# Vino-Kolafra

## Pushes Him Along

Through its stimulating action on Nerves, Lungs and Muscles, it sends this cyclist up a hill as another might glide over a level. It regulates and sustains the Heart, deepens and retards the Breathing, prevents Fatigue, quiets Excitability, and transforms Labor into Pleasure. Athletes and lovers of outdoor sports commend VINO-KOLAFRA as the Essence of Elasticity, Lightness, Endurance and Strength.

## Invalids at Home

the famous African tonic-stimulant is a greater blessing still— hastening convalescence, abating pain, and inducing the warmth and glow of Returning Health. It is absolutely non-intoxicating and creates no habit—the antithesis of alcoholic preparations. Aged and feeble persons may employ it freely. Palatable, refreshing, sustaining.
