OAHU SUGAR COMPANY STOCK  
NOW ON THE MARKET.

Success of Mr. B. F. Dillingham's Pro-  
ject—Work to Begin Very Soon—A  
Very Lively Listing of Subscribers.

The new Oahu plantation is going  
as the Star has reported from time to  
time.

The Oahu Sugar company will be in-  
corporated and organized within the  
next fortnight with H. Hackfeld & Co.  
as agents. The capital stock will be  
listed at \$1,800,000. Fully two-thirds  
of this amount was subscribed by noon  
today. H. Hackfeld & Co., took a  
block of \$500,000.

Mr. B. F. Dillingham is authorized  
to receive subscriptions for the next  
ten days. This will allow persons on  
the other islands to secure stock if  
they so desire. The company will be  
organized with ordinary holdings with  
the exception of the large amount  
placed in the enterprise by Hackfeld  
& Co.

In June last Mr. B. F. Dillingham,  
who has done much toward promoting  
big enterprises in Hawaii, gave an op-  
tion to Hackfeld & Co. on the land and  
water possession that he had secured.  
This brought about a visit to Germany  
by Mr. Paul Isenberg, Sr., who laid  
the plans of the new company before  
several German capitalists.

Upon his return Mr. Isenberg stated  
publicly that he had been partly suc-  
cessful. More time was needed. Every-  
body has been waiting with the great-  
est anxiety to learn of the outcome.  
Late last evening Mr. Dillingham ef-  
fected a final agreement with Messrs.  
H. Hackfeld & Co., and the numerous  
owners and lessees of the large tract.  
The plans of Mr. Dillingham were then  
immediately consummated and the  
work of organizing the Sugar Com-  
pany on the islands was taken up.

**Good**

Blood is essential to health. Every nook  
and corner of the system is reached  
by the blood, and on its quality the  
condition of every organ depends. Good  
blood means strong nerves, good diges-  
tion, robust health. Impure blood means  
scrofula, dyspepsia, rheumatism, catarrh  
or other diseases. The surest way to  
have good blood is to take Hood's

Sarsaparilla. This medicine purifies, vi-  
talizes, and enriches the blood, and sends  
the elements of health and strength to  
every nerve, organ and tissue. It creates  
a good appetite, gives refreshing sleep  
and cures that tired feeling. It is because  
of its great power to purify the blood that

**Hawaiian  
Electric  
Company.**

The cleanest, brightest, safest and really  
in the long run, the cheapest and best light  
for use in the family residence, is the incan-  
descent electric light. Safe; nothing could  
be safer. A few days ago a prominent gen-  
tleman of Honolulu came rushing down to  
the office of the Electric Company and said:  
"Give me figures for wiring my house, and I  
want it done at once; no more lamps for me.  
Last night a lamp tipped over and it came  
so near setting fire to the house and burning  
my children, and I take no more risks."

This is the sentiment of quite a number in  
the past few weeks, who have ordered their  
houses fitted with the perfect light.  
Just think it over and make up your mind  
that you want the best and safest light; send  
for the Hawaiian Electric Company and tell  
them what you want.

We have a complete stock of everything in
