## To Parish Automobile Owners

### SLIDELL COMMUNITY FAIR PARADE

On Thursday, November 16, 1922, the Slidell Community Fair will open to continue for three days.

On the opening day, and at 2:30 p. m., there will be an auto parade, and this is to ask that all automotive vehicles in Slidell and St. Tammany parish have a part therein.

Every type, from Sedans to Scooters, inclusive, will have the opportunity to be in the big procession.

We wish every automobile of every kind and class, both pleasure and business, decorated or not, to get into the line of march. Decorated cars can compete for prizes.

We offer first and second prizes for all types of decorated autos, including business cars and trucks distinctive of occupations. Advertising features no bar to any.

All who enter decorated cars for the parade will register their names for the particular class they wish, at the McDaniel store on or before the 16th inst., by noon of that day. They will be given numbered cards which must be conspicuous on the right-hand side of the auto while in parade. Prizes will be awarded by number only, and the names according to the registered numbers will be secured from the list, and prizes distributed. The Judges will be three members of the Slidell High School faculty.

Autos not decorated need not register—only those whose owners enter for prizes.

Prizes will also be given for the Ford touring auto, also Ford truck containing the greatest number of persons; also to the Ford touring car with the largest family in it, and for the Ford of any type coming the longest distance. Register names. Decoration not necessary.

See The Slidell Sun for complete lists of prizes.

## History Made When Camera Clicked This Picture.

Thomas A. Edison made a pilgrimage to Schenectady, N. Y., last week, the first in 25 years. He was met there by Dr. Chas P. Steinmetz, the only man in the world his equal in electrical knowledge. Photo shows Edison examining parts of true and porcelain insulators shattered by Steinmetz a few moments before with his newest invention—a lightning making machine. It is the first picture of the two great inventors together. It is to be preserved. Edison is now 75 years old and Steinmetz is 57.

### COLORED PEOPLE THANK FAIR OFFICIALS AND OTHERS.

A summary of the efforts of the colored people of St. Tammany parish may not be amiss at this time. Through the efforts of F. P. Jackson, selected by the Fair Association, and assisted by Mr. O. G. Price, parish farm agent, the community fair at Alton, aided by Miss Georgia Foster and Rev. D. F. Robertson, was made possible. At Indian Village we were aided by Prof. Hudelson, Simon Porter and A. Crawford. At Slidell by Prof. G. C. Hutchings, Rev. T. J. Johnson. At Covington the work fell largely upon Covington Moore, O. J. Rene, F. P. Jackson, Prof. T. S. Dickerson, Mrs. Josephine Moore and her committee.

Special efforts were made to have the community fairs to be a contributory affair for the Parish Fair. As the selected spokesman for the colored people I wish to say that in every community the better and more progressive element are in accord with the white people for greater exhibits of progress. To-day the colored people are fully appreciative of the opportunity and concessions given them and thankful to the president of the Fair Association, the officials, and the many good white people who extended their generous help and kindly interest, all of which has made an indelible impression upon their minds. We extend to the editor of The St. Tammany Farmer our appreciation for the many kind sayings of our officers, and to the people. All which, we trust, will make us of that humble but earnest and generous spirit that eliminates false pride, unreasonableness and non-cooperation.

### Zane Grey

A descendant of the famous Zane family of frontier origin, he was born in Zanesville, O., and received his early education in that place. Later he graduated from the University of Pennsylvania, but outdoor sports attracted him more than school or routine, and he played amateur, college and professional baseball.

Pioneer instincts and love of the open drew him to the West. Much of the material for his stories has been obtained in western travel, especially in out-of-the-way places. He delights in picturing the deserts, particularly the arid expanses of Arizona and Sonora. No writer excels him in this specialty. Truly remarkable is his ability to impart the fascination and mysterious qualities of the great wastes.

Zane Grey has written many successful novels, of which none is more charming than "Desert Gold," for which we have secured the serial rights and are pleased to announce early printing in this paper.

### Uneven hangs Hems

The uneven hem line features this new Point coat. It is buckled on the side, tied from the back and is embroidered with red and black. It is stylishly conservative.

### MANDEVILLE NOTES.

(Continued from page 1) sent a word as well as beautiful appearance by means of judicious arrangement of black cats, witches and Japanese lanterns. One feature of the evening's entertainment was the presence of a mysterious witch, who, after subjecting all applicants to rites peculiar to Halloween eve, consented to reveal the future. At favorite games had been played and ghost stories told, all partook of the delicious refreshments.

Priscilla Club Entertained. One of Mandeville's prominent organizations, the Priscilla Club, was entertained on last Wednesday afternoon at the pleasant home of Mrs. F. P. Worthington on Claiborne street. The club will meet next at the home of Mrs. A. E. Briggs. "Accident Week" in Mandeville. From the accidents that have occurred, it seems that the past week has been set aside by Mandevillians as "accident week." Last Saturday afternoon a Hudson car, owned and driven by Mrs. Bada Poitevent, landed in a deep ditch near Covington. Sunday afternoon, Mrs. Z. Sharp, Jr., made a very nice turn at the corner of Glrod street and the gravel road, which caused her sister, Miss Orlida Loustlot to be thrown out of the car. Principally thru excite-

ment, and too short a turn, the car ran into the ditch and Mrs. Sharp and her other sister, Mrs. N. Memory, and daughter, remained safely in the car, the baby receiving only a slight bump on the forehead.

Sunday evening about 8 o'clock, a Dodge car containing Misses Miriam and Corinne Smith and Messrs. Kennedy Francis and Rene Dubourk was almost the scene of a blaze when the carburetor caught on fire, which resulted in the occupants making a hurdle from the car while going at about 25 miles an hour.

In all these accident no one was injured to any great extent.

Mr. Z. Sharp and George Johnson (colored), on their return from Guipport, Thursday morning, turned the Ford car in which they were traveling, up-side down. Although both were pinned under the car, no injury was received except minor scratches.

And thus ended a peaceful week for Mandevillians.

A Number Attend Dedication Service at Covington.

Among those from Mandeville attending the dedication of the new Methodist Church at Covington last Sunday were Mr. and Mrs. F. Wel-don, Dr. and Miss Ella Paine, Miss Esther and Mr. W. H. Russ and Mr. W. T. Coffee and family.

Edgure and Lotto Party.

The secure and lotto party held last Monday night for the benefit of Our Lady of the Lake Parochial School was one of the many enjoyable events of the week, which was given by Mrs. A. Flick and Miss Bertha Cornibe. The ladies' first prize for euchre was awarded Miss A. Peters, second to Mrs. W. Walder, and the booby to Mrs. S. Smith; the gentlemen's first to Mr. E. Esqui-nance, second to Rev. Thomas, and booby to Mr. E. H. Baudot. The entrance prize was won by Mrs. S. J. Thibodaux. These parties are held monthly in the parochial school building and suffice largely in defraying the expense of the school. These socials have never failed and everyone is urged to attend to continue the good work.

School League Meeting.

The Mandeville School Improvement League will meet Tuesday, Nov. 14, in the school auditorium, and all members are urged to attend to aid in deciphering the major questions of school matters. The league meets the second Tuesday in every month.

Rummage Sale.

The "Rosabell" Launched.

Mr. George Glockner launched his massive schooner, the "Rosabell," the first part of this week. The boat

was constructed by Mr. Glockner and his two sons. Many portions of the boat are so perfectly set up that they appear to be factory-made.

Mandeville Gay With Halloween Parties.

Last Tuesday evening marked one of the happy events of the Halloween season for the younger folks given in honor of Miss Katherine Vaughn at her home on Lake Street. The place was very artistically arranged with all sorts of Halloween novelties, cats, witches, and nifty ornaments, and as a whole afforded an appropriate scene of weirdness and beauty. The little folks were amused and entertained in quite a number of ways, the leading feature being the relating of creepy ghost stories with timely entrances of real live black cats and huge, wailing ghosts. The witch prophesied that was in store for all present and that of their future careers. Settings of delicious refreshments following and dancing terminated the evening's amusement. Among those in attendance were Misses Helen Hutch-inson, Inez Dubourg, Augusta, Irma and Camille Smith, Mabel Levy, Olive Howe, Rose Martinez, Barbara and Blanche David, Louis Huet, Mary Briggs, Ella Poitevent, Louise Band, Katherine Vaughn and Louise Bellamere, Fannie Mae Levy, Messrs. Edgar, Harold and Gerald Reed, John Huet, Arthur Poitevent, Nat Levy and Robert Bellamere.

Among the grown-ups were Mrs. W. Vaughn, Miss Adrienne Loyd and Mr. Julius Levy.

Edith Irwin Entertains Friends.
