NEW DEPARTURE!
 The undersigned beg to announce that on and after
THURSDAY NIGHT, OCTOBER 1ST,
 The Unrivaled
Anheuser Busch Beer
 Will be served on Draught at the
Hawaiian Hotel.

We quote from a letter of Anheuser Busch Brewing Association, dated Sept. 8th, the following:
 Your honorable firm having represented us for so many years, we believe it is useless to call your attention to the merits of our article, but we should like to repeat again and call your attention to the fact that ours is the only pure barley malt beer manufactured, and corn cereals and other adulterants, as well as acids, for the preservation of beer, are unknown in our establishment. With the above you may go before the public and publish the same.
 ANHEUSER BUSCH BREWING ASSO.

This beer received the highest awards at the World's Columbian Exposition. No encomium of ours can add to its deservedly high reputation. Its introduction in any and every market establishes it as the favorite. It is without a peer! without a rival! and even without a competitor!
 To bring it within the reach of all it will be sold at the prevailing price of 12 1/2c per glass. Let everyone get the best for the least money.
