REPORT ADOPTED.
The directors of the Mutual Tele-
phone Company yesterday afternoon
adopted the report of Superintendent
Casidy, recommending extensive im-
provements to the system. Among the
new things to be installed is a large
modern switchboard for the central of-
fice in town.

A HEART PAIN.
Piercing the left side like a keen
edged knife, palpitation, choking in
the throat, usually accompanied by
retarded circulation, are sure signs of
heart disease. If neglected death is
the result, and if taken in time they
may be cured and the long line of dis-
eases which follow in the wake of im-
perfect heart action may be avoided.
Dr. Miles' New Heart Cure is the only
safe and reliable medicine for diseased
hearts. It never fails to benefit when
taken in time.
"I had spells when I would get ice
cold and my heart would stop beating;
then I would feel a piercing pain which
seemed to go right through me, which
would be followed by palpitation and
I would clutch at my left breast in ag-
ony. From the time I began taking Dr.
Miles' New Heart Cure these spells
grew less severe and finally disappear-
ed altogether. I am well and strong
now and can do all my own work with
ease."

THE COLUMBIA RETURNS

HOODOO SHIP DID JUST WHAT
WAS EXPECTED.
Could Not Leave Honolulu So Sudden-
ly—Was Nearly Three Days Making
260 Miles—Will Go Again.

The hoodoo steamer City of Columbia
came back.
People felt that her love for Honolulu
was too great, and that she would
rebel at parting. It so turned out.
The vessel was not out of sight of
Oahu before things went wrong. After
a little over two days steaming her
engineer found it necessary to turn
back.

The Columbia was in sight four
hours of yesterday afternoon. She
traveled at about five miles an hour,
and reached an anchorage in naval row
shortly after 7 o'clock. Some of the
white men in the crew came ashore
and several friends put off in small
boats to interview Captain Walker as
to the trouble.

The vessel left Honolulu last Wed-
nesday afternoon. At the hour of sail-
ing she had good steam and went out
of the harbor at a fair speed. The
trouble came when the steam began to
die down and it was necessary to coal
up. The nine Japanese who had been
shipped as coal passers proved abso-
lutely worthless. Speed went down to
five knots and even less. It was abso-
lutely impossible for the Japs to han-
dle the situation.

Captain Walker finally asked the
white members of the crew if they
would assist. Several fell to and did
so. With their own watches four hours
long and twice a day, however, it was
of course plain that the white men
could not stand the strain.

Early Saturday morning there was a
consultation between Captain Walker
and Engineer Murray, which resulted
in a decision to turn back. At about 5
o'clock the vessel was headed for Hon-
olulu. The men of the crew were not-
ified of the change in arrangements,
and it was perfectly satisfactory to all
of them.

At the time the steamer started back
she was about 260 miles from Honolulu.
It took her two and a half days to
make this distance.

Captain Walker announces that the
Hongkong trip has not been given
over. A new crew of coal passers will
be shipped, more coal will be taken
aboard and the Columbia will sail
again about the last of the week. Some
of the white men will leave the vessel,
having tired of excursions on the Col-
umbia. Their places will be filled by
others.

There are some slight defects in the
machinery of the hoodoo ship which
have to be repaired before she goes out
again. These are not serious and ap-
pear as the natural result of use of
the engines after a long period of in-
activity.

SANATORIUM.
It has been proposed to turn the
Montezuma hotel at Las Vegas Hot
Springs into a sanitarium for malaria
sufferers who are soon to come
home from the Philippines and those
that are now scattered among the hos-
pitals throughout the country trying to
recuperate from their encounters with
the miasma of Cuba. There is no better
spot for malaria than the cool, dry air
of New Mexico, and the properties of
hot springs at Las Vegas are a specific
for all malarial poisons and for rheu-
matism. In the Montezuma hotel are
accommodations for 200 or 300 patients,
and by a little alteration they might be
considerably enlarged. The government
has already decided to turn the aban-
doned barracks at Fort Stanton, on the
Santa Fe line, about 100 miles south of
this city, into a permanent hospital for
consumptives; but it is a long distance
from the railroad and inconvenient to
reach. The Montezuma hotel is on a
branch of the main railroad, and a
scheme is now on foot to equip it with
electric cars.—Chicago Record.

ABOLITIONIST DEAD.
INDIANAPOLIS, July 7.—George W.
Julian, the famous abolitionist, died at
his home in Irvington today.
In 1850 he was a candidate for the
nomination for the Vice-Presidency on
the Free Soil ticket and was a delegate
to the first Republican convention at
Pittsburg in 1856. He served several
terms in Congress. In May, 1885, he
served as Surveyor General of New
Mexico.

SPAIN REDUCES ARMY.
MADRID, July 2.—The Minister of
War, General Polavieja, after a pro-
longed conference today with the Pre-
mier, Senor Silveira, consented to re-
duce the budget of the army of the
strength of the active army from 197,-
600 to 80,000 men.

LIKE REGULARS.
WASHINGTON, July 7.—The ten re-
giments of volunteers will be equipped
throughout as are the regulars. The
ordnance department has on hand a
sufficient supply of Krupp-Jorgensen
rifles and other arms to equip the reg-
iments.

PHYSICIANS FOR REGIMENTS.
WASHINGTON, July 7.—The Presi-
dent has completed the selection of the
medical officers to serve with the re-
giments of volunteer infantry to be or-
ganized for service in the Philippines.
These appointments number twenty-
three all told.

MANY OFFICES.
When he insists that only honest men
should hold office, Governor Roosevelt
forgets how many offices there are.—
