GENERAL ORDERS START FOURTH INFANTRY GOING

Headquarters Fourth Infantry,
National Guard of Hawaii, Lihue,
February 26, 1916.

General Orders No. 1.

1. In pursuance of the provisions of Special Orders No. 15, Adjutant-General's Office, Territory of Hawaii, Honolulu, Oahu, of date February 19, 1916, the undersigned hereby assumes command of the Fourth Regiment of Infantry, National Guard of Hawaii.

E. H. W. BROADBENT,

Colonel, Commanding Fourth Regiment Infantry,
National Guard of Hawaii.

The following orders, approved by the Governor, reached Kauai Friday morning:

February 24, 1916.

GENERAL ORDERS

No. 5.

1. The following changes in the organization of the National Guard of Hawaii are announced for the information of all concerned:

(a) Company A, 3rd Infantry, is designated Company A, 4th Infantry.

(b) Company B, 3rd Infantry, having an enlisted strength of more than 130, is divided into two companies, each with an enlisted strength of more than 65, designated Company B. and Company C, 4th Infantry, both with station at Lihue, Kauai.

(c) Company C, 3rd Infantry, having an enlisted strength of more than 130, is divided into two companies, each with an enlisted strength of more than 65, designated Company G, 4th Infantry, with station at Eleele, Kauai, and Company H, 4th Infantry, with station at Homestead, Kauai.

(d) Company D, 3rd Infantry, having an enlisted strength of more than 130, is divided into two companies, each with an enlisted strength of more than 65, designated Company E and Company F, 4th Infantry, both with station at Kealia, Kauai.

(e) Company E, 3rd Infantry, having an enlisted strength of more than 130, is divided into two companies, each with an enlisted strength of more than 65 designated Company I and Company K, 4th Infantry, both with station at Makaweli, Kauai.

(f) Company F, 3rd Infantry, having an enlisted strength of more than 130, is divided into two companies, each with an enlisted strength of more than 65, designated Company L and Company M, 4th Infantry, both with station at Waimea, Kauai.

(g) The formation of a company of Infantry at Kilauea, Kauai, having been completed, and said company having an enlisted strength of more than 65, and conforming in other respects to the requirements of the Territorial military service, said company is mustered into the National Guard of Hawaii, as Company D, 4th Infantry, with station at Kilauea, Kauai.

(h) The twelve new companies of Infantry, enumerated in Sections a to g, inclusive, together with the band and provisional companies provided for in the Tables of Organization, Organized Military, 1914, are organized as the 4th Infantry, National Guard of Hawaii.

(i) In the before named instances, where companies have been divided to form two companies, all property will remain with the organization which the present accountable officer commands.

2. Colonel Edward H. W. Broadbent, 3rd Infantry, attached, is assigned to the 4th Infantry.

By Order of The Governor:

SAMUEL I. JOHNSON,

Brigadier General, The Adjutant General,
Chief of Staff.

(Continued on page 5)

LIHUE AND ELEELE NATIONAL GUARD PLAY TO A DRAW TO BOOST SPORTS

Lihue School went to Eleele on Saturday and succeeded in getting a draw at soccer with the fast Eleele team.

The Lihue boys, confident from their victory over Koloa, started out with a rush, but Principal Morse had been grooming his team for the past week and their defense was admirable. Eleele had the advantage of wind and slope the first half but did not have the power to score through the strong attack of Lihue and were kept on the defensive a large part of the time.

In the second half, judging from her strong showing in the early part of the game, it seemed that Lihue, must win. But here again the Eleele boys surprised the crowd by coming back much stronger than their opponents, and forcing the playing much of the time. At the end of the hours' play neither side had scored and the ball was in the center of the field.

Werner and Avery acted as linesmen. Next week Friday Lihue school and High play at High School grounds, while Koloa and Eleele meet at Koloa. Both games will be called at 3:00 p. m.

Assessor J. K. Farley will leave Saturday afternoon for Honolulu to attend a meeting of the various assessors.

Will Take Over Baseball And Perhaps Other Athletic Features

Practically all of the officers of the Fourth Regiment (Kauai), National Guard of Hawaii, met in the district court room at the county building last Friday evening and discussed a large number of matters of importance to the regiment, some of which were given out for publication, as being of interest to the public generally.

For instance, in the matter of sports it was decided that the National Guard should take over the baseball situation. The question of whether the competing teams should be organized by battalions or companies was discussed at length, finally resulting in favor of the latter plan, although that will mean that twelve teams will be in the field during the coming season.

Soccer football will also be taken up, each of the three battalions putting in one team for a hot season before baseball commences in May. These sports programs will be handled by the athletic officer of the regiment, acting with the

(Continued on page 5.)

Colonel E. H. W. Broadbent expects to leave this afternoon for a business visit to Honolulu.

MAKAWELI STREET IMPROVEMENTS

The main street in Makaweli is to be macadamized, sidewalks will be constructed and that part of the town made to look real civilized. There will be modern sidewalks on both hands extending from the belt road, down to and around the turn near the mill; and in the center will be an asphalt-macadam street for auto and general traffic. The road making machinery of the county has been secured temporarily by Makaweli for putting in the improvements.

The new residence of the Baldwins, additions to the store premises, new warehouses and the new National Guard armory, in addition to the street improvements soon to start, will greatly alter the appearance of the main part of Makaweli—for the better, however, be it said.

PRIZE CUP IS WON BY GERMAN CLUB

The cup presented by A. J. Reach Co. to the Winter Baseball League was finally won by the German Sport Club, of Lihue, and is now on display at the Lihue Store.

Last Sunday the German boys started a bowling contest of four games, which are to be played off on five Sundays. The totals of the first game were as follow:

Carl Schumacher	152
Hans Elmhorst	153
H. Bechert	124
G. Schumacher	125
F. Winter	143
E. Mahn	112
F. Schumacher	142
F. Rutsch	179
A. Siebel	162
F. Bechert	145
C. Kuhlmann	152
W. Schumacher	178
Ernst Elmhorst	156
F. Mahn	125
R. Schumacher	90
O. Pruser	158

A WEEKEND DINNER

Judge and Mrs. C. B. Hofgaard, Waimea, entertained most pleasantly Saturday evening, the features being an elaborate Norwegian dinner and music. Besides the host and hostess there were present the Misses Wood, of Huleia, and Miss Martin, of Hanapepe, who were house guests of the Hofgaards at the week-end; Mr. and Mrs. E. A. Knudsen, of Kekaha; Messrs. Vincent, Morrow, Coney and Garden, of Lihue; Miss Frey, of Makaweli; Mrs. A. Brodie, Miss Hofgaard and Mr. Madlum. The evening passed most pleasantly for all.

MR. LOOMIS ACCEPTS

Charles F. Loomis, Boys' Work Secretary of the Honolulu Y. M. C. A., has formally accepted the office of secretary of the Y. M. C. A. system shortly to be started on Kauai. Mr. Loomis will begin work about May 1. He will live at Eleele, which will be near the center of his field of activities.

The Reichelt Case

One of the principal cases to come before the court at the term opening tomorrow will be that of Hans Reichelt, formerly bookkeeper for a local plantation, who is charged with embezzling something like \$20,000. It is understood that the accused is in bad health.

HIGHS AND KOLOAS PLAY FOOTBALL

The second week of the interscholastic series of soccer football showed some very exciting contests.

Friday the High School played the Koloa team at Koloa. The first period of play ended with a score of one goal for High School, and it looked as though there would be little scoring.

In the interval between halves a protest was made against the shoes worn by a Koloa player; two High school players having received cuts during the play. The referee ordered the shoes removed and the player left the field and refused to continue the game, so that Koloa had to play the last half with only ten players.

The Koloa boys played strongly, however, and succeeded in holding the boys from the county to two goals for this period. The final score was: High school 3; Koloa 0.

John Bush and F. E. McCall acted as linesmen. Time of halves, 30 minutes.

KOLOA CLOSED A VERY FINE YEAR

Koloa plantation made a net profit of \$302,191 during the 1915 campaign, of which amount only 6 per cent, or \$45,000 was paid out in dividends, \$257,193 being carried to the profit and loss balance.

The annual meeting of the company was held in Honolulu yesterday, at which these facts were brought out. In his annual report the manager also made the following interesting statements:

"I am glad to report a banner yield of 9,501.77 tons sugar this year, which is larger by 600 tons than any other output in the history of the place.

Crop 1916.

"The weather has been very unfavorable during the growth of the cane for this crop. The dry season lasted till August, so the growth of the young cane was checked during a considerable time. After the rainy season had set in the cane grew rapidly, but unfortunately had no time to ripen.

"The harvesting of this crop started on December 6. We have manufactured up to December 12, 2,307,1875 tons sugar. The fields taken off so far have fallen below the estimate and, unless the quality of the juice improves, we will get a little less than 8000 tons sugar.

"The Mill has done very satisfactory work during the past season in grinding 29.34 tons cane per hour with an average extraction of 95.57 per cent.

"The new Lihue ditch was completed August 19, 1915, and will be of immense value for this plantation.

"No expensive improvements are planned for the coming year."

Hilonian Takes Sugar

The steamship Hilonian sailed from Port Allen Saturday for Hilo, taking 42,000 bags of sugar, 70 empty drums and 1350 cases of pineapples.

The barkentine Hawaii has finished discharging at the same place and will leave on Thursday for British Columbia.

TODAY'S AND LATEST NEWS BY WIRELESS

Sugar, advanced to 4.92.
Honolulu—A special session of the Legislature is necessary, in the opinion of a majority of the members of the Honolulu Board of Supervisors, in order to get Honolulu out of financial difficulties. The supervisors believe that this is the only way to prevent a financial crash. For one thing, the Circuit Court will be without money. The Board refuses another appropriation and the tribunal may have to suspend business.

Weary Wilder Again

Forbes' account of \$98.55, paid for a dinner to Senators in Washington, is to be assailed by injunctions, Arthur Wilder planning to begin a legal attack on the item in the Circuit Court this morning. The incidental expenses of the Superintendent are declared to be illegal. Pressing clothes, dinners, pleasure junkets and other charges, apparently set down as a part of the legitimate expenses of the superintendent, are to be attacked.

Italian Ships Are Sunk

London—The sinking of an Italian hospital ship is reported from Rome. The vessel was the *Marachiano*. She struck what is presumed to have been an Austrian mine off the Albanian coast, resulting in the loss of many lives. Wounded soldiers and nurses were the chief victims of the disaster.

Great German Loss Reported

Paris—The losses of the Germans at Verdun have been appalling. Reports from this city and elsewhere say that 300,000 Teutons have perished.

The attacks of the Teutons in masses against the French trenches gave the French the chance to mow down the enemy in heaps with artillery fire.

German prisoners taken the last day of the assaults say that the French firing was hell on earth. It took four days to definitely check the Teuton drive.

Navy Is Not Efficient

Washington—Rear-Admiral Knight tells Congress that the navy is not ready for real service. He says it is only fifty per cent efficient.

How Yankees May Travel

In a semi-official statement issued at the State Department the position of the administration regarding submarine attacks upon armed merchantmen is made clearer. Americans must not travel on vessels armed for offensive. The State Department says that citizens journey upon such craft at their own risk and uphold the right of ships to act on the defensive.

Wilhelmstrasse note repeats the Berlin warning. Sees no reason why instructions to divers to destroy armed merchantmen should be altered to meet the demands of the United States.

Munitions Plant Explodes

Houston, Texas—The building of the New England Chemical Company at Woburn, twelve miles away, was destroyed by an explosion, the shock being plainly felt here. The plant has been manufacturing munitions for the Allies. One man was injured.

Explosion At St. Louis

St. Louis—Three persons were killed and many injured when five cases of dynamite stored in Maplewood Sewer Works exploded. More than thirty houses were demolished by the force of the explosion.

Monday Afternoon

Honolulu—A water gate for the harbor is the plan of drydock men. W. T. Donnelly will show the plans and drawings for great waterfront structure. A big central terminus is the basis for the plan.

Sugar Gains A Point

Washington—The repeal of the free sugar clause progresses. The House ways and means committee authorized a favorable report on this bill by unanimous vote. The bill will come before the House for vote on Thursday.

The Same Old Story

Paris—The French are hurling back the German attack at Verdun. They think the tide has turned, with the Allies progressing. Berlin says advances are being continued, and declares that the French reserves exhausted themselves in fruitless efforts to retake Fort Beaumont. The Meuse is cleared.

A New German Note

Washington—In a new note to Washington from Germany, the Teuton government says she has no intention of revoking any pledges given in the Lusitania case. Germany says she sees no reason for changing the instructions given the submarine commander. The instructions referred to concern armed merchant vessels.

(Continued on page 8)

PLANS FOR ARMORY

Captain J. H. Morague brought back with him from Honolulu plans for the big armory which it is proposed shall be erected back of the county building in Lihue.

The structure will be quite commodious and will be of handsome design, adding greatly to the general appearance of the neighborhood. At their meeting tomorrow morning the Supervisors will consider the matter of turning over the land required to the military department.

It is estimated that the armory will cost in the neighborhood of \$8,000.

John A. Palmer, who is in charge of the income tax work of the Territory, will arrive on Kauai tomorrow to check up the returns made by the various wealthy and near-wealthy.

Judge Dickey returned this morning from Honolulu His court will start grinding tomorrow morning.

Went To City

The following sailed in the Kinau Saturday afternoon for Honolulu:

H. P. Faye, Mrs. Kraounta, E. Sabashi, K. Miyaki, Sid Spitzer, S. Yano, T. Onishi, Y. Akagi, T. Gonsalves, Mrs. A. Silva, F. A. Souza, Mrs. Pritchard, P. E. Munson, Lu Chee, G. N. Wilcox, C. H. Wilcox, G. P. Wilcox, Mrs. G. P. Wilcox, A. Robinson, E. Robinson, C. A. Rice, Mrs. C. A. Rice, Hans Isenberg, F. Welser, E. Cropp, Mrs. J. Mikalima, Miss K. Mikalima.

COURT TOMORROW

The March term of the Circuit Court will open tomorrow morning, when the calendar will be called and jury waived cases will be taken up. Trial jury cases will be taken up on Monday.

Unless something unexpected develops, the term will likely be a short and uneventful one.
