally RE-CREATED. No other phonograph brings dance-music with this precious, original quality,—because no other phonograph actually RE-CREATES music—and proves it by sustaining the

test of direct comparison with living artists.

(Our \$_____ Plan)

If you want real dance music in your home,—it will cost you only \$_____ (fill in your own first payment) to put it there. Yes,—a New Edison for what you can spare. How? Let us explain.
