

THE BEST IS CHEAPEST

JUANITA FLOUR

Should be the farmer's flour because it is a very high grade, cheaper in the end, and because that company is buying the farmer's syrup. The more of this flour sold, the more syrup of the farmer will be sold. Better biscuits and bread cannot be made with any flour, and it goes further. This is a matter of co-operation.

TAKE GUDE'S PEPTO-MANGAN.

It is the Safe and Reliable Tonic Used by Physicians for 30 Years

There are "new styles" even in medicines. A new "fad" comes, is popular for a while, and then fades out of public view. A remedy that has stood the test for thirty years must have remarkable merit and cannot be called a "fad." Such is Gude's Pepto-Mangan, originated by Dr. A. Gude over a quarter century ago, which has helped many thousands of people back to good health by improving the blood. Pepto-Mangan is an iron tonic. It contains iron in a special form easily absorbed by the system. It puts color into the lips and cheeks and improves the entire body by improving and enriching the blood. It is sold by druggists in both liquid and tablet form. If you want to be well and strong and look fine and healthy, take Gude's Pepto-Mangan.—Advertisement.

CALOMEL MAY TURN ON YOU NEXT TIME.

Next Dose You Take May Salfate and Start World of Trouble.

Calomel is mercury; quicksilver. It crushes into sour bile like dynamite, cramping and sickening you.

NO MORE RATS

or mice, after you use RAT-SNAP. It's a sure rodent killer. Try a pkg. and prove it. Rats killed with RAT-SNAP leave no smell. Cats or dogs won't touch it. Guaranteed.

35c size (1 cake) enough for Pantry, Kitchen or Cellar. 65c size (2 cakes) for Chicken House, coops, or small buildings. \$1.25 size (5 cakes) enough for all farm and out-buildings, storage buildings, or factory buildings.

Sold and guaranteed by Smith Hardware Company and Schonberg's Pharmacy, Covington.

Hasslers give you big car comfort

HASSLERS on a Ford car give you comfort equal to that of a car that weighs twice as much and has a much longer wheel-base. You can even go by the big cars on the rough places in the roads without discomfort.

Hasslers smooth out the roads for you. They cushion the bump; check the rebound, stop sideway. They stop the constant pounding which is the cause of so large a part of your upkeep, repair and tire expense.

Test Hasslers ten days at our risk.

L. F. WEHRLI, Telephone 5 Covington

Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless, and can not salfate.—Advertisement.

START your chicks right and get early layers next winter. Proper feed and care will do it. But it will take something better than a grain ration because grains lack minerals and proteins needed to grow big bones and strong bodies.

THE PURINA SYSTEM

of feeding guarantees double development during the first six weeks or money back. With Purina Poultry Chows you can give your chicks a double-quick start, gain one whole season in egg production and make a real record this year.

"A SAWMILL WORTHY OF 'THE WOOD ETERNAL'."

Quality Service PONCHATOULA (TANGIPAHOO), LA. "The Pivot of the Paradise Parish of Louisiana." (The home of the finest strawberries, the finest Cypress and the best people in the world. Also famous for its wonderful health-giving waters, garden truck and game. Tell the world.)

As an all 'round farm lumber, you know that nothing equals "Old Time" Cypress, cut from virgin swamps. (Best by test.) And for economy, first as well as last, "buy the grade that fits the job." There's no use paying for a better grade than the job calls for.

"87" BRAND "PECKY" CYPRESS

The low-price grade of Cypress, because of appearance, is all heartwood ("the eternal part of the wood eternal"), and so combines longevity with economy. For fence-posts, cattle sheds, outhouses and other barnyard uses, irrigation work, rice-farming, sheet-piling, greenhouse benches, hot-beds, dams and a multitude of other uses where immunity to rot (and not "good looks") is the first essential, "Pecky" Cypress has no superior. Pin your faith on "Pecky"—it'll save you money two ways, first, when you buy it and, later on, the repairs you don't have to make.

Note: It is good business for us to help you economize. Just tell us what you want to build, or repair, and we'll tell you the most economical grade of "87 Brand" Cypress to use for the purpose.
