SHORT CYCLE NOTES.

John S. Johnson lost 28 pounds during his recent attack of pneumonia.

A bill for the taxation of bicycles has been defeated in the Vermont legislature.

The town of Moore-town, N. J., has appropriated \$300 from the town treasury with which to construct a bicycle path.

Frank Ives, the champion billiardist, has been proposed for membership in the Century Wheelmen of New York city. Ives, it is said, is an enthusiastic cyclist.

Half the colored members of the L. A. W. live in Philadelphia, where they are members of the Meteor Wheelmen. These men were all taken into the fold before the word "white" was incorporated in the membership clause.

Two Iowa cyclists are preparing to bring suit for damages against a hotel keeper who would not allow them to enter the dining room for a Sunday dinner because they wore bicycle knee breeches and "ladies were present," so he said.

Fred Allart of Brooklyn will start about May 1 to make a tour of the European continent. He will take along a camera with which to take views for President Potter, who will use them in illustrating good roads work and lectures.—American Cyclist.

Good Luck on Time.

"Oh, lieutenant, I have found a four leaf clover!"
"How odd, and here is the kist!"—Meggendorfer Blatter.

WHAT A WOMAN CAN DO.

She can rumple up fifty dollars' worth of dress goods, and buy a reel of thread, with an order to have it delivered four miles away, in a style that will transfix the proprietor of the establishment with admiration.

She can—but what's the use? A woman can do anything or everything, and do it well. She can do more in a minute than a man can in an hour, and do it better. She can make the alleged lords of creation bow down to her own sweet will, and they will never know it. Yes, and more than that, she can tell good beer from bad. That's why all sensible women insist on having "Ra'ner" Beer. They know it's the healthiest and best bottled beer to be had. Phone 783.

Public Opinion

Public opinion is the highest commendation, as is attested by the fact that the Pabst beer exceeded by 90 per cent the amount of beer sold by any similar institution in the world. This famous beer is on draught at the Royal, Pacific and Cosmopolitan saloons.
