INDOOR BASEBALL

The Chinese practically cinched the pennant in the indoor baseball league when they defeated their strongest contenders, the Japanese, Monday night at the armory by the score of 9-4. The Japanese started out as if they were going to make a run-away race of it by making one run in the field first and two in the second while they were holding the Chinese scoreless. The Chinese started after the Japanese pitcher in the sixth and seventh innings, making six runs each. After this the issue was never in doubt, as Kenneth Hee tightened up and held them safe.

The big surprise and the best game of the season was the first one Monday evening in which the Legion defeated the Hawaiians by the score of 11 to 10, but taking thirteen innings to do it. This was by far the best game of the season and it kept the crowd on their toes the whole time.

SOCCER FOOTBALL

Standing of Clubs.

	P.	W.	L.	T.	Pts
McBryde	4	1	0	3	5
Lihue	4	1	0	3	5
Makawell	4	1	2	1	3
Koloa	4	0	1	3	3

McBryde 1—Lihue 1.

The battle for the first place in the Soccer league still is a tie after the leaders met last Sunday. Lihue and McBryde battled to a one to one tie at Eleele with the Scots doing all the forcing. Time after time the McBryde battled a one to one tie shadow of the Lihue goal posts only to have a Lihue back boot it out of danger or else the McBryde forwards would get over anxious and miss an easy chance.

Lihue was the first to score, Jamieson receiving the ball from Fernandez after the Lihue forwards had brought the ball down the field in a pretty bit of passing and booting it through.

McBryde scored just as time was up in the first half from a corner kick that got away from Christian.

All during the second half McBryde kept the Lihue team in hot water and the ball was almost continually in Lihue territory. Lihue forwards had little to do and finally came back and assisted with the defensive work to keep the Scots from scoring.

McBryde's forwards and halves all starred in the game and the full-backs and goal had very little to do.

Lihue's full backs and goal were kept very busy and played fine football. Lihue forwards when they did get the ball kept McBryde busy but Lihue's weak point was in the

half backs who did not show enough offensive work but seemed content to play defensive. If the half backs had been on hand to pass the ball to the forwards when the Lihue backs would kick out of danger the Lihue forwards might have made a better showing. A little more training in backing up the forwards is needed by the Lihue half backs.

Makawell 2—Koloa 1.

Makawell won its first game when it sent Koloa down to its first defeat last Sunday. This puts both teams on an even footing for the cellar championship. The game was clean throughout and was in doubt up to the last minute when Makawell braced up and shot the winning goal through. Both teams played clean, hard football but a heavy rain prevented them from playing their best. Waiatale was the star for Koloa while Joe Bedell was the Makawell star.

GAMES NEXT SUNDAY

Koloa vs. Lihue, at Lihue.

Makawell vs. McBryde, at McBryde.

Koloa will tangle with Lihue at Lihue and although the Koloa boys lost last week to Makawell, they are not discouraged but will come right back to battle with the leaders. Lihue is out to win as they believe that Makawell will give McBryde a good battle and they will have an opportunity to step to first place.

Makawell meets McBryde at Eleele and is out for blood. They claim that they are well started now and they are on their way to the top. The last victory of McBryde over them does not bother them as they claim that they did not have their full strength in the field. With Jimmy Carmichael and Marcellino back in the game they expect to make the Scots take the short end of the score for the first time this season. McBryde realizes that they will have to extend themselves to win and do not intend to be caught napping.

WAIMEA SMOKER

A big three-ring smoker will be held in Waimea on January 14, at the Waimea hall.

Four three-round bouts between glove champions of Eleele, Kekaha, Makawell and Waimea are on the list. One five-round heavyweight bout between Pedro of Kekaha and Alfonso of Makawell promises to be an active one.

Tight-wire walking, Japanese wrestling matches and fencing duels between district champions will also be features of the evening.

The cap of the smoker will be the battle royal for a \$25 purse. No limit as to weight, height, age, race, temper or previous condition of servitude. The last man standing gets the \$25. This last will be refereed by three officials. The entire performance will be under the management of the Waimea Pep Club of the Y. M. C. A.

School Notes

KAPAA SCHOOL

Miss Elsie Wilcox, school commissioner, Miss B. Hundley, supervising principal, Mr. Pugh, vocational supervisor, and Charles Loomis, of the Y. M. C. A., of Honolulu, were visitors last week.

A new course of study is being planned by the board of education which will be tried out on every island, and our school has been selected to undergo the initial test. The new course will be a study of the various lines of industry in the Hawaiian islands.

Examinations were completed last week and we made a rather fine record during one of the examination days, when twelve of our twenty-one rooms showed a perfect attendance. Our enrollment is now 734 compared with 691 in September.

The cup given by the Kanaai Chamber of Commerce for winning the boys' playground ball championship this year, arrived last week, beautifully engraved.

The play given on December 3rd netted our school a profit of approximately \$175.

Our kitchen is running along in order and will return a profit for the "stockholders" at the end of the term. These profits have enabled us to buy 283 pounds of candy and 900 apples for Christmas.

That new gate of ours now has a coat of black paint.

The Misses Schuchholz, Murphy and Irvin are planning to tour the Island of Hawaii and take in the volcano at Kilauea during the coming vacation. Madame Pele will no doubt welcome their visit and might even entertain them with some special fireworks.

Miss Brady intends to entertain some of her Honolulu friends at home. Miss Alice Wong will visit her parents in Honolulu, and Mr. Prigge has stated that he is going to fish for big game along the shores of Anahola.

WAIMEA SCHOOL

Rev. Royal G. Hall addressed the Junior high school Wednesday at 9:30. His subject was "Lessons From the Life of Theodore Roosevelt."

The following teachers expect to spend the holidays in Honolulu: Mrs. Sneed, Miss Fryer, Miss Weller.

Miss Barlow will go to the moun-

tains as the guest of Dr. and Mrs. George B. Tuttle. Mr. and Mrs. Sessions will spend a few days at the mountain home of Mr. and Mrs. T. Brandt.

Rev. Carver will deliver the Christmas speech on Friday, after which the following program will be given: Song and Recitation—Grade 1. Recitation and Songs—Rec. A. Christmas Song—Grade 5-A. Recitation by all "Away in a Manger"—Grade 5-A.

Recitation, "What Christmas Is"—Grade 5-B.

Song, "Noel," by class—Grade 5-B. Playlet, "The Guiding Candle"—Grade 4-A.

Recitation and Song—Grade 3-A. Recitation and Song—Grade 2.

Song "Come Hither Ye Children"—Grade 4-B.

Song, "Hark the Herald"—School.

GIRLS BASKETBALL

The basketball season for the Kapaui high school girls began with enthusiasm last Thursday in the armory when enough candidates for eight teams came out for practice. The present sophomore class holds the trophy but they will find in the other classes three teams who are determined to capture it, if numbers and zeal are any indication. It may be necessary however to organize in the school a second league consisting of teams other than class teams in order that every girl who wants to play basketball may have the opportunity.

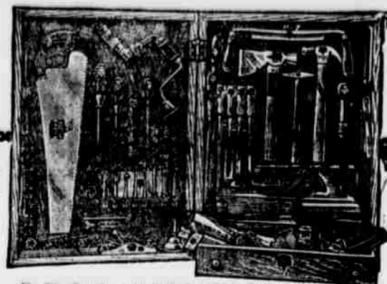

AT HANAIEI

Two nurses, evidently finding time upon their hands, betook themselves to Hanalei beach last Tuesday.

One of them having succumbed to the soothing ripples of the water went off to sleep in the car. The air doubtless had a contrary effect upon her companion, who being invigorated by the ozone decided upon a more active recreation, and taking advantage of her friend's slothfulness, entered the tempting surf to swim. She had not ventured out very far before she heard several cries of warning from the wharf, and signals being made for her to come out of the water. It was learned that a shark had been sighted in the vicinity. Meanwhile, her friend was sleeping, and was astonished to see the dainty white face of her companion upon awakening and to learn of the recent danger.

It would be amusing to know how this episode appears in their reports! Same might create some interest at the next Social Service workers meeting.

Fine Tools in a Cabinet

No. K7—Complete with 50 Highest Grade Tools, etc.

The short cut to a fine collection of tools—to a real Christmas gift—is to buy a Keen Kutter tool cabinet. Here are all the highest quality tools to do any kind of work and a place for every tool so it can't get loose and nick fine edges.

KEEN KUTTER Tool Cabinets

represent the only line of guaranteed tools. Every tool carries the specific Keen Kutter guarantee just the same as the Keen Kutter tools bought separately. Every tool must be exactly as you desire or money back. All Keen Kutter tools are of one quality—the very finest produced. Prices vary according to the number of tools and size of cabinets.

Best Paint Covers This Far

Cheap Paint Goes This Far

Which Paint--Costs Less?

Note how the best paint spreads easier and covers more square yards than cheap paint does. Figure in the extra gallons cheap paint that you must buy and the extra cost of application.

It means that cheap paint costs just as much as good paint on the house.

The best paint then gives five or more years' protection to your property investment. Cheap paint, on the average, starts cracking in twelve months. Which paint costs less?

The best material—PIONEER WHITE LEAD, pure linseed oil, zinc and color—are combined with

long-time skill, in scientifically exact proportions.

The white lead base used by W. P. Fuller & Co. must pass through a silk screen with 40,000 meshes to the square inch. A patented purifier makes it "whiter," so Fuller paints are exceptionally clear-toned. The paint when finished and applied on the house is a beautiful, elastic, tough, protective coating.

Such paint costs but a trifle more to buy per gallon and is five to ten times more economical in service.

Don't allow surface to rot. It costs less to paint them.
