HOMESTEADERS GO FOR COW FAMILY

They have been having lots of fun with the law relating to estrays in the Kalaheo neighborhood lately. First of all Manuel Andrade and his brother seized a cow belonging to the McBryde Sugar Co., and demanded \$5 damages and the legal fee of 75 cents. The McBryde Sugar Company refused to pay on the ground that the amount claimed was excessive. The Andrades aver, however, that the cow has been on their premises for the past six months, and that its board is cheap at one dollar per.

In the meanwhile, it is said the offending animal will be turned into perfectly good beef. John Abreu, manager of the Homesteads emporium, also has a cow that has gotten into similar trouble. This particular bovine is alleged to have wandered into the premises of Manuel Santos, a homesteader. Santos thinks the animal did \$5 of damage, but Abreu says he'll be kicked and hooked if he'll pay any such exorbitant amount.

The Koloa court will be called upon to straighten out both matters on Thursday.

KAUAI MEMBERS OF ACCIDENT BOARD

Prior to sailing last Wednesday for San Francisco Governor Pinkham appointed the accident boards of the various islands provided for by Senate Bill 2, introduced in the Legislature by Senator A. L. Castle on February 18 last and signed by the Governor in April "relating to compensation to employees for personal injuries sustained in the course of their employment."

Mr. A. D. Hills, one of the appointees to the Kauai board, is away in California and, owing to impaired health, may not serve.

The Advertiser (Honolulu) had the following to say in explanation of the appointment of the boards for the various islands:

Governor Pinkham appointed yesterday the members of the industrial accident boards for the City and County of Honolulu and the Counties of Hawaii, Maui and Kauai. These boards are provided for under the workman's compensation law passed by the last session of the legislature. The members are appointed for terms respectively of one, two, three, four and five years, one member of each board having his term expire every year, the successors being then appointed for terms of five years. Five members constitute each board and they shall select their own chairman.

The appointments made by the Governor yesterday are four terms beginning July 1, this year, when the workman's compensation law takes effect. The appointments and terms of the office of the members of the various boards are as follows:

Appointments To Boards

City and County of Honolulu—Robert B. Booth, one year; A. J. Campbell, two years; Frank O. Boyer, three years; S. S. Paxson, four years and Frederick E. Steere, five years.

County of Hawaii—J. Frank Woods, one year; David Ewaliko, two years; Dr. H. B. Elliott, three years; James Webster, four years, and H. A. Trustlow, five years.

County of Maui—W. H. Field,

LIHUES WIN GAME FROM MAKAWELIS

The Lihue baseball team defeated the Makawelis in a game on the local grounds Sunday afternoon—a contest in which fortunes swayed back and forth several times. The Makawelis seemed to be a little off form, while the Lihues undoubtedly put up their fiercest battle of the season. It was also to be noted that the Makawelis entered the game rather overconfident. That confidence reached a "nothing to it" point in the second innings, when the visitors made four runs, and right there it proved fatal, for the Lihues braced up and in the next four innings hardly gave the Makawelis time to catch breath.

Toward the last, however, the Makawelis began to realize that they would have to play to the limit of their possibilities, and came near turning the tide again the other way, but it was too late.

The crowd was not a large one, but there was considerable excitement as the game progressed.

Much of the credit for the victory of Lihue must be given to A. Kuhlmann, who has developed into one of the strongest pitchers of the island.

The score by innings was as follows:

	1	2	3	4	5	6	7	8	9	Total
Makaweli	0	4	0	0	0	2	2	0	8	
Lihue	1	0	1	3	2	2	0	0	x	9

STANDING OF TEAMS

Sunday's game at Eleele gave to the J. A. C. team the championship of the first series. The standing of the teams is as follows:

	Won	Lost
J. A. C.,	4	1
McBryde,	3	2
Makaweli,	2	3
Lihue,	1	4

Fish Dynamiters Soaked

Two Hawaiians were before the Koloa court yesterday on the charge of dynamiting fish. One was fined \$25 and costs. In the other case sentence was suspended.

An interesting feature of this case was that the arrest was made under the new law which provides that half of the fine shall go to the informer. It is anticipated that with this inducement to informers the courts will have many such cases to handle in the future.

Kalaheo Holy Ghost

The Portuguese of the Kalaheo neighborhood will have a Holy Ghost festival on the grounds of the Catholic church there next Saturday evening and Sunday. Saturday night the leading feature will be a big bazaar.

The band from Lihue has been engaged to supply music.

Kentuckian Coming

The freighter Kentuckian will be expected at Port Allen Thursday morning. She will bring about fifty tons of general cargo and will take away about 2,000 tons of sugar.

one year; Will J. Cooper, two years; George Weight, three years; Judge William A. McKay, four years; and William L. Decoto, five years.

County of Kauai—J. H. Moragne, one year; Luther Dermont Timmons, two years; H. H. Brodie, three years; A. D. Hills, four years, and E. E. Mahlum, five years.

Child Is Drowned

About 1 o'clock Sunday afternoon the body of Shigeru Shimizu, boy, one year old, was found floating in the ditch near the camp back of Hanamaulu mill. The facts elicited by the investigation seemed to show that the little fellow had accidentally fallen into the water.

Mr. and Mrs. A. S. Wilcox returned Wednesday morning from Honolulu.

Gamblers Rounded Up

The Koloa police have been busy rounding up gamblers in the past few days. At Kukuila a bunch of thirteen Japanese were gathered in and put up bail of \$10 each. Yesterday they failed to appear and the total bail of \$130 was declared forfeited.

Five Filipinos arraigned on the same charge were fined \$3 and \$3 costs each. The amounts they have not paid and all are now in jail.

FIRST SERIES TO JAPANESE TEAM

A big crowd saw the J. A. C. team take the measure of the McBrydes on Eleele field Sunday afternoon. It was an off day for the sugar men, for they made some remarkably bad plays; while the Japanese held their end of the contest up in fine shape.

Up to the fifth innings, McBryde had the best of the argument, but in the last half they staged a balloon act and the little, brown fellows tallied thrice. In the sixth McBryde came back furiously, but in the eighth went to pieces again and their opponents shovled four men over the plate.

The McBrydes at times became very erratic in their playing, miffing and fumbling being much in evidence. Save for expensive wild throw by Mitsui in the sixth, the Japanese played a heady game. Sueda, the Maui southpaw, pitched an exceptionally strong game and received the best support from his team. The hits and runs by innings were as follows:

McBryde	1	2	3	4	5	6	7	8	9	Total
Runs	1	1	0	0	2	0	0	0	4	
Hits	2	1	0	1	0	2	0	1	8

Operations on a regular working scale will begin this week. Mr. Horner reports that he has ample labor for the cannery and that the outlook is entirely satisfactory.

HIGH SCHOOL WORK FOR FIRST YEAR

A meeting of patrons of the Kauai High and Grammar School was held in Lihue last Tuesday evening at which much of interest concerning the institution was brought out. Among the more important features was a paper by Principal Avery, taking the form of a statement, the following being its most interesting points:

The purpose of this report is to inform you of the work of the Kauai High & Grammar School, and to present, in a general way, the plans for the coming year. It is the earnest desire of the principal that you make this your school, and that you cooperate with us in trying to make it meet the needs of the community. Constructive criticism, with the real interest of the school at heart, will do much to make our efforts effective.

ENROLLMENT

The total enrollment for the year has been 45 pupils; 8 have been enrolled in the High School department and 37 in the Grammar School. The highest number in attendance at one time was 39. The High School pupils do not pay tuition, but the grade pupils pay \$3 per month which is used to pay

The Tables Turned

At Koloa a Filipino named Valentine is alleged to have been instrumental in causing the arrest of one Margas on the charge of carrying a deadly weapon. In court Margas cleared himself and at the same time appears to have convinced the police that the informant, Valentine, was really the guilty party, for the former was released and the latter is now charged with the offense.
