**M. McINERNY.**

**M. McINERNY.**  
Are we to be, or not to be, a part of the Great Republic, seems to be the burning question of the day, and one we had rather leave to wiser heads than ours to solve; and while great statesmen are wrestling with this momentous question, we want to have a little "pov-wow" with you on some other subjects, that concern you as well as ourselves.

Has it not occurred to you that you've been wearing that old hat long enough! In these progressive times if you intend to be "in it," you've got to keep pace with fashion. No matter how otherwise well dressed you may be, unless your hat is the correct thing you bear a shabby appearance.

We have already laid in a stock of the Latest Hats of the coming Spring and Summer styles, in hard felts, soft felts and straws, and including a line of the celebrated "Fidora" Hats, at present all the rage in the United States. There is therefore, no necessity for you to hang on any longer to that old Tile that bears such a strong resemblance to the hat "your father wore."

Believing that business will be better in the near future, we have not hesitated to keep our stock full in all lines. Take collars for instance: We have almost everything you could wish for. If you wear a standing collar, just come in, and take a look at our "Narenta" or "Ardonia;" or if you prefer a turn down collar, try the "Winnipeg" or "Goswell;" we have have lots of others, and can't fail to suit you. Cuffs in abundance, links or otherwise.

Neckwear in profusion, scarfs windsors 4-in-hands, and a special lot of "Boys' Bows;" suspenders in great variety, leather and woven ends, good strong, serviceable goods.

We might go on indefinitely, but space is valuable, and to enumerate everything we carry would fill a pretty fair sized Book. If there is anything you want in the men's line, just drop in and see us, and if we can't suit you, we don't believe any one can.

If you should want a pair of nice shoes, let us try a hand at fitting you. Did it ever occur to you

How much a man is like his shoes; For instance, both a soul may lose. Both have been tanned; Both are made tight by Cobblers; Both get left and right; Both need a mate to be complete; And both are made to go on feet.

They both need healing; oft are sold, And both in time will turn to mould. With shoes the last is first; with men The first shall be the last; and when The shoes wear out, they're mended new; When men wear out, they're men dead too.

They both are trod up-on, and both Will tread on others nothing loth. Both have their ties, and both incline When polished, in the world to shine; And both peg out. Now would you choose To be a man, or be his shoes.

**M. McINERNY.**
