

IN MEMORY OF DAVIS.

HONORS TO THE CONFEDERATE PRESIDENT.

A Great Demonstration in Which Seven Southern States Will Unite.

RICHMOND (Va.), May 20.—All over the South elaborate preparations are making for a great demonstration in memory of Jefferson Davis, whose mortal remains are to be transported from their present resting place in Louisiana and reinterred in the Virginia capital on May 31st.

The city of Richmond itself—the goal of the long pilgrimage—will ten days hence be draped from end to end in black and white and decorated with flags and bunting.

On the removal of the Davis remains from their present temporary resting place, the vault of the Army of Virginia in Metairie Cemetery, Louisiana, Governor Foster, on behalf of the State of Louisiana, will, in a brief address, commit them to the custody of the escort, composed of thirty-five distinguished ex-Confederates, which will accompany them to Richmond.

En route distinguished honors will be paid the dead, and the remains will lie in state at the Alabama and North Carolina State houses.

Upon its arrival in Richmond the train will be welcomed with a succession of artillery salutes. The casket will at once be placed upon a caisson, and, attended by companies of Virginia militia and numerous ex-Confederate organizations, and followed by thousands of citizens, it will be transferred to the historic Virginia capitol.

His mortal remains will repose on a catafalque elevated in the center of the rotunda, until their final interment on the day after, Wednesday, May 31. Throughout the night veteran ex-Confederates from Robert E. Lee Camp and George E. Pickett Camp will act as guards of honor.

On the morning of the 31st the pupils of the Richmond schools will visit the Capitol in a body and, passing through the rotunda, will strew garlands and wreaths of flowers upon the bier, and then facilities will be afforded for citizens and visitors to pass around it in line. Senator John B. Gordon of Georgia has consented to deliver an oration on the occasion, and it is probable that this feature of the celebration will occupy part of the afternoon, concluding, at all events, at 4 o'clock.

They Have Come!

Those Razor Strops you have been waiting for several weeks, are here. They are so good that it has been said of them, that if you lay your razor, and one of these strops down together on your washstand, the razor will keep a fine edge; still, we recommend following the directions printed on each strop.

Anti-Rattlers.—We have a new kind which you can put on to the shafts of your buggy, without breaking four fingers and a thumb. They prevent two things—rattling and swearing.

Boardman's Pat. Wrench.—4 sizes, just the kind of combination wrench to have about the house.

Try the new Keystone Egg Beater, if you want a beater that will do quick, clean work.

Hose.—1/2-in. to 2-in., 3 and 4-ply plain or wired, just received; cheap and good quality; also carbolized. We have a large stock of "Hubbuck's," "Pioneer," and cheaper brands of White Leads and Zinc. Also, Oil, Turpentine, and all painters' supplies, and you will do well to see our Stock and get our Prices before you paint your house.

American Flags.—6 to 18 feet long, came by the last steamer to us. They are a fine lot, sewed bunting.

Fire Arms and Ammunition.—A new lot of Sporting and Target Rifles, Colt's new Navy, Smith and Wesson, and cheaper Revolvers, came last week and can now be seen. We carry the most complete assortment of Cartridges in town, from 22 to 50 cal., and always have plenty of them.

Leather.—We have received within the past sixty days, by steamer and sail, 66 Rolls of Leather, containing 9088 lbs., and 5347 ft.; also, 3 bales containing 142 doz. sheep skins, so it looks as if we meant to keep our Stock of Leather up, although by getting it in large lots, we are able to keep the prices down.

Salt.—We are headquarters for Hawaiian Salt, as we make it. That the quality is good, and Price Low, is easily shown by the large quantity we sell every week.

Blight Compound.—Five gallons will make 65 gallons of wash. You spray your Lime and Orange Trees with this wash, and the Blight will do the rest, die and drop off the trees. We have the compound at our store, or can give you an order on the Gov't. Nursery for it, but don't forget to bring a 5-gallon can to put it in. We sell spraying outfits.
