Perhaps a close inspection of said curtains from the inside would disclose the reason and make a few of us his friends for life! Isn't it funny how monthly exams can scare some of our little friends into headaches that sometimes last as long as the exams?

Watched a vicious water rat, nibbling at RAT-SNAP outside the house. About 15 minutes later he darted off for the water, to cool his burning stomach, but he died before reaching it." Three sizes, 35c, 65c, and \$1.25. Sold and guaranteed by Schonberg's Pharmacy and Smith Hardware Company, Covington.
