ROTARY CLUB MEMBERS OF N. O. ENJOY OUTING MADISONVILLE

Cross Lake on Jahneke's Cruiser, Fox, With Barge in Tow

PONCHATOUA WINS FROM LOCAL REDS

Perrin-Chatelier Wedding, Social Doings and Personal News

By Staff Correspondent
Madisonville, June 29.—Approximately two hundred charter members of the Rotary Club of New Orleans and their friends enjoyed a pleasant day's outing to Madisonville, coming across Lake Ponchartraine aboard Mr. Jahneke's cruiser, Fox, with a large open barge in tow. Two of the club's best baseball teams clashed in a fast and exciting game on the Madisonville diamond resulting in a clean shut-out of 4-0 by the second team.

After the baseball game other games of every thinkable sort were indulged in, the most exciting and which elicited most applause was the fat man's race with some 25 participants.

The Texas Symphony Orchestra of New Orleans was on hand and very much in evidence about town and furnished wonderful music during the entire day.

Ponchatoula Administers the Hook.
The Ponchatoula baseball club put the hook into the local Reds, Sunday afternoon when they defeated us by a score of 5-2. The game was slow and listless—without pep—presumably a comedy of errors. It was no doubt Madisonville's off day accounting for the lack of interest manifested in the game.

Perrin-Chatelier.
The wedding of Miss Josephine Perrin to Mr. Arthur Chatelier, Jr., which was quietly solemnized in Covington last Saturday evening, was quite a surprise to many friends when it was made known Sunday morning. The happy young couple have the very best wishes of their many friends. They expect to make their home in Madisonville for the present.

To avoid striking some cattle, a short turn in the road threw the rear wheels against a projecting drain pipe. The car skidded and turned completely over. All were badly shaken up and Mrs. Watson was knocked unconscious. She was attended by Dr. Helnitz, who had her removed to the city on the morning train. She remained unconscious several days and it is not known yet if she will recover.

A Ford car owned by Mr. Grothaus of Mandeville was turned over on the Mandeville road, Sunday, with six young people. No one was seriously hurt. The car ran into a yearling, killing it.

ACTIVE RED CROSS WORK DISCONTINUED.

Dr. A. G. Maylie makes the announcement that the active Red Cross work has been discontinued, from June 30. It has been a difficult matter to gather together sufficient funds to maintain the work, although much has been done of great value to St. Tammany parish. Many children have been rescued from a life of suffering by medical and surgical attention and much destitution relieved.

The work in the interest of the soldiers will be hereafter taken up by the Legion. In the meantime, should necessity demand it, in case of epidemics or other distressing circumstances, the organization would be able to marshal some strength for relief work.

The old administration of Abita Springs held a special meeting and completed its affairs before turning it over to the new administration. Mayor Steve C. Abney made a very nice talk, thanking his board and promising his support to the new administration, so as to put Abita on the map. The new members were sworn in by Judge A. O. Pons, every member being present. The newly elected mayor, Mr. Joseph Bordes, made an address pledging to enforce all laws and regulations of the town, and asked the co-operation of his board and the public in general so as to make Abita Springs worthy of its name. The remainder of the evening was taken up with speech-making and refreshments. Mr. Will J. Morgan extended an invitation to all present to visit his swimming pool and take a dip, the invitation being accepted, and Saturday at 2 p. m. will witness all the men of Abita in the pool.

The Druids of Abita Springs held a mass meeting June 28th to prepare for the coming excursion on July 16th, which will bring over 3000 people to our town.

Mr. Bourgeois had attached a thread from the door to the Edison phonograph which Mr. Patecek had presented as a wedding gift, so that when they entered the room the phonograph started to play "Wedding Bells." It was a mysterious surprise, as no one could be found in the room.
