VARIETY

is the best of salesmen. He's always at our store, and that's why our sales of footwear touch so high a figure. We have shoes for all occasions, for all feet, and at all prices. Whether you need footwear for outdoor or indoor purposes, business or pleasure, it's all the same; you can possess your sole in peace and comfort, if you buy of us. It's a queer foot we can't fit and a queerer taste we can't suit. There are varieties of both feet and taste, but not the variety we can't match. There's something of everything in our stock, and although you don't want to buy everything, you want to see everything before buying.

THE MANUFACTURERS' SHOE CO.

Wholesale and Retail Boots and Shoes.

102 FORT STREET.

The "Ship of State" having changed her course, the citizens of Hawaii are now sailing in smooth water, and on a course which is bound to lead to success. When we arrive at the port of Annexation the business of this community will be revolutionized. By this we mean that the methods of conducting business will be different. The business men of this community will be compelled to increase their energies in order to compete with new capital and fresh blood from abroad.

After considering this from all sides we have concluded not to wait until annexation is secured before changing our course. We intend to put the helm "hard-a-starboard" and let the breezes of competition fill our sails.

In order to do this we must begin by granting to all our customers who pay cash a discount of 10 per cent from the present retail prices on all merchandise which affords sufficient profit to enable us to do so. It is easy for the purchaser to comprehend what this will amount to on the purchases during the year. We are sure this will be appreciated by the public in general.

10 per cent. will be allowed on all purchases amounting to 50 cents or over. Remember the place to buy your medical supplies is at
