POULTRY SHOW AT FAIR WILL HAVE SOME FINE BIRDS

Citizens of St. Tammany Asked to Make This Biggest Fair

MISSISSIPPIANS TO ENTER 30 CHICKENS

Poultry Show Open to the World; St. Tammany Must Hold It Down

(By C. M. Brown) The opening day of the St. Tammany Parish Fair, Friday, Oct. 13, is close at hand. Are you going to be an exhibitor? It takes exhibitors, and lots of them, to make a fair, and there's hardly a farmer in the parish who hasn't something to exhibit—the catalogue tells you this. Citizens of St. Tammany parish, arouse yourselves! Help to make this fair the best and biggest we ever had. Strangers from other parishes are coming to see of what stuff we are made. Bring something in from your farm if it's only a big pumpkin, a bunch of cane, carrots, turnips—anything your farm produces from a pig to pure bred chickens, especially the latter. Do you know one chap from Greenwood, Miss., sent for entry blanks for 30 varieties of pure bred chickens? Fact, as Secretary Minckler will tell you. Good Lord! Are we going to allow Mississippi farmers to out-class us here? Get up on your feet and say: "Not by a jugful—no Mississippi gink is going to show us up."

Our poultry show, you know, is open to the world, so we can't keep out the fellow from elsewhere, and by the Lord Harry that wide-awake Mississippian may turn the "showing us up" trick if we don't get busy and overshadow him. But say, you've got to come and see those 30 varieties of chickens if you break a leg getting here. Don't miss the fair this year. Come out and bring all the kiddies, yourself and the "good mother" as she will want a holiday. Remember, you have just one life to live, and you must help make this year's fair a grand success by exhibiting, and with your presence. Step on the gas, men, women, boys and girls, exhibit something, and visit the fair and help make your parish the banner one of Louisiana.

TO THE VOTERS OF THE FIFTH SUPREME COURT DISTRICT.

The voters of the Fifth Supreme Court District are now called upon to elect a Justice of the Supreme Court to fill the vacancy which will occur on January 1, 1923, by the voluntary retirement at the end of his term, of the Hon. O. O. Provosty, who has held that office since 1898 and is now past the age of seventy years.

Having served continuously as a judge of a court of record for more than twenty years and being over the age of seventy years, Judge Provosty will retire with a pension of \$5233.33 per year for the remainder of his life.

The voters at the second primary election to be held on October 17th, 1922, must choose between Judge H. F. Brunot of Baton Rouge and Judge Robt. R. Reid of Amite. Judge Brunot was born on October 6, 1860, and has served continuously as judge of the district court for the parish of East Baton Rouge since 1908. Therefore if Judge Brunot should be elected Associate Justice he will have served continuously as judge of a court of record for twenty years, and will be seventy years old on October 6, 1930, and can then retire with the same pension as stated for Judge Provosty—\$5233.33 per year during his natural life. If he should exercise this privilege of retiring at the age of seventy years it would be necessary, of course, to elect a successor. This successor will draw the regular pay of \$8000 per year. In that event the office of the Associate Justice of the Supreme Court from the Fifth District will cost the tax payers of the state \$18,666.66 per year when it should cost only \$8000.00.

It has been said by Judge Brunot's supporters that he will not retire on a pension. We can only judge the future by the past and when such judges as the Hon. J. A. Brown, Walter B. Sommerville, Joshua G. Baker, Frank A. Monroe and O. O. Provosty have all accepted the pension does it not stand to reason that Judge Brunot, if elected, will do likewise?

Neither Judge Reid nor Judge Brunot can serve their full term. Judge Brunot will be required to retire in 1935, still with the pension. Judge Reid must retire in 1930, but as he is not now judge of any court he will not have the continuous service of twenty years and cannot, under any circumstances, draw any pension whatever.

Are voters of this district going to elect a man to this office who can retire in a few years and burden the taxpayers of the state with a pension of \$5233.33 per year or are they going to elect a man who cannot be paid for one day longer than he actually serves?—Advertisement.

RAUSCH—WARWICK. Mr. and Mrs. Arthur Warwick announce the marriage of their daughter, Louise, to Mr. John T. Rausch, on Saturday, September 16th, 1922, at New Orleans, La.

He was engaged in the real estate business and followed this occupation up to the time he was forced to abandon it by ill health. He was recently baptized in the Catholic faith, the funeral services having been conducted by Rev. Maur of St. Peter's Catholic Church. He was buried in New Orleans last Tuesday morning, interment being made in the Gentilly Cemetery.

Mr. Friedlander leaves his widow, Edna Mae Delahoussaye, of New Orleans, and infant son, Samuel, Jr., besides a host of relatives to mourn his loss.

Sale begins at 10 o'clock a. m. and continues until 10 p. m. There will be many very desirable things on sale this day, and the public is cordially invited to visit and while there make their purchases.

4 1/2 per cent on daily balances on funds arising from the sale of these bonds, and 3 1/2 per cent on sinking funds. After some discussion the board voted to adjourn until 1:30 for lunch. Promptly at 1:30 the meeting was called to order by N. H. FitzSimons, its president, all members present. T. J. O'Keefe, of ward 2, who was absent in the morning, now being present.

Moved by Mr. Talley, seconded by Mr. O'Keefe, that the School District No. Ten \$30,000 issue of bonds be sold to the Commercial Bank & Trust Company, of Covington, La., for par and accrued interest and a premium of \$336.13, and that the funds arising from the sale of these bonds be deposited with the said Commercial Bank & Trust Company and to bear a rate of interest of 4 1/2 per cent on daily balances and that the sinking fund shall be deposited with the same bank and bear a rate of 3 1/2 per cent. Upon roll call the following members voted in the affirmative: Messrs. Behrens, O'Keefe, FitzSimons, Talley, Evans, Keller and Banks. Those voting in the negative: Messrs. Ellis and Oswald. Mr. Devo, of ward 4, not voting. The motion was declared carried and the bonds sold to the Commercial Bank & Trust Company at the above mentioned price. MANDEVILLE NOTES.

(By Staff Correspondent)

Manville, Oct. 12.—A Chalmers car containing a party from Abita Springs, among them Misses Marie Louise Rausch, Elison and Irene Figline, Messrs. Julian Hardwin, Arthur Marquez and Richard Privette, were involved in the accident that occurred on the Mandeville road last Sunday afternoon. The car was driven by Miss Rausch and was going at about twenty miles an hour. It was their intention to drive to Lake Lacombe but when the corner of Florida and Girod streets was reached Miss Rausch attempted to turn into Mandeville, but the car was going too fast to make the sharp turn, and not being able to manipulate the brakes, the car plunged into the ditch, being stopped by a tree along the side of the embankment. Miss Rausch was hurled from the car and knocked unconscious for several minutes. Just at that time Dr. Buquiol, of Covington, drove up and after rendering medical attention, Miss Rausch was found to be bit by a dog. She suffered bruises in the back and has been confined to her bed for several days, but, to the delight of her many friends, is rapidly convalescing. All the occupants of the car received minor injuries. The left front wheel was smashed off, the bumper and one of the fenders badly damaged.

Priscilla Club Entertained.

A very enjoyable evening was spent at the home of Mrs. F. Weldon, last Wednesday evening, when the Priscilla Club was entertained. Mrs. Weldon was the delightful hostess of the evening and the occasion was distinguished by its social merriment as well as for the delicious refreshments served. The club will next be entertained by Mrs. P. P. Worthington, Oct. 20th. The incident was postponed one week due to the intervention of the Parish Fair next week.

Delightful Reception at the Audubon. A most delightful social affair was the reception given by the Mandeville School Improvement League at the Audubon Hotel, Oct. 6th, in honor of the teachers of the Mandeville school. The earlier part of the evening was spent in playing Five Hundred and Flinch, a ladies' first prize being awarded Miss Nell Johnson, a gentlemen's prize to Mr. J. A. Lemieux, and a prize at the Flinch game to Miss Edna Davis. After the awarding of the prizes all adjourned to the dining-room where a beautifully decorated table stood laden with delicious refreshments. Here amid jovial toasts, entertaining speeches and pleasant conversation, another delightful hour was spent. At a late hour the guests departed heartily endorsing a toast given earlier, "Here's to the most hospitable, the most industrious and the most efficient League I have ever known." Those present were Misses Lois Chaplin, Ella Paine, Lois Mucick, June Elder, J. Brock, Edna Davis, Nell Johnson, Mrs. Herman Levy, Miss Dixon, Mr. and Mrs. A. Riggs, Dr. and Mrs. H. Gabert, Mr. and Mrs. J. E. Lomieux, Mr. and Mrs. W. S. Fassman, Mr. and Mrs. Charles David, Mr. and Mrs. H. Vulliet, Mrs. P. H. Hansbrough, Mrs. W. N. Vought and Mrs. J. A. Simon.

Trial of Vial and Son Arouses Interest in Mandeville. The trial of Emile Vial and son, Emile, Jr., for the murder of Lew Reynolds Young, last September, has aroused unusual interest among the people of Mandeville. From the opening day of the trial, Tuesday, people from here have rushed in throngs to the courthouse in Covington to witness the trial and final outcome of the case. This is the first criminal case that Mandeville has taken such interest in many years.

House Wrecked By Fire. The corner of Coffee and Florida streets was the scene of a fire last Tuesday night when the home of Mike Daniels, colored, was burned to the ground. The tenants were not at home at the time and the neighbors did not notice anything until the fire was beyond control. The origin of the fire is unknown. Fortunately there was no wind, for if there had been the loss of six or more houses would have resulted.

Community Fair Progressing Nicely. Preparations for the Community Fair to be held at the Elk Theatre, (Continued on page 4)

Looking over the register of the office-holders, past and present, who resided and are residing in Baton Rouge, we are led to the conclusion that the parish has no reason to commiserate for four years, and now has the Congressman. For eight years this office was held by Hekkliffe of West Feliciana, Morgan of St. Tammany and Sanders from Washington.

Baton Rouge has not fared so badly from the number of elective officers. That city now has State Treasurer, Superintendent of Education, Secretary of State, Railroad Commissioner, Register of Land Office, all residents if not registered voters of said parish. It also has an Assistant Attorney General, who is attorney for the Railroad Commission. In addition it has the Supervisor of Public Accounts, appointive salary \$5000 per annum. For assistants, stenographer etc. allowance \$18,000.00. Out of the highway funds \$7,500.00. Out of severance license tax \$60,000.00, making a total of \$90,000.00 disbursed by this citizen and resident of Baton Rouge. The Superintendent of the school for the blind at Baton Rouge, disburses \$70,000.00. The Superintendent of Public Education expends and spends in salaries for his appointees, including his own, \$62,000.00. Another appointee also is that of the Superintendent of the State Penitentiary, also a resident of Baton Rouge, who disburses \$640,000.00. Besides this the Highway Commission is in Baton Rouge. This Commission has necessarily a large number of employees and controls the expenditure of more than four million dollars, estimated. The above is only a partial list of the revenue of the State expended in the Capitol City.—Adv.

IN FAVOR OF JUDGE REID.

The following is clipped from a newspaper in this Supreme Court District:

Judge Brunot and his friends tried to impress upon the Pointe Coupee voters that Tangipahoa parish is well represented politically because in the recent primary just held two of her four candidates for office were nominated, Judge Elliott to the Court of Appeal, which is only one degree lower in rank to the Supreme Court, and Dr. Glenn Smith to the State Board of Education. Dr. Glenn Smith was elected to an office which called for neither salary or patronage. Judge Elliott was elected on the Circuit Court at \$6,000 per annum.

MASS MEETING OF CITIZENS IS CALLED FOR MONDAY NIGHT.

There will be a mass meeting at the Association of Commerce Rooms Monday, October 16, at 7:30 p. m., for the purpose of hearing report of Sewage and Waterworks Commission, and it is urgently requested that everybody be present. THOS. M. BURNS, President.

W. P. MINCKLER, Secretary.

AN APPEAL TO THE HOUSEWIVES.

We appeal to all our good housewives and club girls to show that St. Tammany parish leads when it comes to making good things to eat. The Judge last year said our display was wonderful and compared with the best she had seen in any fair in the State. Why not make it the very best this year? I am asking every one to send in what they think is best they have made this season in the culinary line. No other way to find out how good you are until it is compared with that of some one else. Competition makes for pride in endeavor to excel. Send in your exhibits for the culinary department. Prizes are generous.

MRS. JOS. SCHNYDER, Chmn. Culinary Department.

Tells Bankers of Rural Needs.

Eugene Meyer, Jr., manager of the War Finance Corp., told ten thousand national bankers at New York last week that our Federal Reserve system should be built up to properly care for agricultural and live stock needs. At a meeting of the concession committee of the American Legion last Monday night, the various sub-committees from the Ladies Auxiliary were selected to handle the dancing and cigarette, cigar and candy booths. The ladies have gone to work to make every part of this year's fair the greatest ever held, particularly the dancing, where every one is guaranteed a good time. A floor committee of 15 was selected to see that the dancing is carried on properly and to see that no other than soft drinks are indulged in within the dancing pavilion. The local post is getting out circulars advertising the dance and will circulate the entire country.

The courtroom has been jammed to suffocation since Tuesday, when the trial of Emile Vial for the murder of Lew Reynolds Young was put on. The jury retired at 4:30 Friday afternoon and had not come out at 8 o'clock, when we go to press. Some predict a mistrial and some look for verdict of manslaughter. The day is Friday and it is the 13th of the month. Draw your own conclusions.

While we have a report of the evidence, we are unable to print it for lack of space. The fact was established that Vial fired at Young 10 or 15 feet in the rear of the Girod street entrance at a slight angle, a load of buckshot from a shotgun striking Young in the back of the head as he was stepping out of the door. The defense presented the point of view that Vial was protecting his home and that his wife was in danger of being assaulted by Young, who had a gun. It was also established that Vial knocked Young down during an argument that resulted in the shooting. It was testified that Vial told his son, Emile, Jr., to bring him a pistol, and that Vial sent him back to get the gun loaded with buckshot, which he brought him in the yard, Vial then going back in the restaurant and firing the shot that killed Young.

The case was hard fought, District Attorney Brock, B. M. Miller and Judge T. M. Burns prosecuting and Amos L. Ponder and C. Sidney Frederick defending. A large number of Mandeville citizens, many of them members of the Law and Order League, attended the trial. Also quite a number of women stood the crush of the crowd in an effort to hear the evidence and the speeches.

Neither prosecuting attorney nor those of the defense can be charged with not putting all that was in them into the case. The general opinion seemed to be that the state had the best of the testimony. It remains for the jury's finding to know how they view it. The jury is composed of John King, John H. Sharp, Hord Sadler, Anthony Koepf, Jos. Caron, Z. C. Craddock, Jos. Hotard, W. A. Spars, Steve Sharp, William Rousseau, J. H. Moran and H. T. Fauntleroy.

The only other case tried was the case of the State vs. W. D. Jenkins and Enias Rodriguez, for changing brands of sheep. Found guilty. Not yet sentenced.
