A placard has been going the round of Paris calling for a raid on foreigners. "Let us show we have French blood in our veins. Vive la France! A bas les etrangers!"
The quantity of fruit in South Lincolnshire, England, this season exceeds all previous years. Owing to the markets being glutted, growers have a difficulty in disposing of the crop.
When an Armenian maiden attains her seventeenth year, and is not engaged to be married, she must undergo a strange punishment. She is forced to fast three days, then for twenty-four hours her food is salt fish, and she is not permitted to quench her thirst.

WHY YOU WANT THE "STAR!"

A NEWSPAPER IS A NECESSITY to every person in the community — man, woman or child—who is able to read and who desires to keep in touch with the spirit of this progressive age and wishes to be posted as to events of interest which are continually happening at home and abroad, on land and sea."

The STAR is a new paper and has introduced Californian methods of journalism into Hawaii, where, before its advent, the Massachusetts newspaper traditions of 1824 held sway. It has three prime objects:

To support the cause of Annexation of Hawaii to the United States and assist all other movements, political, social or religious, which are of benefit to these Islands and their people.

To print all the news of its parish without fear or favor, telling what goes on with freshness and accuracy, suppressing nothing which the public has the right to know.

To make itself indispensable to the family circle by a wise selection of miscellaneous reading matter.

As a commentator the STAR has never been accused of unworthy motives.

As a reporter the STAR has left no field of local interest ungleaned.

As a friend of good government the STAR has been instant in service and quick to reach results.

As an advertising medium the STAR, from the week of its birth, has been able to reach the best classes of people on all the Islands.

Compare the daily table of contents with that of any other evening journal in Honolulu—

The "STAR" Is 50 Cents A Month In Advance.
