THE COUNCIL OF STATE

(Concluded from First Page.)

number of men of sober judgment. The petition, which was signed by a large number of military and business men, was read.

The Attorney General reviewed the case, Fry had recovered. Since then he had pleaded for the release of his friend, saying he was equally to blame for the shooting. Members of the military company and others had visited the speaker in the interest of Nieman. The man pleaded guilty of the assault and was sentenced to imprisonment at hard labor for one year. In the Circuit Court this was commuted to nine months. Two months had already expired. Several strong appeals had preceded the one on the table. The conduct of the man in jail had been very good.

"Sometimes," continued the Attorney General, "Executive clemency is for the public good. In other cases it might prove not for the public interests. I refused to dismiss the case on the petition of the injured party, Fry, for the reason that a dangerous weapon was used and that the assault occurred in a public highway. There was a danger to others from the ball, and the disgraceful occurrence on a public street was an offense against the community at large. In view of all these considerations I would suggest that the matter be referred to a committee to investigate and report."

Minister Cooper—"Why not refer to the Prison Commissioners?"

Mr. Smith—"The man has been in jail such a short time that they would not be able to report one way or the other."

Mr. Phillips—"This petition is brought in here because the man is a volunteer. If anyone else had committed the same crime there would have been no petition. There was a reason for these Portuguese we have been talking about to get up a riot on account of the conduct of the drunken man Nelson. But there was no reason for this man Nieman to shoot his friend. I am sorry for his wife and children. They are to be pitied. But he should have thought of all this before filling up on liquor and using his rifle on his friend. Nieman is doubtless a bad man and will commit another such crime if released. I will vote against either a pardon or reference to a committee."

Attorney General Smith—"I wish to answer Mr. Phillips' remark about the petition, especially as to the connection of the prisoner with the volunteers. The gentleman is incorrect. Being a volunteer, Nieman naturally became acquainted with a large number of men and they, of course, acquainted themselves with the circumstances of this shooting, which occurred between members of their ranks. Being acquainted with the facts, they petition for the pardon. There are volunteers in prison today in whose behalf comrades have made no effort. Nieman has a wife and seven small children in a destitute condition. This should also be considered."

Mr. C. Bolte—"I have known Nieman for many years. He was for a long time a luna on Heeia plantation. I have known him to be a sober, reliable and very industrious man."

Secretary G. W. Smith—"I signed this petition because I have known Nieman for several years as a reliable man. However, I told his wife I would not promise to vote for his pardon."

Mr. Brown moved to defer to next meeting.

Attorney General Smith amended to refer to a committee. Mr. Winston seconded. Amendment carried by following vote: Ayes—Ena, Nott, Naone, Winston, Bolte, Kane and Secretary Smith. Noes—Brown, Phillips and Robinson. To postpone to next meeting for committee's report passed unanimously. Messrs. Brown, Kane and Phillips were appointed on the Committee.

President Dole said the Minister of Foreign Affairs had another matter to bring up.

Minister Cooper—"On account of the uprising in January, 1895, a number of Hawaiians and others were brought before a military commission, tried, convicted and sentenced. Among the number was Liliuokalani, the ex-queen, who was sentenced to five years' imprisonment and to pay a fine of \$5,000. She was confined in the Executive building until September 9 of the same year, when the Government saw fit to release her and she returned to her home at Washington Place. The conditions of this release were that she would permit no assemblages at Washington Place and should have not more than thirteen male and eight female retainers at a time. In February last the privileges were extended to permission to visit anywhere on Oahu, but not to leave the island without Government sanction. All these conditions, I am able to report, have been faithfully followed, and the prisoner has shown herself in every way obedient to the new order. The Executive, after carefully considering the matter, unanimously decided to grant Liliuokalani full pardon and complete restoration of civil rights.

We ask your approval of this course. Minister Damon—"I second what the minister has said. I feel that it voices the sentiments of the Executive, the councils and the people. The past is history. With its mistakes and its good deeds, it is gone. A new era of greater prosperity and entire harmony is opening before us. Let us do all we can to make this one country, one people and let the past be forgotten."

Mr. Brown—"I move that we adopt the recommendation of the Executive."

Mr. Ena—"Mr. President, I take great pleasure in offering a second to the motion."

The motion prevailed by a unanimous vote, whereupon the meeting adjourned.

A MOTHER'S THANKS

SHE TELLS WHAT PINK PILLS DID FOR HER CHILD.

Suffered from St. Vitus Dance—Lost the Use of Her Right Side and Almost Lost the Power of Speech—Cured in a Few Weeks.

Aylmer, (Canada) Gazette.

Of all the discoveries made in medicine in this great age of progress none have done more to alleviate human suffering than Dr. Williams' Pink Pills. We suppose there is not a hamlet in this broad land in which the remarkable healing power of this favorite medicine has not been put to the test and proved triumphant. It is a great medicine and the good it has accomplished can only be faintly estimated. There are many in Aylmer who speak of Dr. Williams' Pink Pills in terms of praise, and among them is the family of Mr. John Smith, the well known blacksmith and wheelwright. Having heard that his daughter, Miss Minnie, had been cured of St. Vitus dance by the use of Pink Pills, the Gazette called upon Mr. Smith to learn the particulars. Upon mentioning the matter to him he expressed pleasure in making the facts public, if it was thought that they would benefit anyone else, and remarked that he thought Mrs. Smith could probably give the particulars better than himself. Mrs. Smith said that about a year ago Minnie was attacked with St. Vitus Dance, of a rather severe nature, and a number of medicines were tried, but without any effect upon the trouble. An electric battery was used but had no beneficial effect. The trouble appeared to be getting more severe, and finally Minnie was obliged to discontinue going to school, having lost the power of her right side. Her speech was also so much affected that it was with difficulty she could be understood. She was out of school for about six months and all this time she was undergoing treatment, which, however, proved ineffective. One day Mrs. Smith saw in the Gazette the particulars of a case of St. Vitus dance cured by the use of Dr. Williams' Pink Pills, and determined to try them with Minnie. By the time two boxes were used Mrs. Smith was sensible of a great improvement in her daughter's condition and after using four more boxes was satisfied that Minnie was completely cured, as no symptoms of the trouble remained. This was about the end of June last, and since that time there has not been the slightest recurrence of the dread disease. While Minnie was taking the pills her weight increased, and her general health was much improved. Mrs. Smith also said that her younger daughter showed symptoms of the same trouble, but the use of Dr. Williams' Pink Pills speedily dissipated it.

Dr. Williams' Pink Pills are offered with a confidence that they are the only perfect and unfailing blood builder and nerve restorer and when given a fair trial disease and suffering must vanish. They make rich, red blood and cure when other medicines fail.

Pink Pills are put up in glass vials, both outside wrappers and vial bearing the full trade mark "Dr. Williams' Pink Pills for Pale People." These pills are sold by the Hollister Drug Co., and the Hobron Drug Co., wholesale agents for Hawaii, and all dealers in medicine.

BICYCLE ECONOMY.

Before buying a Bicycle said to be "just as good as a Cleveland," it is well to compare the prices at which the machines will sell second-hand. The second-hand price of a Cleveland often exceeds the new price of "the just as good." If you look a year ahead there is wise economy in Clevelands at \$75 and \$100.
