THE COMING REGATTA DAY YACHTSMEN AND GAIRESMEN ARE ACTIVE. Will Probably be More Interesting in Its Events Than any Preceding Day of the Kind. September 21 is Regatta Day by legislative enactment. It is Regatta Day also by universal interest in aquatic sports. Regatta Day this year, promises to be equal in the quality of events and interest manifested to any previous regatta day. The yachtsmen have taken hold of their end of the events in good earnest. A meeting was held at the Hawaiian Hotel last night at which twenty-five were present. Fred Whitney presided. The classification and schedule of races of last year, were adopted. The entries practically made were as follows: First class: Gladys, Helene, Mary L. formerly the Honile Dundee. Second class: Hawaii, Dewey, Marion. Third class: Myrtle, Skip, Vike, Mott, Smith's dory Whimann, Shamrock II. Fourth class: Abbie M. Pokil, Canary. The course for the first and second-class yachts will start off Wilder's wharf, down the channel, keeping between the buoys and piles, leaving the spar buoy on the port side, passing the bell buoy on the port side to a stake-boat off San Souci; thence to stakeboat anchored off entrance to Pearl Harbor, return to bell buoy, thence to spar buoy, leaving same on starboard side, up channel between piles and buoys to finishing line, off Wilder's wharf. The course for third and fourth class yachts starts from Wilder's wharf, down channel between buoys and piles, rounding the spar buoy on port side, passing bell buoy on port side to stake-boat anchored off Quarantine station, back to and rounding bell buoy to spar buoy, leaving same on starboard side, up channel between piles and buoys to point off Wilder's wharf. There will be no limit to crew or amount of sand ballast, and no time allowances. The yachts will be started by the two-gun system, fired at five-minute intervals. Times of yachts will be taken from second gun. The rowing events will be numerous and doubtless interesting. The Healanis will enter in the following with crews made up much as follows: Senior barge: Jarrett, Renear, Webster, Murray, Damon, Walker. Intermediate barge: J. W. Lloyd, C. C. Rhodes, J. L. Spencer, F. J. Chureh, R. W. Atkinson, G. Boisse, C. Murry. Freshman barge: Stokes, Laukoku, Allen, Marcelino, Lowell, Stone. Four oared shell: Jarrett, Renear, Damon, Walker. Pair oared: Renear and Jarrett or Walcott and Tracy. The Myrtles will be represented much as follows: Senior barge: G. Angus, W. Lyle, W. H. Soper, P. Lishman, Crozier. Intermediate barge: D. Vida, A. Giles, T. V. King, W. Walker, W. Wright, F. Wright, George Robertson. Freshman barge: Crozier, Simpson, E. Ross, W. Roth, George Freeth, Weaver. Four-oared shell: A. Giles, C. Girvin, W. Armstrong, A. F. Judd. Milton Alvarez will be coxswain of the shell crew. There will be a race between a crew from the boatboys gotten together by Prince David, and a crew of pilot boys mustered by A. L. C. Atkinson. The boats will be the Kapiolani and the Kapiolani, fast boats of the old type built over six-oared gigs. The Kapiolani was once owned by Governor J. O. Dominis. The Regatta Day program, decided on by the regatta committee is as follows: Rowing: Six oared sliding seat barge race, open. Course, Spar buoy starting from Railroad wharf. Six oared sliding seat barge race open to all members of clubs except any one in the Junior or Senior race at Pearl Harbor, July 4, 1901. Course, from Judges stand around knuckle buoy. Six oared sliding seat barge race, for members of clubs who have not rowed in any race. Course, spar buoy. Four oared shell race, open. Course, from Railroad wharf to Channel wharf, a distance of a little over one half of a mile. Fair oared race in German boats. Course, from Judges' stand to Channel wharf. Yachting: First class yacht race. Second class yacht race. Third class yacht race. Fourth class yacht race. Miscellaneous: Five oared whale boat race. Tug-of-War of two oared shore boats, not less than two boats on a side. Japanese fishing boat race. Swimming race, distance 100 yards straight away. Six paddle canoe race. Tug-of-War between steamer service boats in actual use. Two oared shore boat race. Diving contest for distance. Steamer boat race. Sailing canoe race. Swimming race, half mile. Four oared merchant ship's boat race. Races open to all; no entry fee. All rowing races are governed by the Racing Rules of the Hawaiian Rowing Association. Each entry shall include the name of the boat, or if it have none, the name of the person who enters it in the race. The prize list has not yet been made out on account of the work of collecting subscriptions not having been started. Collectors will canvas the city today. About \$3,500 is necessary to carry on the regatta along last year's lines, and it is anticipated that this amount will be very readily forthcoming. WILL SING AT SUNDAY CONCERTS. For the first time in the history of the Territorial band a vocal selection will be rendered at the Sunday concert. Captain Berber says that the singing has always been an exceedingly popular feature of the program at the regular weekday concerts and that he has had the introduction of the vocalists into the Sunday concerts in his mind for some time. The Kapellmeister holds that if there is nothing that offends the canons in the usage of horns and mechanically made instruments, that the human voice is no more secular than they. The selection to be rendered tomorrow will be chosen from Verdi's II Trovatore and will doubtless prove a popular innovation. A GOOD THING. There's one good thing when they feel dry. That business men cannot pass by. For far and wide it's fame you hear, They stop to drink of "Rainier" beer On draught or in bottle at Criterion.
