THE LEADVILLE TROUBLES.

Fear That There May Be Another Reign of Terror.

LEADVILLE, Col., November 10.—The regular meeting of the city council tonight was mainly devoted to consideration of reports which indicate the early inauguration of another reign of terror here. Miners on their way to work and citizens known to be opposed to a further continuance of the strike have been waylaid and brutally beaten frequently of late, and now there are credible reports of a purpose on the part of the malcontents here to renew the work which they began on the Coronado and Emmett mines in September last. The council decided to immediately increase the police force, and favorably considered the passage of a curfew ordinance which would clear the streets of gangs of young hoodlums, who have been very demonstrative toward the imported miners.

HOW TO CURE BILIOUS COLIC. I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured me. I have since recommended it to a good many people. Mrs. F. Butler, Fairhaven, Conn.
