What is

• KASTOL •

KASTOL is nothing but the finest castor oil made perfectly palatable by a new process. It is as pleasant to take as honey. It is ready for immediate use; requiring no mixing.

There isn't any question about castor oil as a true laxative medicine; there isn't any question but it is the most unpleasant nauseating dose ever prescribed. But KASTOL possesses all the medicinal properties of castor oil with the bad taste eliminated.

Children need no coaxing to take KASTOL, they like it; so will you. 25 and 50 cents bottles.
