LATEST WIRELESS NEWS

(Continued from page 1)
Saturday December 30

Honolulu—Col. McCarthy, of the Harbor Board, is very angry over the statement of Morgan that the latter was discharged for political reasons. He denies that the course taken has caused the board of harbor commissioners embarrassment.

The German Report

Berlin—Rumored Wilson sent second note explanatory of the first. The Teutons in Transylvania have entered entrenched Russian—Rumanian positions.

Crowning In Hungary

London—An Amsterdam despatch gives an account of the crowning of Charles and Zita in St. Matthews, at Budapest. Zita rode in the pageant in a coach drawn by 16 horses.

Mexico Prefers To Wait

Washington—First Chief Carranza, of Mexico, has replied to the United States that he prefers to let the proposed protocol (or first measures for a peaceful understanding and decency) rest for awhile.

The Mexican president says that the presence of General Pershing and his army in Mexico is a stumbling block to immediate adjustment of the difficulties, and declares that the recall of American soldiers from Mexico would result in the adjustment of the difficulties within a week.

Labor Union Stumped

The labor union brotherhoods have sent out a circular letter to their 400,000 members asking opinions as to what should next be done in the eight-hour day matter.

Sprinkled Streets With Whiskey

Phoenix—Prohibitionists yesterday sprinkled the streets of this city with \$20,000 worth of liquor which had been confiscated and which they ran through a water wagon. Two hundred decorated autos followed the sprinkler in a parade. Prominent prohibitionists of the State took turns in driving the sprinkler.

New Way To Detect Consumption

New York—A new method of diagnosing tuberculosis through blood pressure was explained last night by Dr. Harley Stamp, of the Pennsylvania University, addressing the Anthropological Association. He said that by following his plan it would be possible to detect the presence of tuberculosis four years in advance of the present methods.

Douglas Haig's Opinion

London—General Douglas Haig has issued a statement in which he says that the Allies can overthrow the Teutons when the proper time comes. The Somme fighting showed the weakness of the enemy, the inclement weather, which prevented the Allies from following up their advantage, being the only thing that saved the Germans from complete collapse.

Lost In The Bankok

Tokio—In the wreck of the Bankok Maru, lost off Chee Foo, 209 were drowned and 20 saved. Of the latter, two were Americans.

Lieut. Governor Resigns

Washington—Vice-Governor Martin, of the Philippine Islands, has resigned on account of the ill health of his wife.

Friday Afternoon

Honolulu—Morgan explains that his false statements in regard to Honolulu piers were inspired by a desire to save the harbor board from disgrace. He says that Lord was a fellow conspirator and accuses McCarthy of playing politics in demanding his dishonorable discharge in place of resignation.

James S. McCandless says that the Knights Templars billed for the Islands will have either to sleep aboard their steamer or not come at all on account of lack of hotel accommodations.

A Chinese and Japanese hui are planning to incorporate an electric company for \$250,000.

Carl Andrews, third member of the harbor board's investigating committee, reports that the assessors of Maui and Kauai will show a larger income next year.

Entente Demands Extensive

Copenhagen—The reply of the Entente powers to the German peace proposals is ready. The London Spectator outlines the reply as follows: The status quo before the war is to be restored, invaded countries to be evacuated.

Alsace-Lorraine to be restored to France.
A new kingdom to be created out of Slavic territory now occupied by Teutons.

Bohemia to be independent.
Rumanian Transylvania to be transferred to Rumania.

The Austrian Tyrol, Trieste, Istria and all other territory where Italian blood predominates to be transferred by Austria to Italy.

Constantinople and all neighboring straits to be transferred to Russia.

Armenia to be under Russian tutelage.
The Arabs to be freed.

Syria, Asia Minor and Mesopotamia to be placed under a protectorate.

The German colonies to remain as the property of the Entente powers.

Indemnity given for all countries occupied.
German reparation ton for ton for all ships sunk.

The German navy to be distributed among the Entente powers.
The demoralization of Germany.

The Kiel canal to be neutralized.

At The Battle Fronts

Berlin—The Germans have entered French positions at Hill 304, also on slope of Dead Man's Hill.

In Rumania several positions and 400 prisoners have been captured.

A Finnish vessel has been sunk, having aboard Russian artillery for the Aland Islands. Fifty saved. Another Russian steamer sunk by badly anchored Russian mines.

The French Hear Differently

Paris—The Germans attacked between Hill 304 and Dead Man's Hill, but the attack was broken, few Germans reaching trenches.

Friday December 29

Sugar, 5,14.
Honolulu—Ed. Fogarty, Democrat, and W. J. Sheldon, Republican, are to be on the civil service commission.
General Johnson broke all records by beating Burns on Punch-bowl 286 to 283.

Announcement of the President's plan to put a duty on coffee has been received with much approval by coffee planters.

What Carranza Wants

Washington—Carranza has not signed the protocol but has asked for a modification of the terms to provide for the withdrawal of Pershing from Mexico. Carranza's friends say that he will sign if time is named for American withdrawal.

U. S. Has Lots Of Money

The resources of the national banks of the United States aggregate \$15,000,000 more than the combined government banks of Japan, Russia, Italy, Germany, England, France, Spain, the Netherlands and Switzerland, according to official figures made available today.

Split Over Eight Hours

New York—The Brotherhoods and railroads have split on account of the refusal of the railroads to put the eight-hour law in force at the first of the year without awaiting a test of the constitutionality of the law before the supreme court. Union leaders declared that they were entitled to the benefits provided by the bill as soon as the same are effective, regardless of any finding the supreme court may later render.

A New Service Bill

Washington—The army staff is reported to be drafting a new military service bill on the Argentine plan. It provides that males between the ages of 16 and 45 shall be liable for duty with the militia in time of war.

The Press And Peace

London—The press is urging the Allies to follow Russia's example and declare just what terms they are willing to accept to end the war and what they are fighting for.

Switzerland reports declare that Austria is in a desperate plight and may sue for separate peace. No credence is given in London to this story.

Sinking of Westminister

The sinking of the Westminister, the admiralty declares, was the climax of savagery, the lifeboats of the steamer being shelled by the guns of the submarine. The ship was entirely unwarmed.

Teuton Offensive Fails

New York—Teutons offensive at Verdun, Le Mort Homme and Hill 304 have all failed with heavy losses to the attacking forces.

Thursday Afternoon

Berlin—The defeat of the Russians and Rumanians on the east front is complete. The Teutons have taken 30,000 prisoners.

Germany's answer to the American note has caused a good impression throughout the country, only the anti-American press showing dissent, they saying that any kind of interference by America would be intolerable.

The French Opinion

Paris—The morning press is unanimous in pronouncing Germany's answer a polite refusal to comply with the suggestions of President Wilson.

More Foreign Bank Connections

Washington—The authorization given the Federal Reserve to appoint the Bank of England as its agent is likely to be followed by similar authority in regard to banks in Japan, China and Australia.

Peace Road Blocked

The road to peace is blocked by the refusal of the Entente to enter into a conference without prior knowledge of terms. It is understood that the Teutons will permit a confidential exchange of broad, tentative terms through President Wilson if necessary to bridge the gap that threatens to prevent the assemblage of delegates. It is intimated that a statement of this position will be communicated to America soon.

The official text of the German reply to America's peace proposal has arrived. It is asserted that no confidential communication from Ambassador Gerard accompanied the document.

Carranza Makes Answer

President Carranza's answer to the latest American note will be delivered this afternoon. It is understood that it contains suggestions or modifications carefully worded to avoid ending negotiations. Mexican officials say that the door has not been closed.

THURSDAY AFTERNOON (SECOND WIRELESS)

Honolulu—It is learned that W. H. Hindle appeared before a House committee at Washington last August and urged the entry of Chinese into Hawaii to work in the rice industry.

A woman taken to the police station Monday night on the presumption of being drunk was dead when arrested. Her husband has now been arrested and is charged with beating her to death.

L. G. Blackman, a commissioner of education, says he regards the proposed survey of the schools as unnecessary, although he would welcome it because a good showing would be made.

Orders have been issued changing the classification of units of the National Guard on Kauai.

Crowley Denies Guilty Knowledge

San Francisco—At the trial of German Consul Bopp, alleged conspirator Crowley testified that he had no knowledge of any conspiracy.

Captain Sentenced Heavy

Los Angeles—David Caplan, charged with complicity in the Los Angeles Times explosion, was given ten years.

The Eight-Hour Discussion

New York—The brotherhoods have suggested at a conference that if the Adamson eight-hour law is upheld by the Supreme Court the controversy be settled on a basis of the switchmen's award.

More Notes Arrive

Washington—The Austrian reply to the peace proposals arrived today.

A note from Mexico has been received by Secretary Lansing.

Goodyear Cords Win First, Second, and Third Places in International Grand Prize Race at Santa Monica Saturday, Nov. 18th

Winners in Premier Classic of Motordom Storm Across Finish Line in Goodyear-equipped Procession.

Aitken, piloting Wilcox's Peugeot; Cooper at the wheel of a Stutz and Patterson driving a Hudson capture major honors in the most desperately driven Contest in Grand Prize history.

Victorious Peugeot covers 403-Mile distance over an 8-Mile course strangled with turns at average rate of 85.55 Miles an Hour — 10 Miles an Hour faster than best previous time for this Race.

Aitken's car was shod with Goodyear Cords on all four wheels; so was Patterson's; Cooper's Stutz rode Goodyear Cords on rear wheels only.

GOODYEAR
AKRON
CORD TIRES

Goodyear Cord Tires are standard equipment on the Franklin, the Packard Twin Six, the Locomobile, the Peerless, the White, the Haynes Twelve, the Stutz, the McFarlan, the Roamer, the Lexington "Thoroughbred Six" and the Daniels Eight.

The qualities that led to their adoption on these cars are the qualities that make them higher-priced—and better.
