

# MONEY FOR OAHU'S MILITARY ROAD

(Special Washington correspondence of THE GARDEN ISLAND.)

Washington, D. C., July 23rd.—The Army appropriation bill, reported to the Senate today, contains an amendment inserted by the Senate Military Affairs Committee, appropriating \$10,000 to permit the Secretary of War to have a survey made for a military road system on the Island of Oahu. The Delegate from Hawaii, through Senator Warren, offered an amendment to the bill providing for an appropriation for the survey of the road and the commencement of work; the total cost limit to be \$1,000,000. The Committee decided, however, to authorize the survey at this time, and the establishment of the road system will be contingent upon the result of the survey and the estimates for the construction of the road.

The military committee also adopted an amendment to the bill to grant Dowsett and Company permission to remove from the Schofield Barracks Military Reservation buildings erected by them during the lease held by Harvey E. Whitney; also an amendment transferring the land known as Puuloa Military Reservation, Oahu, to the Navy Department.

## Stuart To California

(Special Washington Correspondence of THE GARDEN ISLAND.)

Washington, D. C., July 23rd.—Judge Stuart today called upon the President and left with him his letter resigning from his position of District Judge in Hawaii. Judge Stuart will not return to the Islands but will go to Denver and after a visit with former friends there probably will make his home in Southern California. Judge Stuart's letter of resignation has not been made public, but if it should be, it is believed it will be found to contain a scathing criticism of the Pinkham administration.

Mrs. D. H. Sloggett and children are spending a few weeks with her parents, Mr. and Mrs. S. W. Wilcox.

## Notice to Candidates for Delegate, Senator and Representative

A primary election for the purpose of making nominations for a Delegate to the House of Representatives of the United States and for Senators and Representatives of the Legislature of the Territory of Hawaii being required by law to be held on October 7, 1916, attention is called to Section 85 of the Organic Act and Sections 30, 33 and 35 of the Revised Laws of Hawaii, 1915, as well as other sections pertaining to elections.

Section 30, R. L. 1915, reads in part as follows:

"The name of no candidate shall be printed upon any official ballot to be used at any primary election unless a nomination paper shall have been filed in his behalf as provided in this chapter.

"Nomination papers for candidates for delegate to congress shall be signed by not less than twenty-five qualified electors of the Territory.

"Nomination papers for candidates for either branch of the legislature shall be signed by not less than fifteen qualified electors of the district for which the person nominated is a candidate."

Section 33, R. L. 1915, reads in part as follows:

"Nomination papers shall be filed as follows: For delegate to congress and members of the legislature, with the secretary of the Territory, at least thirty days prior to the day for holding the primary."

Nomination papers of candidates for delegate to congress, senator or representative should be filed in the office of the undersigned not later than twelve o'clock midnight on September 7, 1916. Each nomination must be accompanied by a fee of \$10.00, as required by law, in cash or postal money order payable to the undersigned.

Blank forms of nomination papers may be had on application to the offices of the County Clerks of the several counties.

The twenty-five electors who sign nomination papers of candidates for delegate to congress and the fifteen electors who sign nomination papers of candidates for senator or representative must be qualified to vote at this, not the last, election. All candidates for delegate to congress, senator or representative should therefore verify the names of the electors who sign their nomination papers

by ascertaining from the County Clerks of the several counties whether at least the required number of such names on their nomination papers have been duly registered on the Great Register as electors duly qualified to vote for them in their respective election districts at the election to be held on October 7, 1916.

WADE WARREN THAYER,  
Secretary of Hawaii.
