MOVEMENTS OF THE JAPS

HEAVY TRAVEL TO THEIR OWN COUNTRY.

Five Hundred Orientals Arrive Here From Plantations—Over Three Hundred Try to Book for Home.

About five hundred and thirty "deck passengers," mostly Japanese plantation laborers, arrived in Honolulu last Saturday on the steamer Nippon...

From all plantations come reports of a disposition to move around, among the Japanese who have just changed from contract to "free" laborers...

The immigration companies are of the opinion that the tendency to move their homes will die out among the plantation Japs, when the latter begin to find out that wages are about the same all over the islands...

"JIM, THE PENMAN."

The Story of a Clever and Successful Forger.

The next to the last performance to be given in Honolulu by the Nell company will be presented this evening...

To many lovers of the theater this wonderful drama in which "James Ralston" vividly illustrates how he succeeded in gaining riches and social distinction by a long series of clever forgeries...

While it must be regretted that the splendid Nell season is to draw to a close, it will also be regretted that from all present indications, Honolulu is not to have another season of good drama in a very long time.

Thursday evening "Mr. Barnes of New York," will be presented.

Will Stop Over Three Weeks—Thirty-Seven Naval Officers on Their Way to the Orient.

Rear Admiral L. A. Beardslee and wife arrived in Honolulu this morning on the steamer Nippon Maru. They will stay here about three weeks, as "stop-over" passengers...

The stopover business of the foreign steamers is one upon which the custom house looks with a sharp lookout. In the case of Admiral Beardslee there is no need of vigilance, but as it is known that he is going to continue his journey...

HAWAIIAN DELEGATION.

Give a Good Account—Save the Day for Silver.

The Hawaiian delegation to the Democratic National Convention gave a good account of itself. The delegates attracted a great deal of attention. In one particular it decided the platform—perhaps destiny.

The delegates expect to arrive here on the Rio. The Hawaiians were more than well received at the convention.

The six men, Prince David, John D. Holt, John H. King, Charles T. Wilder, Col. W. H. Crowell and E. H. McClanahan were seated promptly. Every time the delegation entered the hall it was cheered.

KANSAS CITY, July 5.—Delegate John H. Wise on behalf of Hawaii, nominated William Jennings Bryan. A ringing cheer followed the call of "Hawaii," and as Mr. Wise of that delegation arose from his seat, the convention demanded that he take the platform, which he did amid great applause.

"Gentlemen of the convention," he said, "the delegates of Hawaii have come four thousand miles to attend this convention."

A loud cheer greeted this announcement, and it was multiplied tenfold when he added:

"And last night Hawaii cast the winning vote for 16 to 1 in the committee meeting. We came here to nominate the greatest of Americans, towering head and shoulders over all his countrymen; the man who is brave enough to stand up according to his own principles. That man, gentlemen, is the man we nominate. And, gentlemen, if we were only a State, we would do more for that peerless man—William Jennings Bryan."

FOREIGN LEGATIONS SAFE

PRINCE CHING HEADS COUNTER REVOLUTION.

By This Means He Has So Far Been Able to Protect Foreigners—Tuan's Feroocious Designs.

Latest dispatches from China are more encouraging. They indicate that the Ministers are still alive and active, instead of the Imperial Government being in league with the Boxers...

For the present, the fate of the Ministers rests in their own hands and that of Prince Ching for the Allies have admitted the utter futility of attempting the relief of the Peking legations...

On July 5 the foreign consuls met at Shanghai and officially announced that the legations were safe on July 4. On the 8th however the Shanghai correspondent of the London Express wired that a mistake had been made in this announcement...

With one exception however the news since July 5 has been more reassuring and the general impression in official circles seems to be that the legations are yet safe. This dispatching of reports, circulated simultaneously at Chefoo, Shanghai and Tientsin, the destruction of the Christians occurred on June 29 and July 1.

BRYAN AND STEVENSON

THE DEMOCRATIC PRESIDENTIAL NOMINEES.

Bryan Nominated by Acclamation—Stevenson on First Ballot—Silver Republicans Endorse the Ticket.

KANSAS CITY, July 7.—Bryan and Stevenson will be the Democratic standard bearers. Both were nominated on the first ballot. The ticket is regarded as the strongest which the party could have placed before the public.

Under the leadership of David B. Hill of New York, the acknowledged sympathizers with the gold standard were striving their utmost to defeat a declaration for this ratio and seeking a simple reaffirmation of the Chicago platform.

When Bryan was nominated the situation of affairs he renewed his demands that the ratio should be named beyond a shadow of a doubt. As the result of this positive stand by the leader the committee swung into line and by a vote of 36 to 24 inserted the plank as required.

It was on Thursday, July 5, that the scenes of the wildest description occurred. The occasion was the nomination on the first ballot of William Jennings Bryan, W. D. Oldham, deputy attorney general of Nebraska, placed Bryan in nomination in an eloquent speech.

Bryan received the unanimous vote of the convention for President. On the 6th Adlai E. Stevenson, who was Vice President under Cleveland, was nominated for the Vice Presidency.

WAR IN SOUTH AFRICA

DEWET AND STEYN PREVENT ITS END.

Lord Roberts Credited With Saying It Will Take Three Months More to Complete the Work.

LONDON, July 3, 3:30 a. m.—It is clear that Lord Roberts does not consider the war in South Africa ended, as he has put a stop to the return of civilians and has ordered mining men back to Bloemfontein.

Nothing decisive has yet been heard from the columns seeking to hem in General Dewet. All of Lord Roberts' field transport is engaged apparently in supplying these columns. Operations elsewhere will be necessarily delayed.

President Kruger, replying to a correspondent at Makhadoper, who inquired if there was any truth in the report that he had opened negotiations, wrote: "The President and people of the South African republic most earnestly desire peace, but only upon two conditions: The complete independence of the republic and amnesty for the colonial Boers who fought with us."

LONDON, July 7.—The Times London correspondent, in a dispatch dated Friday, says: "From a trustworthy source it is learned that ex-President Steyn and Christian Dewet are the only obstacles to the termination of the war in South Africa."

LONDON, July 6.—Lord Roberts telegraphs to the War Office from Pretoria as follows: "The officer commanding at Heilbron reports that State Secretary Billmunt, State Attorney Dickson and Members of the Council Van Tader and Kuppervegen came in yesterday and surrendered."

Hutton was attacked yesterday in a position he was holding by a large number of Boers. He cut them off without much difficulty. Our only casualty was Lieutenant Young of the First Canadian Troop, slight scalp wound. The enemy left several wounded on the ground and sent a flag of truce with a request that they might be received in our hospital.

THE FOLLOWING DISPATCH FROM LORD ROBERTS HAS ALSO BEEN RECEIVED AT THE WAR OFFICE: "PRETORIA, July 8.—As the enemy had been for some days withdrawing on the railway by trying to get around our right flank I dispatched Sutton on July 5th with mounted infantry to reinforce Mahon and with orders to drive the Boers to the east of Broenker Spruit. These orders were respectfully carried out during Friday and Saturday by Mahon, who was attacked by some 2,000 men with six guns and two Maxim's. Our casualties were:

"Wounded—Two officers, including Captain Nelles of the Canadian Mounted Rifles, slightly, and twenty-six men. Seven left Bethlehem on the night of July 4th for Fouriesburg, between Bethlehem and Ficksburg, accompanied by Christian Dewet and other Free State commanders, with troops reported to number 2,000 men.

Hanbury-Tracy, commanding at Rustenburg, reports that a party of Boers under Limmer called on him yesterday to surrender the town and garrison. Hanbury-Tracy replied that he held Rustenburg for her majesty's government, and intended to continue to occupy it. He said he had, but the heights commanding the town, but did not succeed, owing to the good arrangements made by Hanbury-Tracy and his officers. Eventually they were driven off with the assistance of Holdsworth and his Hussars, who made a notable march of forty-eight miles from the neighborhood of Zeerust with the Bushmen under Colonel Aire on hearing Rustenburg was likely to be threatened. The enemy suffered heavily and five men were captured. Our casualties were two men killed and one officer and three men wounded."

AWAY ON BUSINESS. Robert Shingle to Investigate the California Oil Fields.

R. W. Shingle will leave by the Alameda on Friday for the Coast on business and to visit his old home at Denver. He has some dealing in the way of stocks at San Francisco, which will keep him for a few days, and then he will go to the capital of Colorado. From Denver Mr. Shingle will proceed to Omaha to complete a Hawaiian pamphlet for the Union Pacific Railway Company.

THE GROWING INTEREST MANIFESTED IN CALIFORNIA OIL STOCKS HAS ABOUT DECIDED Mr. Shingle to take a trip down through the oil districts of Kern and San Benito counties. He will thoroughly look over the McKittrick district fields in Kern county.

HUNTER SHOOTS HIMSELF

AN ACCIDENT TO TELEPHONE MANAGER CLINTON.

Tried to Beat Off a Wild Boar With the Butt of His Rifle—Shoulder Wounded.

F. S. Clinton, manager of the Hamakua and South Kohala Telephone Company, was seriously wounded by his own gun in an encounter with a wild boar near Honokaa last Friday. He was out hunting in the hills near Honokaa and tried to use the butt of his rifle to defend himself from an attack by a boar at close quarters, when the rifle was discharged, the bullet striking him in the shoulder.

Mr. Clinton had a lively experience with the wild animal before he was through with the beast. The telephone manager is an experienced hunter, and was enjoying a day's sport, when he had the disastrous encounter with the boar that cost so dearly. The animal made an angry dash for the hunter, while Clinton, seeing that there was not even time to bring his rifle to his shoulder and shoot again, turned the weapon to use the butt in beating the animal off. As he struck the boar, the charge exploded.

The wounded man got word to Dr. Garrison at Honokaa, and the latter at once started for the scene of the accident. At last advices from Hawaii, no word had been received from the doctor since he left. Mr. Clinton's home is at Honokaa, where he is supposed to have been removed.

CHARLES DAVID ADMITTED

Charles David of Wailua, was today admitted to American citizenship. He has taken the oath and has been given a certificate in due form.

This matter came before the Supreme court yesterday morning. George Luana and Albert McGurn were called to testify as to the residence and moral character of the petitioner. Then the case went over to 4:30. At that time Curtis P. Lauka, proprietor of the Wailua Hotel, George Denton, superintendent of the Oahu Railway, and High Sheriff Brown were called to testify against the character of David.

It is a notorious fact that bad blood and business jealousy has existed between Lauka and David for some time. Denton knew nothing except what he had heard. Sheriff Brown stated that David had once been arrested for selling liquor without license; two weeks later he had been granted a license. Lauka gave the petitioner a rather bad reputation on this showing the court postponed the matter to 11 o'clock this morning in order that plaintiff might have a show.

When David appeared this morning it was with A. G. M. Robertson as his attorney and Judge Howe of Wailua, Colonel McCarthy and Isaac F. Hayden as witnesses. Judge Howe explained the facts concerning petitioner's arrest for selling liquor without license. Witness had himself heard the case and rendered judgment therein. The other witnesses testified as to the character of the petitioner.

David, himself, was called to the stand and testified in his own behalf. During the recital of his own case David was asked if he really sold liquor without license. He said he had, but that was no more than Lauka was doing every day. He had been arrested, fined, and had paid his fine.

At the conclusion of the hearing the court ordered that the petition be granted. David was born in France, but has lived in Hawaii for a number of years.

NAME IS SUGGESTIVE. The name of the Provident Savings Life Assurance Society of New York is suggestive. A business man should be "Provident" and should be "Saving." In provident when he takes protection insurance, and his savings in a term of years, if life is granted him, will enable him to amass a competency for old age. I. H. Burns is the resident manager of the company. Office in Old Government Building, Merchant street.

AT THE OLD STAND. General blacksmithing and carriage repairing business in 11 branches at the old stand, Fort street, W. W. Wright.

McInerney's shoes are right in it. They are made by the leading factories of America, and consequently have no equal.
