

The Garden Island.

ESTABLISHED 1904. VOL. 16. NO. 45.

LIHUE, KAUAI, TERRITORY OF HAWAII, TUESDAY, NOVEMBER 16, 1920

SUBSCRIPTION RATES, \$2.50 PER YEAR 5 CENTS PER COPY

ARMISTICE DAY IS FITTINGLY OBSERVED

The second annual celebration of Armistice Day has come and gone, and Kauai Post No. 2 of the American Legion is to be congratulated for having made it the great success that it certainly was. Mother Nature also did her part to make it a success by giving us the most glorious day of sunshine of the year.

The first event on the program was the game of American football between the Senior-Sophomore and the Junior-Freshman teams of the high school and resulted in a 7 to 7 tie. The Junior-Freshman made a touch down in the first half and the Senior-Sophomores made one in the second. It was a very good exhibit considering that the boys were entirely new at the game.

Tug-o-War.
At one o'clock the tug-o-war was pulled off with four teams participating. The first pull was between Kawaihau and Grove Farm, and was won by the former team in thirty seconds. The Lihue team then tried Kawaihau, but were also pulled across the line in about thirty seconds. Then Kawaihau went up against the Waima huskies who yanked them across in about fifteen seconds.

The mile relay footrace created quite a bit of interest. This event was won by Kawaihau-Bun Hee crossing the line for his team before his nearest competitor was in sight.

At two-thirty the Boy Scouts gave a very creditable exhibition of scout craft.

At three o'clock the ceremony of giving out the Victory medals took place. Unfortunately, a great many people missed this as they had gone to the polo field.

The horse races started at ten o'clock with the quarter mile for 3 year olds, which was won by John B. Fernandez' "Silver Dust."

The half mile open event was won by Fernandez' "Golden Spray", with J. M. Spalding's "Sky Maiden" taking second place.

The three quarter mile for Kauai bred ponies for the Spalding cup, was won by Tashima's "Tashima Boy", with Sakamoto's "Lady", who won the event on July 4th, taking second place.

The three eights mile open went to Fernandez' "Oneta", with Nekonishi's "Lady Fly" taking second, and Spalding's "Foot's Luck" third.

The three quarter mile open went to Fernandez' "Bridge Player", and second place to "Golden Spray", also owned by Fernandez.

The quarter mile open was run in two heats. Sakamoto's "Lady" winning the first heat over "Oneta", while "Silver Dust" took the second heat from Spalding's "Mamie." In the final race "Lady" won from "Silver Dust" by a nose.

K. ROENDAHL DEPARTS

K. Roendahl, for the past ten years manager of McBryde Store, has resigned his position and is leaving this afternoon for Honolulu, where he will make his future home. During his management McBryde Store has grown from a small plantation store to one of the largest wholesale and retail establishments on the island, with branches at New Mill, Kukuolona and Lawai.

He has also been active in the social and welfare work of the island, having served as treasurer of the Y. M. C. A. since its organization.

Mr. Robert A. Balester, formerly with Henry May & Company, has succeeded Mr. Roendahl as manager of the store.

PARROTT ON THE JOB

H. C. Parrott, the new Prohibition enforcement officer for Hawaii, seems to be a real live man, capable, efficient and active. During the month of October, in Honolulu, stills and booze were seized to the value of \$12,000 and twenty arrests were made. We wonder if it would be possible to bring over some of his initiative and efficiency to Kauai.

KAUAI DEFEATS CAVALRY POLOISTS

Lineup of Teams:
17th Cav.—No. 1, Lt. Stutsman; No. 2, Lt. Thompson; No. 3, Lt. Truscott; No. 4, Lt. Caldwell, captain. Lt. Gibbs. Am. Legion—No. 1, Foster Horner; No. 2, James Spalding; No. 3, M. Monsarrat; No. 4, Philip Rice, captain.

By a score of 6 to 2 the Kauai American Legion team won from the 17th Cavalry team on Armistice Day in a splendid game that was fast and full of thrills.

Two bad spills took place in this game, and that one of the players was not killed instantly seems to be nothing less than a miracle.

In the last half of the third period Philip Rice's pony fell with him, giving the rider a nasty fall in which, it later developed, he sustained a dislocated shoulder and torn ligaments. He continued playing, throughout the game, however, but is now carrying his arm strapped to his side.

In the last half of the fifth period Lt. Caldwell's mount went down with the rider underneath. The animal rolled over the rider twice before it could regain its feet. When the pony got up it was seen that Lt. Caldwell's left foot was caught in the stirrup. One of the other players grabbed the animal by the bit and held it while the unfortunate man's foot was released.

There probably was not a person among the hundreds who witnessed the accident that did not think the lieutenant was dead when his foot was released from the stirrup, and a great sigh of relief went up when he arose and walked a few steps. He sank to the ground again, however, after walking a short distance.

Dr. J. M. Kuhns arrived on the scene a moment later, and after a hasty examination, stated that he did not think there was any serious damage done.

After resting a while the injured man announced that he was all right, and with the assistance of John Malina, arose and walked from the field. He spent the day in bed Friday, but was able to attend the polo game last Saturday, and appears to have suffered no further injury than a strained tendon in his left knee.

Lt. Caldwell states that in the six years he has been playing polo, this is the first accident he has had.

Beside these two falls, there were two other players dismounted. In the first period Lt. Thompson's horse stumbled, and, although he was not thrown from the animal, he was forced to dismount.

At the end of the game Marcus Monsarrat got a tumble, also caused by his mount stumbling. No damage was done.

The cavalry team started the scoring when Lt. Caldwell shot a goal after 3 min. and 20 sec. of play.

In the second period Philip Rice, of the Legion team, tied the score with a goal after 3 min. 27 sec. Marcus Monsarrat shot another for the Legion in the middle of the third period.

Lt. Stutsman got two goals for the 17th in the fourth period in the fourth and sixth minutes of play, and Lt. Gibbs, who went in after Lt. Caldwell was injured, got another about a minute after.

The score was now 4 to 2 in favor of the 17th, but Rice cut it down one thirty seconds later. From then on the game was Kauai's. In the fifth period there was no scoring, but in the sixth James Spalding got one in the first minute and another in 3 min. 30 sec. Horner followed up with the last goal of the day 18 seconds before the whistle.

SATURDAY'S GAME

Lineup of Teams:
17th Cav.—No. 1, Lt. Stutsman; No. 2, Lt. Thompson; No. 3, Lt. Truscott, acting captain; No. 4, Lt. Gibbs. Kauai—No. 1, C. A. Baggott; No. 2, M. Monsarrat; No. 3, James Spalding, acting captain; No. 4, Foster Horner.

17th Cavalry 10, Kauai 13.

In this game the lineup of the teams were somewhat different from that of Thursday's game, owing to the disability of Lt. Caldwell and Philip Rice.

For the 17th, Lt. Gibbs played back, (Continued on Page 8)

LAST SUNDAY'S SOCCER GAMES

In what was, without doubt, the hardest fought game of this season's soccer series, the McBryde team suffered a whitewash at the hands of the Lihue team at the latter's grounds last Sunday, by a score of 4 to 0.

Though the Lihue boys whitewashed the visitors, they had to extend themselves to the limit every minute of the game to do so. No goal was made but what was duly earned by the hardest kind of play, as the McBryde boys were on the job every minute and saw to it that Lihue did not get anything but what they worked for.

There was lots of splendid kicking and passing on both sides, and the defence put up by both teams was good to see.

On the side of the visitors, the work of Sinclair and Glaisyer was of exceptional brilliance. The greatest weakness of the visitors was their inability to shoot goals when the opportunity offered.

The Lihue team worked like a well-oiled machine, and though they were continually being penalized for being off side—an old weakness of which McBryde took full advantage—they made up for it by their superior ability to kick hard and to place their shots.

It was in the middle of the first half before Lihue scored, and the ball was in Lihue territory most of the time. Then Lihue, by several neat passes, got the ball into McBryde ground and Makani shot the ball through by a well placed angle shot.

About ten minutes later, during a scrimmage in front of the McBryde goal, Captain Kuhlmann boosted the ball through for Lihue's second point.

After ten minutes of play in the second half, with the ball in front of McBryde's goal, Kuhlmann made a pretty pass to Hutton, who carried it down the field and shot number three goal. Again, in the middle of the period, Makani shot his second goal for the day, during a scrimmage near the McBryde posts.

Though both teams were fighting hard, the game was absolutely clean, and what few fouls Referee Fern called, were purely accidental.

Referee Fern was on the job at all times; his decisions were prompt and to the point, and were accepted without a murmur by everybody.

Word from the Makaweli-Koloa game at Elele is that that was also a very fine game, with Makaweli nosing out 1 to 0. Makaweli played with one man short.

NEXT SUNDAY'S GAMES

Next Sunday's games will be between Makaweli and Lihue at Elele, and McBryde and Koloa at Koloa. Makaweli vs Koloa.

THEY BELONG TO THE COMEBACK CLUB

Arriving this morning by the Kinau were Mr. and Mrs. J. P. Clapper and two children, formerly of Lihue, but who have been residing in Oakland, California for the past two years. Mr. Clapper is to be identified with the Waima branch of the Lihue Ice Works.

KAPAA NOTES

Eddie Fernandez' collection of fortune tellers, magicians, "hot-dog" manufacturers, etc., are in Kapaa, and judging from the throngs that jam "Happyland" every evening, the show is a huge success.

F. R. Tracy, for many years a homesteader, has disposed of his homestead property to the Chang brothers of Hanapepe, and will henceforth devote himself entirely to his construction business.

A new building with a seventy-five foot front to contain three stores, and located next to the Bank of Kauai, will be started this week by contractor Tracy. The Kauai Drug Co., Dr. Chang, and a modern haberdashery will occupy it when finished.

Dr. F. C. Mighton, Chiropractor, leaves tonight for Hilo, where he will establish another branch office, placing Dr. Elton B. Jones in charge. Upon his return from Hilo in the early part of December, Dr. Mighton intends sailing for the Coast.

A GOOD TIME AT THE SMOKER

The smoker given by the American Legion in honor of the visiting 17th Cavalry officers and men last evening at the Lihue Armory, was a most successful affair, and was enjoyed by a lot of good fellows who came by invitation from all parts of the island.

The program of entertainment was excellent, consisting of music, recitations and several good bouts of boxing and wrestling.

The first number on the program was a bit of jazz by the only Alapaki smitin. This was followed by a four round go by Abe Aitoi and Joe Gans, and resulted in a draw after much lanning of the air.

After Jack Horner had pegged the guests with a song well sung, a crack boxing wrestling bout was staged by Sam Penoku and "Twin-Six" Moses, the diminutive rickshaws of Nawawin. Penoku is a good wrestler, and he is still feeling the effects of the kassing he got in France.

Moses put up a great scrap against his larger antagonist and at one time all out had his man down. Finally, in the second round, Penoku got Moses with a full nelson.

After Alapaki had shown the assemblage how to make a uke talk, another natic bout between John L. and Stash, took place. John L. finally decides that the mat is the place for him, so he goes down and lets referee Chillingworth count him out.

The next number was a "pome" by K. B. Morgan, after which an exhibition wrestling match took place between Louis Rego, champion of Kauai and Maui, and his trainer.

Smith and Horner then rendered some music, and "Jack" told how Columbus happened to discover America.

The boxing bout between Ernest Heine and Maximo was the main event of the evening. They put up three fast rounds that ended with honors even. These two men are to be the main attraction at another smoker to be held in the latter part of December.

At the end of the program refreshments consisting of salad, sandwiches and coffee were served.

An affair of this kind about once every month or six weeks would fill a long felt want in this community. There is not enough opportunity to get together in this free and easy manner.

MODERN DRUG STORE TO OPEN AT KAPAA

Realizing the need of a modern drug store with up to date facilities on Kauai, Mr. J. C. E. Taber, recently manager of the King Street branch of the Hollister Drug Co. of Honolulu, and Mr. C. L. Lienau, also until recently employed by the same firm, will cater to this need by opening for business this week the Kauai Drug Company located in Kapaa.

The company, pending the erection of their permanent home next to the Bank of Kauai, will do business in temporary quarters in a building opposite the Bank. They will carry drugs, drug sundries, Eastman Kodaks and toilet preparations of the best and leading manufacturers, and will also install a modern soda fountain in their new building.

The people of Kauai, as well as of Kawaihau, are promised a drug store that will do credit not only to Kapaa but to the island of Kauai in general, as both Mr. Taber and Mr. Lienau are experienced men in the drug business, both in Honolulu and on the Mainland. Mr. Taber is a graduate of the Minnesota College of Pharmacy, and Mr. Lienau is a pharmaceutical graduate of the University of California.

W. M. Mitchell, for years the popular purser of the Mauna Kea, on the Hilo run, is to have charge of the Ahukini landing, according to an interview in the Hilo Herald. Mr. Mitchell has a wife and two children.

Miss A. Satterthwaite, private secretary to Alex. Hume Ford, has been spending a week on Kauai as the guest of Mrs. W. A. Bowen, of Hanamaulu. She returns to town today.

H. D. WISHARD TELLS OF MAINLAND

Mr. H. D. Wishard talks very entertainingly and interestingly of his vacation observations on the Mainland. He and Mrs. Wishard spent two months in Oakland from which they made interesting motor trips through California and then spent another month in the East.

One of the most interesting of these trips was to Lake Tahoe in the high Sierras. Following the line of the railway they went from Sacramento to Colfax and then up to Summit where, most of the year, is buried in snow, and where about the middle of October they experienced a snowfall of 31 inches. From here they dropped down through the magnificent scenery of the Sierras to Truckee and thence up the Truckee river to Lake Tahoe.

The thing which surprised him most was the scarcity and difficulty in securing gasoline. Only two gallons could be secured at a time, or only just barely enough to take you on to the next station. You would have to take your place in line, a line of a mile long perhaps and creep up gradually to the lower station, only to find sometimes that the supply had given out just before it was your turn, and you had to wait till the next day.

Of course everywhere the air was filled with politics, and he took particular notice that you never saw or heard a democrat. Ninety per cent of the business men, the traveling men, the live men were Republicans. The election was a foregone conclusion long before the second of November came.

He found that almost no one had any use for the European League of Nations for America. The wisdom of Washington's advice to keep out of European entanglements is the wisdom for us, and none but interested parties, for their own purposes, have any other point of view.

The Wishards took their own car with them, and armed with the Motor Club maps and detailed instructions, found no difficulty in getting about through the country with perfect ease,—that is, when they could get gasoline enough.

DOINGS IN THE COURT

In the case of the two Filipinos, Flores and Pengan, assailants of Deputy sheriff Lovell and his force some months ago, the charge has been reduced from assault with a dangerous weapon to simple assault and battery to which they have pleaded guilty. They will be sentenced later.

The case of E. Callistro, Filipino, charged with rape, has been disposed of, he being found guilty and sentenced to a fine of \$350 and costs, and imprisonment for a term of not less than three years nor more than twenty.

The Claudius McBryde case came on this morning and was quickly disposed of by the defendant pleading guilty to the charge of assault and battery. He was given a suspended sentence for 13 months pending good behavior.

POLOISTS SHOOT GOATS

Sheriff Rice took the visiting 17th Cavalry officers goat shooting at Kapiolani last Friday. They got twelve. The sheriff says he held the horses while the others rounded up the goats.

Miss Ethel Damon returned to Kauai by the Lurline, accompanying Miss Elsie Wilcox.

Lihue Union Church

Sunday School 10 A. M. The regular church service 11 o'clock. Rev. U. G. Murphy, for fourteen years missionary in Japan, under the Methodist Protestant church, but now loaned to the American Bible Society, is in the island in the interest of the extension of "The Book." He will speak at the morning hour upon, "A Biblical Program for the World." Your presence is solicited.

R. W. BAYLESS, Pastor.

L. D. TIMMONS PASSES AWAY

L. D. Timmons, well known on Kauai, and formerly editor of the Garden Island, died at the Queen's Hospital, Honolulu, last Saturday at the age of 46 years.

Mr. Timmons, at his best, was an excellent newspaper man by native ability, education, and experience. Personally he was a man of much charm—gracious, courteous, and chivalrous—a fine example of the Southern gentleman. He belonged to a fine old family of South Carolina, and he retained much of the old family tradition in his makeup. His death will be a loss to the newspaper fraternity of Honolulu and to many admiring friends.

JAPANESE NEWSPAPER MAN VISITS ISLAND

Mr. K. Kawamoto, manager of the Daily Nippon Jiji, of Honolulu, has been spending a few days on Kauai. For long years a resident of the Territory, this is his first visit to this island with which he is very favorably impressed.

The Nippon Jiji is the influential Japanese paper of the Islands with a larger circulation, perhaps, than any other paper here.

Mr. Kawamoto is a man of superior intelligence and well abreast of the newspaper and publishing business in all lines.

COURT IMPROVEMENTS

Judge Achi finds that the work has increased so much in all departments of the Circuit Court that a single clerk can no longer handle it. So he has secured from the Board of Supervisors the necessary funds for a temporary assistant clerk to act as librarian and court reporter. Consequent to the resignation of K. C. Ahana it has been necessary to bring over a stenographer from Town, which is very expensive, so that it is economy to have such an assistant as he has secured in the person of J. C. Cullen. The Judge will apply to the legislature for the necessary appropriation to make this office permanent.

The Juvenile Court work is increasing to such an extent that it is both necessary and advisable to have a regular probation officer to attend to it. The other islands have such an officer and we ought to have one here. Such an officer could go about the island investigating the cases that come up, settling many of the difficulties, and disposing of many of the cases. The Judge will apply to the legislature for such an officer.

The Kauai Circuit Court is very seriously handicapped for lack of a Court Library. An important case is often held up and a trip sometimes has to be made to Honolulu, to secure the necessary information to go on with it, because some decision cited by counsel cannot be found in our meagre library. The Judge thinks that \$3000 will furnish such a library as he has in mind.

The Kauai Circuit Court is very seriously handicapped for lack of a Court Library. An important case is often held up and a trip sometimes has to be made to Honolulu, to secure the necessary information to go on with it, because some decision cited by counsel cannot be found in our meagre library. The Judge thinks that \$3000 will furnish such a library as he has in mind.

CHAMP KINJO TO MEET LOCAL WRESTLER SATURDAY

Kinjo, the wrestler, who has successfully defended his title against all comers for the championship of the Territory, will arrive on Kauai Friday morning in response to a call from promoter Chillingworth, who has arranged for a match between Kinjo and the local champion, Louis Rego, for next Saturday evening, probably at the Armory.

THE ARMISTICE DAY DANCE

The American Legion dance at the Armory, Lihue, on Saturday evening was a decidedly pleasant affair and a most fitting close to which ladies were admitted to the festivities sponsored by the American Legion. The music for the occasion was furnished by Alapaki Smith.
