

# The Garden Island.

ESTABLISHED 1904. VOL. 18. NO. 16.

LIHUE, KAUAI, TERRITORY OF HAWAII, TUESDAY, APRIL 18, 1922

SUBSCRIPTION RATES, \$2.50 PER YEAR 5 CENTS PER COPY

## Automobile Club Plans A Run To Haena and Hanalei

The roads and tours committee of the Kauai Automobile Club announces that the first official trip of the club and its members will take place on April 30, the last Sunday of this month. A ripping good time is being planned and every member of the club and his family is urged to make the trip.

The tour will be to Hanalei and Haena. It is planned for the members to leave their homes so that they will arrive at Hanalei beach at 10 a. m. After taking in the beauties of that district, possibly taking a little dip in the ocean, the whole party will go together to Haena and the caves.

To make the trip interesting and instructive, the club is arranging with J. M. Lydgate and W. H. Rice Sr., to give some informal talks on the local history and myths.

This side of the island furnishes some of the best scenery in the entire territory. That, coupled with the talks by men that know the country and the general get-together picnic air that will accompany the party, will make an ideal day's outing. Every member must keep this date open and plan to go.

## GOOD MEETING OF KAUAI CHAMBER OF COMMERCE COMING

The regular meeting of the Kauai Chamber of Commerce will be held at the Waimea Hotel on Thursday evening, April 20. It will be preceded by a dinner at 6:30 o'clock. All members of the chamber are urged to be present and enjoy a good feed and a peppy meeting.

Several important matters are to be brought up at that time. The board of harbor commissioners has asked for recommendations as to the place of locating wharves and piers at Nawiliwili. This matter will require much careful attention and the best judgment of Kauai's kamaaina's and the government experts. Anyone who has ideas on the subject should come prepared to give them.

The board is also asking the chamber how much tonnage comes over this wharf, how a new wharf such as we are to have will affect tonnage, etc. This will give the chambers mathematical and statistical experts a chance to get in their hands.

The University of Hawaii dramatic club wants to bring their latest theatrical production to the Garden Island under the auspices of the chamber. Do we want them or not? This matter will be decided on Thursday night.

The Los Angeles Chamber of Commerce is thinking of sending a delegation to Kauai in June or July. It wants more information. What shall we tell them? Come prepared to instruct the secretary on this matter, too.

The Chamber of Commerce of Honolulu is investigating our taxes. It wants a good committee from Kauai to help. What shall this committee report? Who shall be on the committee. That will be settled Thursday night.

There are other important matters to be brought before the meeting. All members should plan, without failure, to be at Waimea Thursday night and enjoy a good feed and an interesting meeting, or if they put that off too long, call him on the telephone and have him reserve a plate for them.

## KAUAI MASONS TO HOLD MEETING ON TUESDAY NIGHT

The Kauai Masonic Club will hold a meeting at the Kauai high school on Tuesday evening. A dinner furnished by the domestic science department of the high school will precede the regular meeting.

Plans for the installation of a Masonic blue lodge on Kauai will be discussed. T. H. Petrie, a thirty-third degree Mason, and deputy of the Ancient and Accepted Scottish Rite for the territory will be present, as will Walter R. Coombs, another thirty-third degree Mason and master of the Honolulu consistory, who was in charge of the Easter program held at the Tip Top Theater Sunday afternoon.

All Masons on Kauai are invited to attend this meeting.

## AUTO NUMBERS ARE HERE

K. C. Ahana, the county treasurer, announced that he has received part of the new numbers and that he expects the rest of them on today's boat. Already a few of them can be seen on the road, being of white letters on a green background. All of the Kauai numbers will be from forty thousand and up.

## Public Invited to The Legion Ball

The stage is all set for the Legion's "Night in the Orient" Ball that is to be held at the Lihue armory next Saturday evening.

Owing to the fact there are some rumors floating around that only Legion members were to attend the dance, the committee wishes to announce that the public is invited and to insure the fact that everyone can attend, there will be fifty extra tickets on sale at the door the evening of the dance. This was done as it was believed that many had not tried to buy tickets as they were under the impression that the party was for Legionnaires only.

It was first decided to limit the number of tickets to 200, but the demand has been so great has opened up the sale of the 50 more which will be placed on sale at the door. To sell these 50 tickets it was necessary for the decoration committee to change their plans materially as they had planned decorations that would take up considerable floor space. Now these will be done away with and it will make room for additional couples.

The change in the decoration scheme will not change the original plan of making the armory into an oriental court but will necessitate the elimination of original plans for seating the crowd.

Work on the pageant is practically complete as the committee on costumes turned in the last one to the chairman, James Borrero, this morning. The dress rehearsal will be held at the armory on Friday evening and all members of the cast are urged to be present.

Frank Timberlake's crew of decorators were busy until late last night and have all the special lighting effects complete. Tonight the first part of the draperies will be hung and will take practically the rest of the week to complete this work. A crew of carpenters under the direction of Jack Hansen and Frank Pugh have been busy with the necessary alterations.

Alapaki Smith and his music boys have been busy practicing and report that they will be at their best on that evening. Today's mail brought several of the latest song hits from the coast for the orchestra's use.

## FRIEDEDICH SCHUMACHER DIES OF HEART FAILURE

Friederich Schumacher, for many years a resident of Lihue, died at his home Sunday morning of heart failure. He was 54 years old. He was born May 5, 1868, in Jacobidreber, Hanover, Germany, and was married February 8, 1891, to Wilhelmina Braun.

Mr. Schumacher is survived by seven sons and two daughters. All are living on Kauai with the exception of Herman, who lives on Maui, and George, living in Berkeley, California. His wife died two years ago, following a somewhat extended illness and operation.

Mr. Schumacher has been a luma on the Lihue plantation for 33 years and was a faithful and respected workman and his loss will be keenly felt by his family and many friends on Kauai.

Funeral services were held yesterday afternoon at 5 o'clock, Rev. J. M. Lydgate officiating. Interment took place at the German cemetery.

## MALAHAT GOES TO HONOLULU TODAY

The schooner Malahat, that has been discharging a cargo of coal at Ahukini for the American Factors, has completed unloading and will sail for Honolulu this afternoon.

The Malahat attempted to enter Ahukini harbor without a pilot and went on the reef and remained there for 12 hours on Wednesday, April 5. It took the combined efforts of the Claudine, the Likelike and the Malahat's own engines to take her off.

The Inter-Island entered a bill for \$15,000 for salvage, and attached the Malahat for the bill. This has not been settled as yet and it is not known whether the Malahat's owners will take the case to the admiralty court or not.

The Claudine will tow the Malahat out of the harbor and from Ahukini the schooner will proceed to Honolulu where she will go in dry dock to determine the damage done while on the reef in the local harbor.

## SCRIBNERS HAVE FINE DAUGHTER

A six and a half pound baby girl was born Sunday morning at 9 o'clock to Mr. and Mrs. C. W. Scribner at Lihue. Mother and daughter are getting along nicely. The proud father is marching around passing out cigars to friends and foes alike. He says "She looks like her daddy."

## IMPRESSIVE SERVICES HELD AT LIHUE BY MASONS

The beautiful and impressive services incident to Maundy Thursday and Easter Sunday, known to Masons of the Orient and Accepted Scottish Rite, as those of extinguishing and relighting the lights, were exemplified for the first time in full form during the past week by the Scottish Rite Masons of Kauai, the former taking place at the hall of the Mokihana Club on Saturday evening.

The rite here in the territory is under the jurisdiction of the Supreme Council of the 33rd Degree for the southern jurisdiction of the United States, which is known as the moth-

WALTER R. COOMBS 33<sup>d</sup>  
Master, Honolulu Consistory

er and the latter at the Tip Top theater on Sunday afternoon. The ceremonies on Saturday evening were confined to the members of Rose Croix only, composed of Scottish Rite Masons of the 18th degree, while at the Sunday services all Masons with their families and friends were invited to be present and participate. Both services were conducted by Past Wise Master Walter R. Coombs of Honolulu Chapter of Rose Croix, who was assisted by Brother T. H. Petrie and Horace W. Vaughan, also of Honolulu, and Brothers R. W. Bayless, A. G. Hutton, Rufus Hagood and Frank Cox of Kauai.

These particular ceremonies of extinguishing and relighting the lights, form a component part of the ritual and teachings of the Orient and Accepted Scottish Rite, applying to those brethren who have attained the 18th degree and wherever Scottish Rite Masons of this degree may be located throughout the

## S. N. HUNDLEY POI DINNER

The members of the Scottish Rite Masons on Kauai, had one of the finest treats of their lives last Sunday night when they sat down to a very elaborate and luxurious poi dinner at the hospitable home of Samuel N. Hundley. Mr. Hundley recently went up the Scottish Rite and thru the Shrine and is so well pleased with the work that he wanted to share his contentment with his brethren. Descriptive language fails us when we begin to try and tell of the sumptuous meal which he had prepared for the hungry.

Soon after the first wire edge of hunger had begun to be appeased, toasts, in rapid fire succession, were offered to the generous and youthful host. The feast was given in honor of the visiting brethren from Honolulu, Walter R. Coombs 33<sup>d</sup>, master Honolulu consistory, T. H. Petrie 33<sup>d</sup>, deputy, Ancient and Accepted Scottish Rite for Hawaii and Judge Horace W. Vaughan 32<sup>d</sup>.

## EVANGELICAL ASSOCIATION

The regular semi-annual spring meeting of the Kauai Evangelical Association will be held in the Hawaiian church at Lihue, Friday and Saturday of this week. An excellent program has been prepared and a good meeting is in store for the delegates and those who care to attend.

world they gather together at this particular season of the year to renew and cultivate those true sentiments of fraternity which lie at the foundation of the Masonic order. And so here in the Territory of Hawaii similar services to those held here in Lihue on Saturday and Sunday last were being observed by the Masons of Honolulu, Kahului and Hilo.

The rite here in the territory is under the jurisdiction of the Supreme Council of the 33rd Degree for the southern jurisdiction of the United States, which is known as the moth-

T. H. PETRIE 33<sup>d</sup>  
Deputy Ancient and Accepted Scottish Rite for Hawaii

er council of the world, there being thirty supreme councils in all established in the different countries of the world. The direct representative of the supreme council for this territory is Prother T. H. Petrie, an honorary member of the council, and the members here on Kauai expressed themselves as fortunate in having him here at this particular time to assist them in the services.

The following address was delivered by Judge Horace W. Vaughan, 32, at the Masonic Easter services at the Tip Top Theater last Sunday afternoon:

**LIGHTING THE LIGHTS EASTER SUNDAY MORNING**  
Masonry teaches toleration and seeks to unite good men of all faiths as brothers in favor of toleration and

## J. H. CONEY CHINESE DINNER

Senator J. H. Coney was the host last night at a Chinese dinner at his beautiful Niunulu home in honor of Judge H. W. Vaughan, W. R. Coombs and T. H. Petrie, visiting officers of the Honolulu chapter, Rose Croix No. 1, Masonic order. He was assisted in entertaining by his son and daughter, Mr. and Mrs. A. G. Hutton.

After the dinner, consisting of innumerable dishes of the very choicest of Chinese food, dancing, progressive bridge, music and clever stories of Chinese and Hawaiian customs and names, told by Senator Coney, completed a most enjoyable evening which grew late all too soon.

The guests present were Judge H. W. Vaughan, W. R. Coombs, T. H. Petrie, Mr. and Mrs. Frank Crawford, Mr. and Mrs. Ralph Carlingshouse, Mr. and Mrs. Frowbridge, Mr. and Mrs. Elliot Wood, Mr. and Mrs. A. G. Hutton, Miss Clara Coney and Miss Murphy.

## GRANTED LEAVE OF ABSENCE

County Clerk J. M. Kaneakua has been granted a two months leave of absence by the board of supervisors. He will leave for Honolulu the latter part of the month where he will devote himself entirely to the business of resting and forgetting the duties of office.

## PERSONALS

Clarence H. Cooke, of Honolulu, was an arrival by the Claudine this morning.

A. Horner, territorial sugar expert, arrived on Kauai by the Kinau last Wednesday morning.

R. A. Backus, salesman for the Hawaiian Electric Co., paid a visit to Kauai last week.

Manuel Costa, manager of Kekaha Store, returned Wednesday from a brief visit to the metropolis.

Mrs. Paul R. Isenberg came over from Honolulu this morning for a brief visit with friends on Kauai.

John Neill, father of Mrs. R. D. Moller, of Lihue, departed Friday for a month's visit to Honolulu.

Mrs. Mary Duarte and Master Duarte, of Elele, returned from Honolulu by the Kinau last Wednesday.

Jack Rosemond, salesman for Lewers & Cooke, arrived from town by the Claudine this morning.

E. L. Damkroger of Makaweli went to Honolulu last week to attend the conference of welfare workers.

F. E. Jensen, luma for McBryde Sugar Co., returned from a visit to Honolulu Friday morning.

Mrs. Y. T. Lai, principal of the Anahola school, returned from Honolulu this morning.

H. L. Jackson, of E. O. Hall & Son was an arrival by the Claudine this morning.

Mr. and Mrs. A. B. Braue of Port Allen returned from Maui via Honolulu this morning.

Mrs. A. H. Waterhouse of Koloa departed on the Kinau last Saturday afternoon for a weeks visit in Honolulu.

Harry A. Moier, head carpenter for McBryde Sugar Co., returned from Honolulu by the Claudine this morning.

United States Marshal Oscar P. Cox came over from Honolulu this morning to accompany the ship Malahat to Honolulu.

F. J. Dollinger, principal of Kauai high and grammar school, returned from Honolulu this morning, where he has been attending a meeting of high school principals.

Frank Cook, board of health agent for Kauai, returned Wednesday morning from a brief business visit to Honolulu.

George T. Angus, director of Theo. H. Davies & Co., Ltd., spent a few days on Kauai last week, arriving Wednesday and departing on Saturday.

Mr. and Mrs. David Kamiaopioli of Port Allen, announce the birth of a daughter, in Honolulu, on April 9th. The little lady's name is Helen Kaleihuaameleme.

John F. Rapoza, the new postmaster of Kapaa, returned from Honolulu by the Kinau last Wednesday. He has been attending the school for postmasters.

Walter E. Eklund, von Hamm-Young's live wire representative, visited Honolulu a few days last week. He returned by the Kinau Wednesday morning.

W. H. Balthis, of the Bank of Hawaii, at Lihue, returned last Wednesday from Honolulu where he participated in the recent tennis tournament.

Ferdinand Hons, vice president of the I. I. S. N. Co., paid a visit to Kauai last week. He arrived by the Kinau Wednesday morning and departed Saturday afternoon.

Dr. C. A. Southwell, dentist for the board of education, returned from Honolulu last Wednesday, where he has been spending the Easter vacation. He has purchased the dental office of the late Dr. M. E. Grossman, in Honolulu, and will go to that city next July and take up his practice.

Mrs. J. D. Mercer, of Los Angeles, and Mrs. E. J. Kroger, of Denver, arrived by the Kinau last Wednesday and will spend a month on Kauai. The ladies visited Waimea Canyon last week and were enthusiastic in their praise of the wonders of that region. They are at present stopping at Hanalei enjoying bathing and tramping.

## LIHUE UNION CHURCH

The regular service of this church will be held next Sunday, with Rev. J. P. Erdman, of Honolulu, preaching the sermon. Sunday night the Honolulu clergyman will speak at Kilauea.

## A TAX EXPERT ON KAUAI

John Linden, tax expert of the American Factors, is on Kauai at present auditing the books of the Lihue Plantation Co.

## Engineer Calls for Bids for the Puukapele Road

County engineer, Robert F. Middleton is advertising in this week's Garden Island for bids for the new Kokoe road. It is the intention to start work at the earliest possible moment on this project and rush it to the earliest possible completion.

There is somewhat less than \$30,000 available at the present for this work. To meet this condition and still not delay the work, Mr. Middleton is advertising for bids in sections. It is the intention to grade the road from the main government road, to the top of the cane fields, a distance of about two miles. All the detours will be graded above this point, cutting out all the bad grades, reducing them to not more than seven degrees. Some of them are now much more than that. There will be about three and a half miles of the detours to grade.

After all this grading is done, there will not be a great deal of money left for macadamizing. But it is estimated that there will be sufficient to macadamize from the main road to the main irrigation ditch. This will make the worst parts of this road passable in all kinds of weather.

To get an idea of how much money will be required for the entire job, the engineer is asking for bids for six separate operations. They are:

1. The grading of the entire road from the main government road to the top at Puukapele.
2. Grading from the main road to the main ditch.
3. Grading from the main ditch to the top of the cane belt.
4. Grading all the detours, leveling them to about seven degrees, mauka of the top of the cane fields.
5. Grading from the top of the cane fields to the end of the road at Puukapele exclusive of all detours.
6. Macadamizing from the main government road to the main irrigation ditch, a distance of about one mile.

## COUNTY Y. M. C. A. COMMITTEE MEET

The members of the committee of the county Y. M. C. A. met in business session last Thursday afternoon at the home of Chairman Dr. Waterhouse at Koloa.

An election of officers for the ensuing year resulted in the retention of the present incumbents which are Dr. A. H. Waterhouse, chairman; J. M. Lydgate, secretary; and Thorvald Brandt, treasurer.

The treasurer's report showed a balance of \$200 and reliable resources of \$3,000.

A number of reports from organized clubs were read by the county secretary and incidents cited signifying the interest and benefit that is being derived by participants in all parts of the island.

The county wide response to the Thrift and Keep Fit emphasis and the gratifying results from both have encouraged the committee to make them a part of next year's program.

Thirteen Hi-Y members were taken to the territorial Hi-Y conference in Honolulu during the Easter vacation had the time of their lives and brought back with them a bigger outlook on life and the things that compose it and larger determinations to carry out the Hi-Y standards and carry the torch of helpfulness to those less favored.

Plans for a regulation Y. M. C. A. summer camp were discussed and voted on. It was decided to conduct a camp immediately following the close of school. An ideal location has been secured at Haena which furnishes all the essentials for a first class summer camp site. A committee composed of Messrs. Sloggett, Midkiff, Rice and Sanborn were appointed to work out the details.

## H. IRWIN EMPLOYED AS NEW BOOKKEEPER AT KILAUEA PLANTATION

H. Irwin, of Hilo, has been employed as the new bookkeeper at Kilauea Sugar Plantation Co. to fill the place left vacant by the resignation of Harry Smythe. Mr. Irwin took over his new duties the first of last week.
