### TURKEY AND BULGARIA READY FOR A FORMAL DECLARATION AND THE POWERS TOLD THEY MUST PROTECT THEIR OWN LEGATIONS IN CONSTANTINOPLE—POWERS ARE PREPARING TO INTERVENE.

Associated Press Cable to the Star.

CONSTANTINOPLE, September 5.—War with Bulgaria is now inevitable. A revised ultimatum is now ready to be forwarded to the Bulgarian Government. The newspapers are most inflammatory in their tone, and a formal declaration of war is probable at any time. It is no longer regarded as possible to prevent such a step.

The various powers represented in Constantinople have all been notified that the Turkish Government cannot guarantee the safety of their legations from fanatics who are likely to attack them at any time. Steps are therefore being taken by the powers themselves for the protection of their respective legations. The city is in a state of the most intense excitement and outbreaks are feared.

BERLIN, September 5.—It is rumored here that Turkish troops have already crossed the Bulgarian frontier.

PARIS, September 5.—Russia and Bulgaria have come to an agreement, according to a report received here, under which the Russian Government is to assist Bulgaria in the present difficulty with Turkey.

LONDON, September 5.—In view of the preparations for war in the Balkans there is general preparation among the powers looking to intervention. The powers are likely to act together, it is thought, in attempts to settle the growing difficulty.

## POLITICS IN OTHER COUNTIES

### THE MAKE UP OF THE MAUI COUNTY CONVENTION AND SOME OF THE MEN WHO ARE MENTIONED AS PROBABLE CANDIDATES WHO ARE TO COME BEFORE IT—EAST HAWAII.

PAIA, Maui, September 4.—The Republican primary elections passed off quietly last Saturday evening, and as a rule were very well attended. The result was very satisfactory, the conservative element in the party carrying the day in most cases. As far as is known at present the following will constitute the county convention.

- 2nd Precinct, Molokai—No returns.
- 3rd Precinct, Lahaina—A. N. Hayselden, G. H. Dunn and C. R. Lindsay.
- 4th Precinct, Honokohau—R. C. Searle.
- 5th Precinct, Lanai—
- 6th Precinct, Wailuku—J. W. Kalua, S. Keliinoi, J. Kini Kaa, D. Crowell, William Saffrey, William Bal and George Cummins.
- 7th Precinct, Kahului—H. P. Baldwin, J. J. Walsh and W. Hardy.
- 8th Precinct, Kihei—James Scott.
- 9th Precinct, Makawao—George Copp and D. Norton.
- 10 Precinct, Hamakua—J. H. Nui, H. P. Robinson, S. E. Kallama, H. A. Baldwin, D. C. Lindsay and W. O. Aiken.
- 11th Precinct, Huelo—W. E. K. Maikai.
- 12th Precinct, Keanae—W. F. Pogue.
- 13th Precinct, Hana—George O. Cooper, E. M. Hanuna, W. P. Haia, M. H. Reuter and J. K. Josepa.
- 14th Precinct, Kipahulu—No election yet.
- 15th Precinct, Ulupalakua—J. H. Raymond.

It is now thought by many that a strong ticket will be put up by the Republicans, and that they will be all of them good capable men. The plan of the Republican party is that the five supervisors shall be distributed, one to each district. The candidates who seem to have the strongest backing at present are W. F. Pogue for Hana district; H. A. Baldwin for Makawao; S. Kapu for Lahaina; Otto Meyer for Molokai; for Wailuku there are various candidates, no one of whom seem to be settled upon as yet, but among whom are R. A. Wadsworth and J. K. Kahookole.

For county officials the following are the most prominently mentioned:

- For Sheriff—L. M. Baldwin or A. N. Hayselden.
- For Clerk—J. N. K. Keola.
- For Treasurer—W. T. Robinson or L. M. Baldwin.
- For Auditor—A. N. Hayselden or J. N. K. Keola.
- For Assessor—Charles Copp or W. T. Robinson.
- For Attorney—N. W. Aluli or W. E. Crockett.
- For Surveyor—P. E. Lamar or Hugh Howell.

HILO, September 3.—The following are the delegates elected to the county convention of the County of East Hawaii, from the Hilo or Fourth precinct:

- T. M. Rowland, A. B. Loebenstein, A. R. Hitchcock, W. Todd, Jr., E. N. Holmes, William Higgins, Jim Morris, H. Ludloff, A. C. McKenny, John Kaai, Jr.

Four of these and perhaps five are said to favor Lorrin Andrews for Sheriff. At the meeting of the precinct club the evening before the primary, a resolution was passed adopting the unit rule for the delegates from this precinct in the convention.

In the Waiakea precinct the following are the delegates elected: George Kaihenui, Otto Rose, John Bohnenberg, J. D. Lewis, C. N. Prouty, J. P. Fernandez, Jr.

Among the candidates talked of for the county offices of East Hawaii, are L. A. Andrews and Ben Brown for sheriff; George H. Williams for tax assessor; N. C. Wilfong for auditor; C. H. Williams for attorney; Tom Cook for surveyor; A. E. Sutton and Fred Lyman for treasurer; Norman Lyman for county clerk; W. H. Smith for county attorney and George Paty for supervisor.

## BERGER AND THE BAND VOCALISTS

### THE WOMEN WHO SING IN THE BAND GET COCKY AND LORDED IT OVER THE PLAIN HORN BLOWERS BECAUSE THEY WERE GETTING BIGGER PAY THAN THE LATTER.

Kappelmeister Berger of the government band has been advised by Attorney General Andrews that if he hires two singers for the band he must pay them the full salary of \$50 per month each for singing. When draws, with the result that he was told that the law did not allow him to hire two singers and pay them less than the full sum per month. Berger has a new scheme now, it is stated, and that is to hire four singers and use them alternately, so that two will be entitled to one-half the salary.

The trouble in the band is said to be largely due to a howl from the instrumental musicians, who don't get such big wages as the warblers. Captain Berger says that the two lady vocalists get more than a first class prima donna. They only sing three or four hours a month and get \$50 for it.

The ladies who receive this liberal remuneration are said to have stirred up the trouble by lording it over the instrumentalists. The latter work all evening, instead of for a few minutes, like the singers, and the two ladies did some gloating, calling the violinists and the wind men and the drummers slaves in comparison with themselves. A strike was threatened because the ladies were declared to be getting too much and Berger proceeded to cut them down by dividing the appropriation.

The rate of \$50 per month was placed in the bill by the efforts of Kumalae, one of the singers being a sister of his. He is interesting himself to see that the singers get it, but Berger may have a new scheme to spring yet, to divide up the two items of \$50 per month each.

## WILL BE THE MOSQUITO KILLER

### DR. C. A. PETERSON WILL PROBABLY BE CHOSEN TO HEAD THE MOVEMENT.

Dr. C. A. Peterson, of the government dispensary, will probably be the man to head the mosquito campaign, if the committee in charge raises funds sufficient to carry the work. A meeting of the committee will be held next week and if the situation warrants it, a start will probably be made.

"The work calls for a man of scientific education," said Dr. Cooper "and Dr. Peterson will be able to fill that bill, I think. He can continue his present work at the same time. His plans will have to be carried out in a scientific way and by a man of energy, and Dr. Peterson is favorably considered for the position, though no definite decision has yet been made."

The anti-mosquito work is still confined to the Sanitary inspectors, who are working on such places as they find where mosquitoes may breed. In some localities it is claimed that there is an appreciable difference in the number of mosquitoes since the campaign started, but those in charge do not anticipate any particular results until the general campaign is started, and every yard and garden is thoroughly looked after.

## A UNION OF BILL COLLECTORS

### A NEW KIND OF COMMERCIAL RATING PROPOSED BY MEN WHO CHASE DEBTORS.

"We are going to organize a collectors' union or combination," said a local bill chaser this morning, "and agree upon rates for which we will collect from various parties. I am refusing all bills against some except for twenty-five per cent of what I collect, others ten per cent is all right. We should all get together and agree upon a schedule of rates."

The man who proposes a bill collectors' union, which is something novel in the way of unionism, is A. Schoelkopf, who spends his time chasing the elusive dollar for other people who have bills they cannot collect. Schoelkopf says that he is able to make up a schedule of how various parties should be rated, from the point of view of the man who has to collect from them. "Some of them you might have to call on twenty-five times for fifteen dollars," he said, "and I won't take those kind of bills for ten per cent."

## PRINCES ASKED TO PAY THEIR DEBTS

### SUIT BROUGHT AGAINST KALANI-ANAOLE FOR MERCHANDISE AND DAVID AS AN ENDORSER.

W. W. Dimond and Company have brought suit against Prince Kuhio Kalani'anaole for an old account of \$259.10, which the plaintiff claims to have been trying for a long time to collect from the Kaplolan Estate, which is supposed to pay the prince's bills. The account began in December, 1901, and is for various household articles, such as plates, vases, etc., and plaintiffs claim that they have not been able to collect the amount. The suit is brought against the Prince individually, though the efforts to collect have been from the corporation. It is stated that there are a number of other accounts which are likely to follow this one into the courts. The complaint filed in the District court, after the usual preliminaries, sets forth as follows:

"That defendant is indebted into plaintiff in the sum of \$259.10 for goods, wares and merchandise sold and delivered unto the defendant by the plaintiff at the special instance and request of the defendant, between December 13th, 1901 and May 8th, 1903, as appears by the bill of particulars hereto attached and made a part hereof; that the defendant, although often requested has not paid the said sum nor any part thereof and that the same is now due and owing to the plaintiff.

"Wherefore plaintiff asks judgment against defendant for said sum of \$259.10 together with interest, costs and attorneys' commissions herein."

Thayer and Hemenway are attorneys for the plaintiff. Another suit was begun yesterday against Prince David who also relies on the Kaplolan estate to pay his accounts, for a sum alleged to be due on a promissory note which he endorsed.

The Kaplolan Estate is the corporation of a part of whose property a San Francisco bank recently assumed partial management as stated in The Star, because payments were not made on time on a \$300,000 mortgage. The Company took occasion to announce after The Star's giving the news, that it had large sums of money coming and was in prosperous condition.
