CRISCO

For Frying-For Shortening
--For Cake Making

Frying

There is no smoke nor odor. Fried foods are free from the taste of grease. They now are tasty and crisp. They are made more digestible, for Crisco is all vegetable. The same Crisco can be used to fry fish, onions, doughnuts, etc., merely by straining out the food particles after each frying.

Shortening

Crisco gives pastry a new flakiness and digestibility. Crisco always is of the same freshness and consistency. It's uniform quality makes for uniform results.

Cake Making

Crisco gives richness at smaller cost. It brings cake-making back to popularity. Butter bills are reduced and cakes stay fresh and moist longer.

ARBOR DAY TREES

(Continued from page 1.)
offer to supply to homesteaders and other landowners free trees for planting on their own lots. Each applicant is entitled to apply for 24 seedling trees. The seedlings are pot-grown plants of size ready to set out. In receiving them the applicant agrees to see that the trees are planted and given proper care until established. The purpose of this free distribution is to supply trees only to those who really want and will use them.

The 24 plants may be all of one kind, or made up partly of one species, and partly of another, provided, however, that no one applicant may have more than 12 plants of any one of the flowering or ornamental trees. The Arbor Day distribution is limited to the species named below. The following trees are available at the Government Nursery, Honolulu, for planting on Arbor Day, Nov. 19, 1915:

Flowering and Ornamental Trees: Golden Shower [Cassia fistula], Pink and White Shower [Cassia nodosa], Pink Shower [Cassia grandia], Royal Poinciana [Poinciana regia], Yellow Poinciana [Peltophorum ferrugineum], Jacaranda [Jacaranda mimosaeifolia], Pepper Tree [Schinus molle], Monterey Cypress [Cupressus macrocarpa], St. Thomas Tree [Bauhinia tomentosa], Araliaceae [Brassia actinophylla], Paper Bark Tree [Molaleuca stypheleicea], Carland Tree [Melaleuca aricifolia].

Timber Trees: Silk Oak [Crevicea robusta], Ironwood [Casuarina equisetifolia], Ironwood Highland [Casuarina quadrivalvis], Blue Gum [Eucalyptus globulus], Swamp Mahogany [Eucalyptus robusta]. A Sub-Nursery in charge of Mr. Walter McBryde is located at Homestead, Kauai, and persons within a reasonable distance of this nursery should apply direct to Mr. McBryde.

The trees available at the Sub-Nursery will be of the species suitable for forest and wind-break planting, also trees for shade and ornamental purposes. Persons residing on the other Islands who desire trees from the Government Nursery in Honolulu are requested to send in their orders as soon as possible, or not later than Nov. 8. All orders should be in our hands not later than Nov. 15. Plants will be ready for distribution on Nov. 18, and all orders not called for before Nov. 27 will be turned back into the regular stock on that date.

Very truly yours,
DAVID HAUGHES,
Forest Nurseryman.

IN THE CIRCUIT COURT OF THE FIFTH CIRCUIT, TERRITORY OF HAWAII.

At Chambers—In Probate.

In the matter of the estate of NELLIE SPITZ, deceased.

HONOLULU IS AN AMBITIOUS CITY

The great, national Republican convention of 1916 will be invited to Honolulu. It is a brave stroke—the invitation. Honolulu is far away from political centers and, furthermore, in seeking the convention will have to compete against greater cities and powerful influences. But the Republican territorial central committee has decided to invite the convention, and to that end adopted the following resolutions, introduced by Robert W. Breckons and to be sent to National Committeemen Chas. A. Rice, who is now on his way to attend a meeting of the committee:

"Whereas, The Republican national convention will meet some time during the year 1916 for the purposes of placing in nomination a candidate for President of the United States for the term commencing the fourth day of March, 1917; and

"Whereas, Honolulu, in the Territory of Hawaii, although not a part of the mainland, is well located as a place for the holding of said convention, and is well equipped both with hotel accommodations and a hall sufficiently large for the purpose of holding said convention; and

"Whereas, The steamer accommodations between the mainland of the United States and Honolulu could be arranged in such a way that all delegates and visitors desiring to attend such convention could be accommodated; and

"Whereas, The climate of the Territory of Hawaii at the time the national convention is usually held is more pleasant than that usually experienced in other cities of the United States in which said convention has heretofore been held; and

"Whereas, The citizens of the Territory of Hawaii, irrespective of party, will gladly welcome the delegates and visitors to the convention, and will provide such financial assistance as may be required by the national committee for the holding of the convention; now therefore be it

"RESOLVED, That on behalf of the Republican party of the Territory of Hawaii, the territorial central committee does hereby extend an invitation to the Republican national committee to hold the 1916 convention at Honolulu, in the Territory of Hawaii; and be it further

"RESOLVED, That the chairman of this committee be instructed to notify the chairman of the Republican national committee of the invitation thus extended, and to state to said chairman that any requests made by the national committee for funds would be promptly laid before the citizens of Hawaii, and that any such request for funds would in all probability meet with favorable response; and be it further

"RESOLVED, That the chairman of this committee be instructed, in extending the invitation, to lay before the said national committee the advantage of Honolulu as a convention city.
