

### KAUAI GHURCHES HOLD CONVENTION

Continued from page 1

the Hawaiian Board called attention to the continued desire on the part of the board to assist the churches in the securing of their sites and deplored a certain feeling of suspicion, on the part of some of the churches, of the motives of the board. The government much preferred to make the patents to the Hawaiian board in trust for the individual church. This trust however was absolutely safe; the board could not alienate the property in any way—otherwise filch it away from its real owners. He hoped that the example of the Kapaa church, in this respect, would be followed by many others.

A report on the Kalaupapa church fund elicited the information that sufficient money was now in hand to warrant the immediate undertaking of the work.

#### SHORTAGE OF FUNDS

The Hawaiian board collection, on the bases of one dollar a year from each member, had not, thus far been very successful, there being more or less misunderstanding about it.

It was explained that the income of the board showed signs of serious shrinkage because of business conditions; that the board would close the year, May 15, with a deficit of over \$5000, which would unquestionably mean a very material reduction of the work for the next year. It was very important that the churches should stand by the board to the full extent of their ability.

#### A CHURCH SOCIAL

A novel and very enjoyable feature of the convention was a social conducted by the women's Hui Aloha of Lihue, on Thursday evening, in connection with which there was some very fine singing, several excellent speeches, delicious refreshments and a general good time.

The next meeting of the Association will be held at Waimea October 21, 1914.

### MAKAWELIS WIN IN TRYOUT GAME

The Makaweli baseball team (the team as it is thus far made up for the league season) ran up against a picked Filipino nine on the home field Sunday afternoon and fairly routed the enemy. The little, brown fellows played the best they knew how, but were too far outclassed by the regulars. At the end of the contest the score stood 15 to 2.

The regular Makaweli team, as now shaped out, will consist of the following: Kruse, p; Joe Fasoth, c; Clem Akina, 1-b; Waialeale, 2-b; Kani, 3-b; A. Fernandez, ss; John Raposa, cf; Harry Oueha, 1f; and Thompson, rf. Clem Akina is team captain.

The Makaweli team is well organized and contains some very strong players.

### CHAMBER OF COMMERCE

scheme of dinners and the like for the pleasure of members.

C. A. Rice put his suggestion in the form of a motion. Mr. Mc Bryde amended to the effect that each member be required to produce the application of one desirable candidate for membership at the next meeting; and that all members not present be notified of this requirement. The motion as amended carried unanimously.

#### AD CLUB'S EXPENSE

Prior to the meeting the Finance Committee had held its final session on expenses of the Ad Club's tour, and at this juncture signified its readiness to report. Mr. Mahlum, chairman of the Committee, stated that the sum of \$270.00 had been received from the Honolulu Ad Club. Total expenses of entertainment, charged to the Committee, had been \$651.93, leaving a shortage of \$381.93. The Committee recommended that the Chamber appropriate money with which to liquidate the remaining bills indicated.

W. H. Rice, Jr., moved that the Chamber of Commerce pay from its treasury forthwith the amount of \$381.93 requested by the Finance Committee for excess expenses of entertaining the Honolulu Ad Club.

K. C. Hopper moved as an amendment that the Finance Committee be also authorized to draw upon the treasury for any amount in excess of \$381.93 that might be required, it not being certain that all bills had yet been received by the Committee.

Seconded by Mr. T. Brandt, and carried unanimously.

The general sentiment seemed to be that the expense was light in proportion to the pleasure the Ad Club's visit had given, and that the Kauai Chamber of Commerce would like "more of the same." This opinion was voiced by several in brief remarks, and met with unmistakable evidences of general approval.

Mr. Lydgate reported for the Carnival Committee that out of something over \$600 in the fund, there was a balance of \$7.45. The Chamber had anticipated that there would be a deficit, and was much pleased with this showing.

Mr. McBryde moved a vote of thanks to the Committee (particularly mentioning Mr. Coney) for its excellent work. Seconded by Mr. Spitz and carried.

Attention was called by Mr. Brandt to the fact that not all of the committees provided for in the Chamber's rules had been filled. He moved that the Board of Directors fill all of the committees, and report the names for approval at the next meeting. Carried.

Mr. John Bush, who was introduced as a new member from Koloa, made a few appropriate remarks, after which the meeting adjourned.

#### ANNOUNCEMENT

The Standard Optical Company of Honolulu, T. H., beg to announce to the people of the Island of Kauai, that they will have two of their best men tour the island for the benefit of those needing glasses or any work needed in their line.

One of the men has been with the house for ten years, having started with H. F. Wichman & Co., and is well qualified to handle the most difficult cases. We have the records here of all eyes tested on the Island of Kauai, for the past twenty years. These records together with a new test will enable us to get right at the root of the trouble, so would strongly advise the people to take advantage of this fact, and make it a point to consult our representatives when they reach Kauai.

Our prices are absolutely uniform, and conform definitely with those in San Francisco, and in many instances are less.

We furnish only Standard and extra quality in all lenses used by us, and every pair of glasses fitted by our representatives are positively guaranteed by this Company. The Kryptok and Toric Lenses, which represent the highest class of Optical skill will be furnished if desired, to those having their eyes tested by our representatives.

This Company has by far the largest grinding plant on the Islands, which is in charge of skilled workmen, enabling us to turn out work on very short notice.

We wish to impress upon the minds of the people the importance of consulting our representatives, and to enable them to do this with-

### KEGEL CLUB MAY CHANGE ITS RULES

An important business meeting of the Kegel Club has been called for next Thursday evening at 7:30 o'clock, at which changes in the system and the rules will be discussed and election of new officers may be brought about although the time for the latter will not be until June.

Of late, interest in the club's affairs on the part of members has been exceedingly weak a large majority of them never showing up there at all. Something will be done to hustle them up and to create new interest in the affairs of the organization. Considerable business is said to have lain on the table for sometime on account of inability to get a working quorum at any meeting.

Another matter to be brought up will be that of granting cards of membership, at a limited rate, to visitors, particularly to traveling men who visit Lihue every few weeks.
