JUDGE L. A. DICKEY ISSUES SUMMONS

Judge L. A. Dickey, of the Kauai Circuit Court, adopted a novel plan of inviting his friends to the dance which will be given in the new county building on the evening of May 9. The invitation is gotten out in the wording of a penal summons, and bears the official seal of the court in the lower left-hand corner. It is printed on neat, white paper, and reads as follows:

IN THE CIRCUIT COURT OF THE FIFTH CIRCUIT, TERRITORY OF HAWAII.

In re the Completion of the New County Building of Kauai.

PENAL SUMMONS

The Territory of Hawaii.

You are commanded to appear at the Court Room on the second floor of the New County Building in Lihue, County of Kauai, on the ninth day of May, 1914, at 8:00 p. m., then and there to inspect the new court room and adjacent Court and County offices, to dance at will from 8:00 p. m. to midnight in and about said premises, and generally to enjoy yourself in social intercourse.

Failure to obey this summons will render you liable to miss a pleasant evening.

Given under my hand and the seal of the Court, this twenty-fourth day of April, 1914.

LYLE A. DICKEY,

Judge of the Circuit Court of the Fifth Circuit.

THE KEGEL CLUB TALKS BUSINESS

At a meeting held Thursday evening, President W. H. Rice, Jr., in the chair, the Kegel Club decided to have a series of match plays, open to all members, the first to take place on the evening of July 3. It is expected that these events will arouse interest in the Club and its affairs.

It was also decided, in respect to non-residents, to issue "privilege" cards to such as wish to avail themselves of the benefits of the Club at a rate of \$2.50 per annum.

Hereafter contests will be held regularly semi-annually.

Other questions of importance were deferred to the annual meeting, which will be held in July.

On the alley Saturday night Harold Morgan broke the Kauai record, making 268. This is next to a record of 275 made by a tourist on an alley in Honolulu sometime ago.

Kalaheo Band Plays

While the baseball teams were engaged in a practice game at Koloa Sunday afternoon, the Kalaheo brass band appeared, took up a position in front of the Kauai Trading Company's store and gave a much enjoyable concert. All the players and attendants upon the game appreciated the innovation very much.

Tennis Nearly Pau

Only three more games in the present Lihue tennis tournament remain to be played, and these will probably be finished off in the next ten days, after which undivided attention may be given to baseball hereabouts.

J. I. Silva, of Eleele, bought the fine player piano which Jack Bergstrom had been exhibiting in Lihue Social Hall, and moved it over to his home at the week-end.

COUNTY BUILDING TO BE ACCEPTED

The Board of Supervisors held a special meeting this morning to act upon the matter of accepting or rejecting the new county building as it stands. Thomas D. Skinner, cashier for Lord-Young Engineering Co., the contractors, and Louis E. Davis, of Ripley & Davis, architects, were present. Objection was raised to certain minor details of the work on the building, having mostly to do with plastering and painting in certain spots. The contractors readily consented to go over this work, where upon the Supervisors voted to issue a warrant for the cost of the building, less \$1,000, to be held back until the small work indicated has been finished. This seemed to be satisfactory all around.

County officers will begin moving into the new building right away, and it is expected that all will be installed next week. A part of the permanent furniture will arrive in above three weeks, and the balance shortly thereafter.

Farewell To Rices

Dr. and Mrs. Putman gave an elegantly appointed dinner at their home last evening in honor of Mr. and Mrs. Philip Rice, who will leave on Saturday for Chicago. Mr. Rice goes east to complete a special law course.

Castle In Action

Al Castle, champion tennis player of the Islands, was seen in action on local courts Friday afternoon, he and K. C. Hopper playing Dr. Putman and Harrison Rice three sets. The scores were 6-1, 6-1 and 6-2 in favor of Castle and Hopper.

Bishop Coming

Bishop Libert, of the Catholic church, will arrive on Kauai either by the W. G. Hall, on May 3, or the Kinau, May 6, for the purpose of having confirmation services in several important towns. The visit of the Bishop will be the occasion of many unusual Catholic church functions on this island.

Dies In Germany

H. Hackfeld and Company this morning received cable information of the death in Hanover, Germany, April 19, of Mrs. Daniel Isenberg, mother of George Isenberg of this city. George Isenberg now is touring Japan as a member of the Hawaiian excursion party.

OLD KOLOA LUNA DIES SUDDENLY

Peter Namole, a luna on Koloa plantation for thirty years or more, dropped dead in his home last Wednesday morning of heart failure. Owing to old age he quit work about six months ago. He was about 80 years old.

The funeral took place Wednesday afternoon, but owing to the rain at the time comparatively few of the old man's friends were able to attend.

Deceased left a young wife, a Spanish girl about 22 years of age, whom he married a short time ago.

"Jack" Bergstrom has installed an electric player piano in Lihue Hall for exhibition purposes. The principle of the instrument is much the same as that of the one previously displayed, the important difference being that its pumping apparatus is run by electricity.

PALMYRA PARTY LANDS ON KAUAI

Judge Henry E. Cooper, his son Frances D. and Artist D. Howard Hitchcock sailed from Nawiliwili in the W. G. Hall last Tuesday evening for Honolulu, having landed at Waimea from the little schooner Luka, which had put in there on her return trip from Palmyra Island. They came overland in an auto from Waimea to take the steamer here, leaving the schooner in charge of Captain E. E. Piltz and crew, to be taken by them back to Honolulu at leisure.

The excursionists had been away from Honolulu about five weeks, and had good weather all the time, except that they were becalmed when beating off near Kauai and decided to land. The Palmyra group of islands is 995 southwestward of Honolulu. Of the trip Mr. Cooper said:

"The islands seem more beautiful and interesting than ever and it is time we had more opportunity to make a better survey and inventory of the resources than before. We spent 12 days on the islands, and we brought back with us several barrels of fish and a cargo of coconuts, many of which are sprouted and ready for planting."

At Hale Hooni

The picture show program in Hale Hooni drew a fair sized audience Saturday evening, although the program was hardly up to the excellent standard established by Mr. Fernandez in former entertainments. The show man seems to have been striking hard luck in the matter of character of pictures of late.

The barkentine S. G. Wilder, well known in the Islands (this being her home country) has been sold to parties in Peru and will henceforward fly the Peruvian flag.

STOCKS TAKE ON A LITTLE SPURT

The war news of a few days ago caused quite a little flurry in sugar stocks at Honolulu. It was figured over there that war would mean a necessity for increasing government revenues and that would render free sugar an impossibility. Of the matter one of the Honolulu papers had the following to say, while most stocks showed strength on 'Change:

Heavy buying of sugar stocks on the local exchange yesterday was due to the persistent belief that war with Mexico would call for increased revenues. There are many who think that the administration will seize this opportunity to rectify the political error made when sugar was placed on the free list. These hope that congress will indefinitely defer the free sugar period which under existing law will become operative from May 1, 1916.

Purchases were mainly of two classes of stocks, those of plantations now on a dividend paying basis which will continue to return at least banking interest whether the expectations of the purchasers are fulfilled or not, and shares in plantations at the bottom of the list where the gambling feature more clearly enters in.

There are others who depend more on the signs of general returning prosperity in the United States and abroad, who say that now is the time for a resumption in trading and that irrespective of the war situation all business is bound to improve.

The Mailes Dance

The "Maile Club", the new social organization at Eleele, gave a dance in Eleele hall Saturday evening, which was largely attended and very much enjoyed by all those participating.

The Mailes are now working on plans for a masquerade ball, to be given sometime next month.

Miss de Lackner, of the Eleele hospital, returned from Honolulu in the W. G. Hall Friday morning.

THE NAWILIWILI ITEM IS BOOSTED

The Nawiliwili harbor resolutions recently passed by the Kauai Chamber of Commerce are being heard from by almost every steamer. On April 9 the Maui Chamber of Commerce passed the resolutions, as indicated by the following from Secretary D. H. Case, of Wailuku: "I have to advise you that favorable action was taken thereon and certified copy of our action in the premises, over the signatures of the President and the Secretary of the Maui Chamber of Commerce, forwarded to our delegate in Congress."

On April 17 the Hilo Board of Trade also adopted the resolutions, endorsing the Nawiliwili project, the papers of that town stating that the motion to approve passed by unanimous vote.

The resolutions, which were forwarded to Washington, have been introduced in the United States Senate, as indicated by the following clipping from the Congressional Record, received in the mail last Wednesday:

"PETITIONS AND MEMORIALS"

"The Vice-President presented a petition of the Kauai Chamber of Commerce, Lihue, Kauai, Hawaii, praying that an appropriation be made for the construction of a breakwater at Nawiliwili Harbor, island of Kauai, Hawaii, which was referred to the Committee on Territories."

Having been taken up in this way makes it quite possible for the reinstatement of the item at this session of Congress (although such is hardly likely.) Should the Senate committee decide to put the item back in the bill, it seems improbable that the House would over-ride it.

A Dinner-Session

It has practically been decided that the June meeting of the Chamber of Commerce will be a combined dinner and business session, at the Hotel Fairview, Lihue, following the lines of the Ad Club's functions in Honolulu. Cards announcing the fact will be sent out in due course, each being accompanied by a return card for reservation purposes.

Another Rally

The churches of Kapaa, Hanalei, Kilauea and Anahola will have a rally at the Koolau church next Sunday morning, beginning at 10 o'clock.

The Kauai churches are planning to take the banner at the Maui convention this year, Hilo, under the leadership of Naopi, having captured it two successive times. S. W. Mehuela is leading the Kauai singers and with the organization which he is attempting, high hopes for success are entertained.

Waimea Visitors

Misses Lulu Weber, of Lihue, Ella Rath, of Lawai, and Marie Anderson, of Hanapepe, spent the week-end with the Fassoths at Waimea, they, with young folk already there, completing a jolly party.

Wedding In Koloa

A quiet, family wedding took place in the Catholic church at Koloa Sunday. Miss Angeline Simao becoming the bride of Oline Sarias. The groom is an employee of McBryde Sugar Company.

LIHUE BASEBALL TEAMS IN ACTION

Sunday's game of baseball was the best played so far this season by the Lihue team. There were fewer errors and more fast playing than at any of the previous games. Afong did some splendid work in the box and the team as a whole gave him good support. The lineup of the regular team consisted of those of the "regulars" who were on hand when the game was called. The "regulars" who showed up late were put on the opposing team. This is the policy that will be followed throughout the remainder of the season in order to induce the men to be on time.

The regular team lined up as follows: W. Ellis, c.; Afong, p.; H. Smythe, 1st; Yokomoto, 2nd; F. Morrow, 3rd; Anaka, s. s.; Ahana, 1f.; J. Fernandez, c. f.; W. Fernandez, r. f.

The opposing team consisted mostly of Filipinos, but were greatly helped out by C. A. Rice, playing at 1st. base and by Paul Schmidt playing at 3rd. Malina, who came late, also played with the opposing team for the last few innings.

The summary of the day's batting was as follows: Struck out by Afong, 12; by da Taion, 2; by Malina, 1. Base on balls, by Afong, 2; by da Taion, 1; by Malina 0. Hits off Afong, 3; off da Taion, 10; off Malina, 2.

The score by innings was as follows:

Regular Team 332001103-13.
Opposing Team 00000000-0.

WILL DEDICATE CHURCH SUNDAY

The new church on the road in Camp 4, Makaweli, will be formally dedicated next Sunday. Bishop Libert, of Honolulu, who will arrive on Friday, conducting the services. The church, which is a very pretty structure, is the gift of the Hawaiian Sugar Company.

Music will be a feature of dedication day. The Kalaheo band will be present and will play, and the combined choirs of Waimea and Koloa, directed by Mrs. Schimmelfenig, will sing.

Refreshments will be served to the public, and a dinner will be given in honor of the Bishop on the church premises.

It is anticipated that the turnout for the affair will be unusually large.

Lihue Loses Player

C. Kuhlmann, captain of the Lihue baseball team, who underwent an operation at the hospital a few weeks ago, will be out next Saturday. He has been forbidden, however, to take a part in athletics for a year to come, which will eliminate him as a player from the forthcoming baseball series.

Mrs. Brown Resumes

Mrs. H. C. Brown, of the Waimea school, who had been so ill that treatment in a Honolulu hospital became desirable, resumed her duties yesterday. She seems to be almost fully restored to health and old time energy.

Supervisors Meeting

The meeting of the Board of Supervisors, scheduled for a week from tomorrow, will be held in the new county building.
