Local Attorneys Ask for Chester Doyle as Official Interpreter for the United States Court.

A petition addressed to United States Judge Estee asking him to appoint Chester Doyle interpreter for his court is in the hands of Paul Neumann and has been generally signed by local attorneys. It will be presented to the judge immediately on his arrival, and the friends of Doyle hope that he will be the judge's choice.

Doyle has been interpreter here for about eight years and can talk several dialects of Japanese as if he were a little brown man. He learned the language in Japan, where he spent many of his early years. The petition is as follows:

"Hon. M. M. Estee, Judge of the U. S. District Court for the Territory of Hawaii.

"Sir:—The undersigned members of the Bar Association of the Islands of Hawaii and practitioners of the Hawaiian courts respectfully recommend to you the appointment of Mr. Chester A. Doyle as interpreter for the Federal Court. Mr. Doyle has been the official Japanese interpreter of our courts since the year 1892 and is fully qualified for the position.

"We beg leave to state to you that at the present time he is unquestionably the fittest man for that position."

Paul Neumann's name heads the list of signatures and after it are those of about all the lawyers in Honolulu, among them being W. O. Smith, Cecil Brown, A. S. Hartwell, H. E. Cooper, E. P. Dole, A. L. C. Atkinson, A. S. Humphreys, W. A. Henshall, Kinney, Ballou and McClanahan, Judge Stanley, Chief Justice Frear, E. A. Mott-Smith. ### PAYING OFF DEPOSITORS

#### McLENNAN'S \$750,000 IS BEING DIVIDED.

Investors in Postal Savings Bank Are Requested to Call at Once for Their Money—What to Do.

Mr. McLennan, the man sent here by the United States Government to pay off the depositors in the Postal Savings Bank, has all matters arranged and the cash is available today and henceforth. With today all interest ceases, so that depositors should draw their money as soon as possible.

At a meeting between Mr. McLennan, Treasurer Lansing, Secretary Cooper and Governor Dole, held yesterday afternoon, it was decided to take immediate action in the matter of closing up the affairs of the bank. This was at the suggestion of members of the Government and of Colonel Macfarlane. The reason for immediate action is that depositors have calculated and made their arrangements to correspond with a change about this time.

The course for depositors to pursue is to present their pass books at the bank as soon as possible. For this purpose the bank will remain open this afternoon and will be open Monday. In exchange for the pass book the depositor will be given a plain certificate, certifying that the person named has so much to his or her credit at the bank.

This certificate is signed by Governor Dole and Secretary Cooper. Upon receipt, or at convenience, the depositor presents the certificate at the First National Bank (formerly the First American Bank) in the Campbell block next to the Hollister cigar store where it will be paid the same as a check.

Mr. McLennan hopes to have all the deposits refunded in two or three days, as most of the depositors are in Honolulu. The total sum to be paid out is nearly \$800,000. The agent brought with him \$750,000 in the strong box of the China.

The money turned loose will have a notable effect upon business. Some people imagine the depositors in the Postal Savings Bank a lot of misers who prefer safety to investments with some risk. Such, however, is not the case. Almost everybody in town has money in the bank. In the few months many, if not most of them have obtained options and entered into bargains to be closed when the bank was no more. The money will come into circulation and will be felt in a very few days.

#### HAWAIIAN DEMOCRATS.

Delegation Leaves San Francisco For Kansas City.

SAN FRANCISCO, June 21.—The steamer Australia, which reached port yesterday, brought a delegation of Hawaiians who will act as visitors in the National Democratic Convention in Kansas City as delegates from the Islands. They are Prince David Kawananakoa, W. H. Cornwell, John D. Holt, and John H. Wise. Charles T. Wilder, who for many years filled the position of Hawaiian consul at the royal family in the Islands and will accompany the delegates, and joined the visitors from the Islands upon their arrival yesterday. There was a sixth delegate chosen at the recent Democratic convention in Honolulu, but in his place one of the alternates, E. B. McClanahan, has come from the Islands and will accompany the rest of the delegates to Kansas City. The latter is now a guest at the Occidental. The other visitors are making the Palace their headquarters during their stay in town.

Most of the delegates are not unknown in San Francisco. Prince David who is a member of the royal family of Hawaii, has been here before. He now intends to take a hand in Democratic politics in the Islands, and it is said that if any of the delegates are seated he will be one of them. The National Democratic Committee made no provision for the representation of Hawaii in the national convention, and the delegates do not know whether they will be seated. If Hawaii is accorded the same representation as other territories, two delegates will be seated, and they will probably be Prince David and W. H. Cornwell. The delegates from Hawaii intend to leave for Kansas City with the California delegation June 29.

### SALOON MATTER SETTLED

#### NEW LINES ESTABLISHED FOR LIQUOR MEN.

In Future There Can be no Saloons in 100 Feet of West Side of Fort Street—Executive Conference.

At the Executive meeting this morning it was decided to amend the old limits for saloons so as to shut out liquor dealers from Fort street and to extend the lines in other directions in which saloons will be authorized. Present with the department heads were E. C. Macfarlane, J. B. Rothwell, L. H. Dee, W. M. Cunningham, Mr. Almy and D. H. Lewis.

The old limits of saloons were pointed out to be as follows: Both sides of Fort street between Beretania and Merchant; mauka of Beretania between Fort and Nuuanu; mauka of Nuuanu between Beretania and Merchant; mauka of Merchant between Nuuanu and Fort. The new lines are: 100 feet west of Fort street at the corner of King, down to Bethel; to Merchant, to Nuuanu, to King, to Maunakea, to Beretania, to within 100 feet of Fort street and thence down to the starting point. In addition to this the saloon of E. S. Cunha and the Hawaiian Hotel are admitted. The ones cut out are the Criterion and the old Pantheon.

There were arguments on both sides. Governor Dole stated that with the growth of the city it was necessary to extend the saloon limits but he was firm in the opinion that they should be taken off of Fort street. He also expressed the intention of granting to every hotel where general conditions were satisfactory, a license of the kind given to the Moana Hotel at Waikiki.

"I, C. A. Galbraith, of Hilo, Territory of Hawaii, do solemnly swear that I will administer Justice without respect to persons, and do equal right to the poor and to the rich, and that I will faithfully and impartially discharge and perform all the duties incumbent on me as Associate Justice of the Supreme Court of the Territory of Hawaii, according to the best of my abilities and understanding, agreeably to the Constitution and Laws of the United States, so help me God."

Then follows the ordinary oath administered to officers.

#### "BARON CHEVRIEL."

The Character Mr. Neill Will Portray This Evening.

The character of "Baron Chevrier," as played by James Neill of the Neill company, which is to be seen here at the Opera House this evening in "A Parisian Romance," is still of native and cynical. Mr. Neill as the talented old Chevrier is said to give a remarkable portrayal of the death scene at the banquet table, being as near an approach to the high ideal set by Richard Mansfield in the same part as would seem possible for any actor. Mr. Neill has secured the exclusive rights in America for the presentation of "A Parisian Romance" from Mr. Mansfield. The play is far removed from the sphere of what is considered in theatrical parlance—a stock play—it possesses great intrinsic power, and with the artistic and effective surroundings given it by the Neill organization, makes it one of the most effective productions now upon the stage. How greatly rich and appropriate accessories add to a play, is demonstrated in all the productions given by the Neill company. The elaborate scenery and the well designed and richly made costumes used by this organization have assisted much in placing the performance of the Neill organization at the head of any other similar dramatic attraction in America. The gowns of Miss Edythe Chapman worn by the ladies of the Neill company, in the production of "A Parisian Romance," have been described as surpassing in richness and beauty, anything shown upon the stage this season.

### WORK OR FORFEIT BONUS

#### ALTERNATIVE PRESENTED TO PAIA STRIKERS.

Arrangements Made to Eject Them if They Would Not Work—They Concluded to Go to Work.

PAIA, Maui, June 29.—Maui's labor troubles have now completely quieted down. The last to give in were the Paia Japanese, who yesterday afternoon decided best to retain their homes and go to work.

Some time ago the plantation agreed to give to all the contract men a bonus of \$2.50 a month under the condition that they satisfactorily worked out their contracts, the same to be paid to them at the end of their time. When they struck recently and demanded their contracts, they were told that under those conditions that bonus would be forfeited. This is what these last strikers have been holding out for. Arrangements were made for putting them out of their houses and the camp this morning, if they still refused to work, but happily the matter has been adjusted.

### WHAT YACHTSMEN WANT

#### THEY REFUSED TO COMPETE FOR CASH.

Did Not Want to Lose Amateur Prizes—Second and Third Standing Asked For.

A number of local yachtsmen have signed an agreement to refuse to race on the Fourth of July for the cash prizes offered by the Fourth of July committee. The yachtsmen give as a reason for so doing the fact that competing for money makes them professionals, and under the rules of amateur sport would bar them forever from taking part in any but professional contests hereafter. What the owners of the yachts want are cups for first prize, and banners or flags, suitably described, for second prizes. These would be trophies worth keeping, and the winners would not be in danger of being barred out at some future date, when they might attempt to enter an amateur contest.

Among those who signed the agreement were E. O. White of the yacht Eva, H. M. Dow of the Abbie M., Emil Berndt of the Leowa, C. W. Macfarlane of the La Paloma, Brotherton & Crozier of the Myrtle, C. H. Smith of the Bonnie Dundee and others. It is stated that all of the amateur yachts here are of the same opinion.

Another kick from the men with pleasure boats is on account of the lack of second and third prizes. In some of the races there is no doubt as to which vessel will come out first. The contest for first prize will be over in a few minutes after the start. "After that," said one yachtsman, "there will be nothing to race for. Two or three might be about even and make a good fight for second place, and two or three others, a bit farther behind, might have an interesting contest to come in third. This would make the races interesting to all. This is especially needed in the fourth class contests in which there will be about eight yachts."

The Fourth of July committee has decided that it will offer trophies instead of cash, and now the yachtsmen want the members of the committee to give attention to the matter of second or possibly third prizes.

### AN HAWAIIAN GOD FOUND

#### LARGE STONE IDOL DISCOVERED IN KONA.

Was Probably Hidden Away by a Devout Idolater at the Time of the Destruction of the Gods.

The Mauna Loa yesterday brought an ancient Hawaiian idol from Kona which may go to the Bishop Museum. The finding of this idol was remarkable in itself, and in the light it throws on the religious history of the ancient Hawaiians.

The idol, which is a large stone one, was found in Honouliuli, about five miles eastward from Kailua. It had evidently been carefully hidden away, probably at the time of the breaking of the taboos, and the destruction of idolatry, eighty years ago. A hole had been dug in the soil, and the bottom of the hole covered with tapa. Then the idol had been laid on its back, and a large flat stone laid to cover the hole, the top of the stone being about even with the surface of the ground. The idol itself was not covered with
