A BAD ACCIDENT BEFALLS WERNER

James Werner, of Kealia, brother of Deputy Sheriff Wm. Werner, of Hanalei, while riding a horse on the road at Kilauea Sunday morning, ran into a Ford automobile driven by a Filipino, was quite badly hurt, injured the Filipino and practically wrecked the car.

The horse seemed to be nervous and when quite close began to prance and plunged headlong against the front of the car. Radiator, windshield and most of the forward work were smashed.

Werner was thrown violently to the ground. When taken to the hospital it was found that he had sustained a compound fracture of the leg. He will be laid up for several weeks.

The Filipino driver of the car was cut in several places, caused principally by flying glass from the shattered windshield.

The horse was barked and bruised but not seriously hurt.

Saturday's Tennis

The match in the second round of the men's doubles tennis tournament, played off on the Hoes courts Saturday afternoon between Eric A. Knudsen and G. F. Rankin, and Albert Horner, Jr., and Harrison Rice, was exceedingly close and interesting, resulting in victory for the visitors, 6-4, 6-1. The weather was ideal and the crowd fairly large. The playing was exciting practically all the way through.

For The House

David Kanealii, of Wainiha, Hanalei, Kauai, hereby announces himself to be a candidate for nomination by the Republican Primary for the House of Representatives.

Wainiha, Hanalei, May 15, 1916.

JUVENILE THIEF FOR REFORMATORY

A Porto Rican boy named John Savers, aged 12, staying in the house of Waiwaiole, homesteader in the Waipouli region, was left in charge of the family baby while Mrs. Waiwaiole went fishing. That was on Saturday (so this is not a Sunday fishing story). When Mrs. Waiwaiole returned home she found that her cherub had been locked in one of the rooms, while the boy was not to be found. Investigation showed that the sum of \$30.25 had gone with the youth.

The police were promptly notified and easily found the trail of the juvenile thief. He had rented an automobile and gone straight to Koloa. In a store there he bought a suit of clothes and some small articles. Then he went to his former home at Piiwai. He had scarcely gotten straightened out there, however, when Deputy Sheriff Henry Blake appeared on the scene, and little Johnnie was "pinched."

The police returned the clothes to the Koloa storekeeper, who refunded the stolen money, and other small amounts were gathered up until only \$2.85 of the original sum remained missing. This money was returned to the woman at Waipouli. The thief, being a juvenile, will be given a hearing in Judge Dickey's court and may be sent to the reformatory school on Oahu.

Y. M. C. A. Meeting

A meeting of the Board of Directors of the Kanai Y. M. C. A. will be held at Eleele hall this (Tuesday) evening, beginning at 7:30 o'clock, at which important matters in connection with the work will be considered. The Board of Directors as at present constituted is as follows: Th. Braudt, chairman; J. M. Lydgate, secretary; K. Roendahl, treasurer; Sinclair Robinson, C. D. Millikin, Wm. Schultz, G. T. Greig, W. N. Stewart, W. C. Avery, J. K. Farley and A. H. Waterhouse.

Secretary Loomis and family are comfortably ensconced in a cottage next to the Roendahls in Eleele.

Chairs For Theater

H. Rohrig last week practically completed the selection of the chairs for the fine, new theater being built in Lihue. There are several designs, for different parts of the house, and all are attractive, comfortable and will compare favorably with those of the finest, modern theater. It is figured that the chairs and other equipment will be here in ample time before the building is ready for use.

Military Pictures

Forty-six of the fifty four field, staff and line officers of the Fourth Infantry gathered at the county building in Lihue Sunday afternoon and had group pictures taken by I. Senda, the Kapaia photographer. The request for a picture came from a newspaper of Honolulu which will shortly issue a military supplement.

Rev. J. M. Lydgate has a Kauai article in the current Paradise Of The Pacific. The story carries a picture of Port Allen, an amusing feature of which is that the publisher refers to the big freight warehouses there as a sugar mill.

FOLLIES PROGRAM GREATLY ENJOYED

Misses Etta Lee, Frances Thompson, Genevieve Sicotte and Leona Jobson entertained a large gathering of friends from all sides of the island last Saturday evening at a formal dance given at the Makaweli Hall.

Palms and ferns were abundantly in evidence, with numerous colored lights peeping through the greenery. A large full moon completed the lighting scheme, rendering a very pretty and effective ensemble.

Upon the stroke of midnight, "Follies" were in order. Wands and fancy caps were distributed to the guests, who joined in an appropriate dance, while colored confetti was released from above by pulling of numerous streamers, producing a shower of color and

Lihue Tennis

Another game in the second round of the men's doubles tournament was pulled off last Sunday afternoon in Lihue.

G. T. Greig and A. R. Glaisyer played against F. C. Morrow and C. S. Dole, resulting in a win for the visitors, the score being 6-2, 6-3.

W. M. Cooper and E. W. Carden won from C. H. Wilcox and K. C. Hopper by default.

Further matches remain between these winners and also between Albert Horner and Harrison Rice vs the winners in the semi-finals.

H. C. Waldron, representing the Honolulu Iron Works, is interviewing plantation people of Kauai on machinery matters.

An atmosphere of carnival spirit. Guests, whose homes were all the way from Kekaha to Hanalei were in attendance; all enjoying the affair most thoroughly.

ANAHOLA HOUSES SOLD AT AUCTION

Saturday morning Miss Bernice Huddle conducted an auction sale of the landing buildings at Anahola. The crowd was not a large one. Japanese, as a rule, started the bidding and kept it going in lively fashion for a time but dropped out when the figures mounted too high for them.

Mrs. Huddy bought one of the buildings, paying \$105 for it. Another was sold to Judge Punki for \$83. A native of the neighborhood bought a third for \$115, while Hon. J. H. Coney secured two for \$185. The buildings purchased by Mr. Coney were the warehouses formerly occupied by the Makee Sugar Company, the ownership of which is still in dispute.

All of the parties probably made bargains, despite the fact that the buildings were old, for the reason that lumber of any kind is very high just now.

The buildings were sold on account of the decision of the government to abandon Anahola permanently as a landing place.

Inspection At Kealia

Companies E and F (Kealia), Fourth Infantry, were inspected by Colonel Broadbent and officers Sunday afternoon, this completing the inspection of the entire regiment. The remoter company (Kilauea) was inspected Saturday evening. Colonel Broadbent found the companies at both Kilauea and Kealia in fine shape and complimented them upon the excellent showing made.

Lively Soccer Game

The German Sports Club and a picked team had a game of soccer in Lihue park Sunday afternoon which attracted a number of spectators. Within five minutes of the end of the game the score stood 2 to 2. The Germans made a sudden spurt, however, closing the contest 4 to 2 in their favor.

New Secretary Here

C. R. Loomis, secretary of the new Y. M. C. A. movement recently started on this island, arrived at Eleele last Wednesday, accompanied by Mrs. Loomis and their two children. Eleele will be the headquarters of the new secretary, that being near the center of his field of work.

PROPERTY SAVED BY EXTINGUISHER

The cars and garage of Hon. C. A. Rice were undoubtedly saved last Wednesday by the Pyrene Fire Extinguisher, a small but invaluable appliance recently introduced on Kauai.

The auto boy was cleaning machine at the time of the accident. He was holding a tin of gasoline in one hand and was washing the engine with the other, when friction or short circuit started the blaze. The boy tried to throw the tin of gasoline out of the window, and that scattered the fire over the floor.

The car was quickly run outside. The boy then grabbed one of the Pyrene Fire Extinguishers, which was close by and which he had been taught to use. With this remarkable device the flames were soon squelched, saving the building and the automobiles.

HONOLULU CROWD KAMEHAMEHA DAY

Honolulu is making a very strong bid for a crowd from the other islands on Kamehameha Day. Excursion steamers will be run by the Inter-Island Steamship Company and every effort will be made to give those attending the festivities a good time.

So greatly is the city interested in the affair and the crowd that the Chamber of Commerce is sending its secretary to Kauai at this week end to "nail down" as many candidates for the trip as can be found. The secretary wishes to meet the Kanai Chamber of Commerce on the proposition, but that will hardly be possible on account of the distance most of the members have to travel.

Anyhow, following is the substance of a letter received from Secretary Brown, of the Honolulu Chamber of Commerce, which explains the whole matter:

I expect to arrive in Lihue on Friday morning, the 19th. You probably have seen by the newspapers that this Chamber will make an effort to attract residents of the other islands to our Kamehameha Day festivities on June 10, 11 and 12.

My object in coming to Lihue is to see if I cannot interest the people through your Chamber of Commerce, and I would be thoroughly pleased indeed if opportunity were given me to say something along the lines of our entertainment to a meeting of your members either on Friday or Saturday.

Fernandez' Show

"Madame Butterfly", put on by W. Fernandez in Lihue Social hall Saturday evening, attracted a very large house, as the picture had done at other places. In it Mary Pickford was seen at a new angle and many seemed to feel that the sketch, while out of the ordinary, was good. The film concluded at Koloa last evening.

Supervisor T. Brandt will leave about the first of July for a vacation tour of three months on the Coast, during which he will visit Alaska.

The resignation of Lieutenant Douglas Baldwin, quartermaster of the third battalion, Fourth Infantry, has been approved by headquarters.
