KAUAI TO HAVE LEAGUE BASEBALL

The chances are better than even that Kauai will be having league baseball in the near future. President B. D. Baldwin, of the Kauai Athletic Association, says it is time we had some organized baseball, and accordingly has issued a call for a meeting to be held at the County Building next Friday afternoon at 3 o'clock, for the purpose of organizing a league. It is especially requested that all plantation managers be present, but every one interested is cordially invited.

Now that the boys are back from military service, there is no reason why we should not enjoy some first-class ball, such as we had before the war. There are any number of high-class players on the island and it will be no trouble at all to form a league of four or five teams.

Lihue can be counted upon to enter a team, so will the old stand-bys, Makaweli and McBryde. Manager Larsen, of Kilauea, is enthusiastic over the prospect and will undoubtedly offer a team. Manager Molters, of Kealia, is a rapid fan and can be counted on to do all in his power to boost the game. The Lihue team will have a good friend in Manager Moler, who, when he was at McBryde, was the man responsible for that excellent team.

Peggy Center Sings at Waimea

On Saturday evening, May twentieth Miss Center gave her much anticipated concert at the Waimea Hall, fulfilling every expectation that had been aroused. She delighted her audience with her beautiful voice and charming personality, and in response to enthusiastic applause gave several lovely encore songs. Mrs. Robinson's and Mr. Horner's playing was also much enjoyed. Lieutenant R. A. Anderson was unable to speak on account of illness, but will probably speak at the Waimea Hall on Wednesday evening. The stage was decorated with graceful sprays of pink shower ferns, and chrysanthemums. Mrs. Grote accompanied Miss Center with her usual excellence.

- The program was as follows:
1. Aria and Scene from "Mignon" Massenet.....Peggy Center
 2. a. Mazurka..... Chopin
b. Romance..... Rubinstein, Albert Horner, Jr.
 3. a. The Lass with the Delicate Air..... Arne
b. One Spring Morning.....Nevin Peggy Center

 4. a. Chason Indone.....Rimsky-Korsakow

The Lihue Concert

On Friday evening, May thirtieth, Miss Peggy Center will give her Lihue concert. Lihue people have been looking forward to this event with great enthusiasm, and a large audience is expected. Mrs. William Grote will accompany Miss Center, and Mrs. Sinclair Robinson and Mr. Albert Horner, Jr. will give piano solos on the program. Lieutenant Alexander Anderson will tell about his war experiences and his thrilling escape through Belgium into Holland from a German prison.

Tickets for this concert, Friday evening, May thirtieth, at eight o'clock, at the Tip Top Theatre may be obtained from Miss Edith Rice, or at the door that night. Prices are two dollars for reserved seat tickets, and one dollar general admission.

MISS RUTH ANDERSON UNDERGOES OPERATION

Miss Ruth Anderson, who accompanied her brother, Lieut. Anderson, to Kauai last Friday, suffered an acute attack of appendicitis last Saturday and was operated on at Lihue Hospital that afternoon by F. L. Putman, assisted by Dr. Young. The patient is reported as doing splendidly.

Mendes Demands Recount

The very close contest between Bettencourt and Mendes for the office of Supervisor for Kawaihau promises to run to a second and even more exciting chapter. Mendes claims that through carelessness or crookedness he has been defrauded of certain votes which properly belonged to him and which would give him the advantage over his rival, and accordingly he demands an official recount.

It appears that contrary to the usual custom, the official count was conducted with undue haste, so that it would have been very easy to make a slip of a vote or two. Altogether there were eighteen candidates running for the various offices, so that the official record sheet was necessarily a large one and in tallying the returns it would be necessary to jump from place to place on this sheet with the chance, if it were done hurriedly, that mistakes might be made. That it was done hurriedly is testified to by disinterested observers. One such, who attempted to tally the returns as called off by the chairman of the local election board, found that the calling off was too speedy for him, yet he is recognized as an expert in these matters.

There are also two votes which were thrown out by the inspectors of election because of irregularity of form.

Attorney P. L. Rice is taking up the matter in the interest of Mendes and has gone to town on the case.

In the meantime the bunch of possibilities in the way of votes cast in the case, are quietly reposing in a sealed official bag in the county clerk's office.

ELEEE NOTES

The big game of the season took place at Elelee Sunday afternoon when McBryde defeated Lihue out of sight, 9 runs to 3. The special feature of the game was the wonderfully clever base run of Edward Watase. There were some 1200 fans in attendance and they fairly went wild with enthusiasm.

The game at Makaweli was a very spirited one resulting in 8 runs for Makaweli against 6 for Koloa.

Mrs. Rae and child departed for the Coast by way of Nawiliwili to Honolulu on Tuesday last.

Mrs. F. A. Alexander left for Honolulu by the Kinaiu last Saturday.

Mr. D. Lyons is the proud possessor of a 1919 Buick.

Mr. H. H. Brodie has recently purchased a Briscoe car.

McBryde Sugar Co., under the supervision of J. C. Moura, have erected a large electric driven rice mill at Hanapepe. This mill will be able to handle all the rice grown in the Hanapepe valley. Under a new process, the chaff, which has heretofore been worthless, will be made into a fodder suitable for hogs and horses.

McBryde plantation ought to be successful. They have Jesus and Moses Caesar as locomotive drivers. Adam and Paul as cane weighers and Abraham and David working in the sugar room.

REPORT OF WESTERN UNIT

The Western Kauai Branch is still doing good work for the American Red Cross.

- Two boxes were shipped by Saturday's "Kinaiu" containing:

The "Hapai Ko" Contest

W. F. Sanborn, Fair Commissioner for Kauai, was in Lihue last Saturday afternoon. He is booming the "Hapai Ko" contest of the Territorial Fair, and wants Kauai to send a good team to Honolulu to compete with teams from the other islands.

It is Mr. Sanborn's plan to stage individual elimination contests on this island on the 30th of May. Each plantation is to send a team to the contest.

RULES OF CONTEST

1. Each island may enter one team.
2. A team consists of two (men or women). Both members of a team may load simultaneously or may act as helpers of each other as they see fit.
3. The cane to be loaded will be placed to imitate field conditions on an area 20 x 75, and loaded into a plantation side door car (or a crib built after the dimensions of this type of car). The side door is not to be dropped at the beginning of the loading.
4. The amount of cane to be loaded by each team is three tons.
5. "Broomings" or "pick-ups" lying on the field after the car is loaded m.v weight 60 pounds without disqualifying the teams.
6. The several teams shall compete simultaneously, starting at a given signal. The car having been loaded, the contest will end with dropping the "Hapai Ko" board on the ground.
7. A team may supply its own "Hapai Ko" board and the pieces of bagging used to hold the cane bundles.
8. The referee may decide any points not covered in the above rules.
9. It is not necessary for both members of a team to come from the same plantation.

FINAL DISPOSITION OF LIHUE STOCK

At length the Lihue stock suspense has come to an end. The Honolulu papers report that by private arrangement between the interested parties, the Cooke Estate people have surrendered the big block of Lihue stock, bid in by them at the alien enemy stock sale some weeks ago, and this stock will now pass to the American Factors.

It has been generally surmised that the reluctance, on the part of the alien enemy stock custodian to ratify the Cooke purchase, was due to a persistent suspicion of the loyalty of the Cookes, and the fear that they might transfer the stock back again to its original enemy owners. This, however, the local enemy alien agent denies.

With all the explanations, pro and con, and the denials as well, there is manifestly a good deal behind the scenes that is not yet explained, and that the general public is not expected to know.

About fifty invited guests, from Keakaha to Wainiha and way places, gathered at the home of A. Horner, Jr., at Kapaa, last Sunday afternoon for the purpose of meeting Lieut. Robert Anderson and Miss Peggy Center.

During the afternoon several spirited tennis matches were staged which were watched from the side lines by an interested audience. Later in the afternoon most of the guests took advantage of the opportunity for a dip at this delightful bathing spot. Delicious refreshments were served throughout the afternoon. "Jack" is a most genial host and every one present spent a most pleasant afternoon.

A new set of by-laws were unanimously adopted and a committee of two appointed to confer with the Lihue Tennis Club in regard to the amalgamation of these two boddies.

With new life instilled into it, the Bowling Alleys should again flourish and add much to the pleasure and recreation of its devotees as intended the generous donor.

To Whom It May Concern

Hearing that certain persons in Wai- mea District feel aggrieved at the valuations we placed on the government lands in Waimea village and valley, valued by us last May, and attribute them in some measure to the influence of Mr. Th. Brandt on our deliberations and blame him for the valuations,--we beg to inform such persons, that Mr. Brandt did not, in any way, influence us in determining our values, and as a matter of fact was emphatically opposed to them.

Mr. Brandt's idea was that a low, almost nominal, value be placed on such lots as had been occupied, for many years, by kamaainas. He so stated, in public, at the Waimea Court House, the day that persons interested came by invitation, and told us what they thought the lots should be appraised at.
