NOT ENOUGH PAID FOR WORK

House Public Expenditures Committee Reports on Some Road Bureau Contracts.

The House yesterday afternoon received a report from its Committee on Public Expenditures on the resolution of inquiry regarding work done by the Road Bureau at the residence of Superintendent Cooper. The report is as follows:

"The accountant of this committee, W. R. Sims, has examined the Road Bureau records and questioned the government employees connected with the work, and has determined that the services rendered have been insufficiently paid for, although he is unable to state definitely as to the amount, as no complete record of the work has been kept. His report to the committee is submitted as a part hereof.

"The accountant also finds that the Road Bureau served H. A. Isenberg during the current month, and that for this work the government was not properly paid. His report on this matter is also submitted herewith.

"Your committee deprecates and strongly condemns the practice of doing work of this nature by the government for private parties, and particularly for government officials, as the government has more than enough work of this class to perform. We are of the opinion that the practice should be stopped, and so recommend.

"Respectfully submitted, HENRY C. VIDA, Chairman Public Expenditures Committee, W. A. HATA, D. M. KUPIHEA, D. DAMIEN."

The accountant's report is as follows:

"Hon. Henry C. Vida, Chairman: Referring to your inquiry as to work done and macadam delivered by the Road Bureau on premises of Henry E. Cooper, Superintendent of Public Works, I beg to report to you of my investigations as follows:

"Record shows in the Public Works office, payment, viz.: Receipt 3,612, March 17, 1903, Henry E. Cooper—18 cubic yards No. 3 macadam, delivered, at \$2.00... \$36.00 4 cubic yards No. 4 macadam, delivered, at \$2.00... 8.00 3 days labor, spreading macadam, at \$1.25... 3.75 \$47.75

"Same was billed to Mr. Cooper by Road Bureau on February 19, 1903.

"Time record by William C. Cummings, time-keeper of teams in Road Bureau, shows the delivery to Mr. Cooper:

"February 13, 1903, five loads No. 4 macadam. "February 13, 1903, three loads No. 3 macadam. "February 17, 1903, two loads No. 4 macadam. "Total, ten loads, averaging one and one-half cubic yards, equalling ten and one-half cubic yards No. 4 macadam and four and one-half cubic yards No. 3 macadam. Upon the basis charged this would amount to \$30.

"I find, further, that work had been done under the former time keeper, David Dayton, Jr., of which no account whatever appears in the Road Bureau records.

"After interrogation of employees of the Road Bureau, past and present, I am unable to determine what amount should have been charged, as this information is based on memory, but have come to the conclusion that the government has been inadequately reimbursed for the services rendered in the work.

"W. R. SIMS, Accountant.

DOLE'S SUPPLEMENTAL BRIEF

THE LATE ATTORNEY GENERAL FILES ANOTHER BRIEF IN THE MANKICHI CASE—TAKES THE POSITION THAT HAWAII BECAME A PART OF THE UNITED STATES BY CONTRACT.

The late Attorney General Edmund P. Dole has filed a supplemental brief in the Supreme Court of the United States in the Osaki Mankichi case. In this brief the argument is that these islands became a part of the United States by contract, and that it being competent for any two independent nations to make any contract not violative of natural law, the contract by which Hawaii became a part of the United States, and its reasonable intentions and consequences, must be looked to as showing what was the governing principles of criminal prosecutions here until congress established such principles by enactment in accordance with the terms of the contract. The principal points in the brief are thus stated:

"Annexation was by contract, and was not a mere taking by Congressional authority, as claimed by appellee.

The Provisional Government of Hawaii was created in January, 1893, mainly with a view to annexation to the United States. The Provisional Government and President Harrison's administration agreed upon the terms of a treaty, which was submitted to the United States Senate for ratification. Before it could be ident Cleveland withdrew the treaty.
