The MARDI GRAS MYSTERY
by H. Bedford-Jones
Illustrations by Irwin Myers

TWO elements distinguish this story: The gaiety that makes New Orleans stand out among American cities, and the dark struggle and intrigue that have come with the development of oil lands in the surrounding region.

The carnival period is enlivened by the sensational yet mysterious performances of a man masked in aviator's garb. It is a rich young man's Mardi Gras prank, but it leads him into the midst of a most amazing conspiracy. It leads him also to a meeting with an unusual girl; and the story that evolves is an enthralling blend of mystery, adventure and love.

"The Mardi Gras Mystery" Will Be Printed Serially in THE FARMER Beginning Next Week, Aug. 19
