ABOUT REPAIR WORK.

There is a great deal that might be said about repair work and a great deal that it is better to leave unsaid.
We claim to have the facilities, workmen and experience which enables us to turn out work that is entirely satisfactory to you and to us. We never slight any work entrusted to us but rather, the reverse, by making a little better job than you anticipated. In the long run it pays us—for when you next have a job—you naturally bring it to us.
Do you like our policy?
